ANNO QUINQUAGESIMO SEPTIMO

VICTORIÆ REGINÆ.

No. II.

An Act to sanction the construction of works of Water Supply for the town of Junee, county of Clarendon. [Assented to, 4th December, 1893.]

WHEREAS, pursuant to the "Public Works Act of 1888," a Preamble. certain proposed Public Work, namely, "Works of Water Supply for the town of Junee, county of Clarendon," was, on the second day of February, in the year one thousand eight hundred and ninety-three, duly submitted and explained by the Secretary for Public Works in the Legislative Assembly, and such work was thereupon referred, on the motion of the said Secretary, to the Parliamentary Standing Committee on Public Works, which Committee reported thereon to the said Assembly pursuant to the said Act: And whereas on the nineteenth day of October, in the year one thousand eight hundred and ninety-three, the said Assembly by resolution declared "that it is expedient that works of Water Supply for the town of Junee, as referred by the Legislative Assembly to the Parliamentary Standing Committee on Public Works, be carried out"; and the said resolution was notified in the *Gazette* on the twentieth day of October in the said last-mentioned year: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of

Junee Water Supply Works.

of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

Short title.

1. This Act may be cited as the “Junee Water Supply Works Act of 1893,” and shall be read with the “Public Works Act of 1888.”

Work to be carried out.

2. The Public Work more particularly described in the Schedule to this Act shall be carried out by the Secretary for Public Works, or the Member of the Executive Council for the time being charged with the duties of the said Secretary. And such Secretary or Member shall for the purposes of this Act and the “Public Works Act of 1888” be deemed and taken to be the “Constructing Authority” authorised to enter into contracts, and to exercise all powers, do all acts and things, and be responsible in respect of all obligations and liabilities which can be done or incurred by a “Constructing Authority” under or pursuant to this Act or the said Public Works Act, so far as may be necessary for the carrying out of the work hereby sanctioned. The plan of such work hereinafter referred to is the plan marked “Junee Water Supply Works,” signed by the Secretary for Public Works and countersigned by the Engineer-in-Chief for Harbours and Rivers, and deposited in the office of the said Secretary.

Cost, how to be defrayed.

3. The cost of carrying out the work hereby sanctioned, estimated at forty-five thousand pounds, shall be defrayed from such Loan Votes as are now or may hereafter be applicable thereto.

SCHEDULE.

Water Supply for the town of Junee, county of Clarendon, parishes of Ulandra, Billabung, Boree, and Junee.

The proposed works are shown by red lines on the plan referred to in Section 2 of this Act. They consist of:—

1. A concrete dam, forty feet in height and five hundred and twenty feet in length across the Ullandrie Creek, to form a storage reservoir.
2. About twenty and five-eighths miles of seven inch riveted steel pipes from the storage reservoir to Junee.
3. A brick and concrete service reservoir about seventy feet in diameter and fifteen feet deep.
4. About five miles of six inch, four inch, and three inch reticulation pipes with hydrants, &c.

By Authority: CHARLES POTTER, Government Printer, Sydney, 1893.
