

I Certify that this PUBLIC BILL, which originated in the LEGISLATIVE ASSEMBLY, has finally passed the LEGISLATIVE COUNCIL and the LEGISLATIVE ASSEMBLY of NEW SOUTH WALES.

*Legislative Assembly Chamber,
Sydney, 31 May, 1894. }*

*F. W. WEBB,
Clerk of the Legislative Assembly.*

New South Wales.

ANNO QUINQUAGESIMO SEPTIMO

VICTORIÆ REGINÆ.

No. XXVIII.

An Act to sanction the construction of works of Water Supply for the town of Tamworth, counties of Inglis and Parry, and to apply the provisions of the Country Towns Water and Sewerage Act of 1880, and any Act amending the same to the said works. [Assented to, 5th June, 1894.]

WHEREAS, pursuant to and in accordance with the provisions of Preamble. the Public Works Act of 1888, a certain proposed Public Work, namely, "Works of Water Supply for the town of Tamworth, counties of Inglis and Parry," was, on the twenty-ninth day of March, one thousand eight hundred and ninety-two, submitted and explained by the Secretary for Public Works in the Legislative Assembly, and the said work was thereupon referred, on the motion of the said Secretary, to the Parliamentary Standing Committee on Public Works for their report thereon, which Committee reported to the said Assembly the result of their inquiries: And whereas, after the receipt of the said report, that is to say on the eighteenth day of April, one thousand eight hundred and ninety-four, the said Assembly by resolution declared that it was expedient that the said Work should be carried out; which resolution was notified in the *Gazette* on the twentieth day of April in the year last-mentioned: Be it therefore enacted by the Queen's Most Excellent Majesty, by and with the advice and consent

I have examined this Bill, and find it to correspond in all respects with the Bill as finally passed by both Houses.

*NINIAN MELVILLE,
Chairman of Committees of the Legislative Assembly.*

Tamworth Water Supply Works.

consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows :—

Work sanctioned.

1. The carrying out of the said work more particularly described in the Schedule to this Act is hereby sanctioned; and the Secretary for Public Works, or the Member of the Executive Council for the time being performing the duties of the said Secretary, is hereby authorised to undertake and carry out the said work subject to the provisions of this Act, and for that purpose shall be and shall have the powers and duties of a Constructing Authority within the meaning of the Public Works Act of 1888. The plan of the said work is the plan marked "Tamworth Water Supply Works," signed by the Secretary for Public Works and countersigned by the Engineer-in-Chief for Harbours and Rivers, and deposited in the office of the said Secretary.

Cost, how to be defrayed.

2. The cost of carrying out the work hereby sanctioned, estimated at twenty-two thousand five hundred pounds, may be defrayed from such Loan Votes as are now or may hereafter be applicable thereto.

Application of Country Towns Water and Sewerage Acts to work sanctioned.

3. Any work sanctioned by and completed under the authority of this Act shall, for the purposes of Part V of the Country Towns Water and Sewerage Act of 1880 and of any enactment amending the same, be deemed to be works authorised and completed by the Governor within the meaning of section one hundred and twenty-four of the said Act.

Short title.

4. This Act may be cited as the "Tamworth Water Supply Works Act, 1894," and shall be construed as one with the Country Towns Water and Sewerage Act of 1880, the Country Towns Water and Sewerage Act Extension Act of 1887, and the Country Towns and Hunter District Water Supply and Sewerage Acts Amendment Act of 1894.

SCHEDULE.

Water Supply for the town of Tamworth, counties of Inglis and Parry, parishes of Tamworth and Nemingha.

The proposed works are shown by red lines on the plan referred to in Section one of this Act. They consist of :—

1. An infiltration brick well, about thirty feet in diameter and thirty feet deep, to be sunk in the drift near the confluence of the Peel and Cockburn Rivers at Tamworth.
2. An engine-house and steam-pumping machinery.
3. A concrete service reservoir, about eighty feet in diameter and seventeen feet deep.
4. About sixty-seven chains of nine-inch wrought-iron pipes, from the well to the service reservoir.
5. About nineteen and a half miles of six-inch, four-inch, and three-inch reticulation pipes, with hydrants, &c.

In the name and on the behalf of Her Majesty I assent to this Act.

Government House,
Sydney, 5 June, 1894.

R. W. DUFF,
Governor.

I Certify that this PUBLIC BILL, which originated in the LEGISLATIVE ASSEMBLY, has finally passed the LEGISLATIVE COUNCIL and the LEGISLATIVE ASSEMBLY of NEW SOUTH WALES.

*Legislative Assembly Chamber,
Sydney, 31 May, 1894.* }
