**B**E it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same as follows:—

1. This Act may be cited as the "Newcastle Pasturage Reserve Short title.  
Act, 1900."

2. (1) The Acts mentioned in the First Schedule hereto are Repeal.  
hereby repealed.

(2) All regulations made under the repealed Acts shall continue in force as if this Act had been in force when such regulations were made and they had been made hereunder; and any references in such regulations to the provisions of the Acts repealed shall be construed as references to the corresponding provisions of this Act.

3.

Interpretation.  
53 Vic. No. 1, s. 1.

3. In this Act, unless the context or subject matter otherwise indicates or requires :—

“Minister” means the Minister for Lands.

“Persons” includes religious, educational, and other bodies.

“Newcastle Pasturage Reserve” means the land described in the Second Schedule hereto.

Proviso.  
*Ibid.*

4. Nothing in this Act shall prevent the operation of section five of the Act twenty-fifth Victoria number one in any case where a promise has, prior to the eleventh day of May, one thousand eight hundred and eighty, been made by the Minister, or any person authorised in that behalf, to dedicate land within the Newcastle Pasturage Reserve.

Title of purchaser.  
*Ibid.*

5. Any person whose application for land within the Newcastle Pasturage Reserve has been accepted under the provisions of the Acts hereby repealed shall, in respect of the land measured or allotted under the said Acts, be held to have been and to be in legal occupation thereof as against the Crown, or any person claiming under any lease or promise of lease for mining purposes; and any person whose application has been or is forfeited under the said Acts, or this Act, shall be deemed to have been in legal occupation up to the time of such forfeiture taking effect.

Payment of instalments.  
59 Vic. No. 11, s. 1.

6. The several instalments of purchase money payable under section one of the Act fifty-nine Victoria, number eleven, and remaining unpaid at the passing of this Act, shall be paid on or before the twentieth day of November in each year, together with interest at the rate of four per centum per annum on the unpaid balance of the total sum, including interest, which remained unpaid on the twentieth day of November, one thousand eight hundred and ninety-five, until the total sum, with interest, has been paid, but any instalments may be paid at any time before they become due.

Forfeiture of application.  
*Ibid.* s. 2.

7. Failure by any person to pay any instalment when due shall render the application for the land by such person liable to forfeiture, and such forfeiture shall take effect at the expiration of thirty clear days after notification thereof in the Gazette.

Sale of lands.  
53 Vic. No. 1, s. 5.

8. Sections sixty-one and sixty-two of the Crown Lands Act of 1884, and the Act fifty Victoria number thirty-nine, shall apply to such land within the Newcastle Pasturage Reserve as has not been alienated under the Acts hereby repealed, and which the Minister directs to be submitted to sale by auction. For the purposes of this section, such land shall be deemed to be country Crown lands, and may be offered for sale in areas not exceeding four acres. Any improvements on such land may be held to be the property of the Crown.

Land may be withdrawn from mining lease.  
*Ibid.* s. 6.

9. Notwithstanding the Act thirty-seventh Victoria number thirteen, or any provision repealed thereby, or any covenants, conditions, or provisions in any lease for mining purposes, or any promise of such

such lease granted or made in respect of any part of the Newcastle Pasturage Reserve, the Governor may, by notice published in the Gazette, withdraw from time to time from such lease or promise of lease, without compensation or abatement of rent, so much of the surface of the land demised thereby as is necessary or desirable for the purpose of giving effect to this Act; and at the expiration of three months after the date of such notice the surface of the land therein described shall cease to be included in the land so demised:

Provided that during the currency of such lease or promise of lease, and after withdrawal or sale, the holder thereof shall, except as to the surface of the land, continue to have the same rights and privileges in connection with the land so withdrawn or sold, and the minerals it contains, as he had before such withdrawal or sale.

10. Sales under this Act may be made, notwithstanding any prior reservation, proclamation, notification, or setting apart of the land made, or purporting to have been made, under any Act relating to Crown lands; and any grant made under this Act, or the Acts hereby repealed, shall operate as an extinguishment of any such reservation, proclamation, notification, or setting apart to the extent of the land included in such grant.

11. All grants issued under this Act shall contain a reservation of all minerals and metals in the land granted, and such other reservations and exceptions as the Governor deems expedient; and any persons authorised by the Minister for Mines may, subject to regulations made by the Governor in that behalf, dig, search for, and remove any mineral or metal from such land.

12. Sections one hundred and thirty-one and one hundred and thirty-three of the Crown Lands Act of 1884, shall apply to any person in unauthorised occupation of any part of the Newcastle Pasturage Reserve, whose occupation is not authorised under this Act.
