[3d.]

Memo. and Certificate to accompany the Evidence (Penalties) Bill.

THIS Bill does not consolidate any existing Acts, but is a temporary measure, necessary to be passed with the Evidence Bill. Some provisions as to evidence have been taken out of Statutes which also contain penal provisions to be elsewhere consolidated. In the meantime the repeal and consolidation of the sections to which the penal provisions refer might be held to deprive them of their efficacy. It is necessary therefore to pass this short measure preserving them for the time until they shall themselves be consolidated.

I certify that this Bill in no way alters, adds to, or amends the existing law.
