HARRY H. RAWSON,
State Government House, Governor.
Sydney, 11th September, 1902.

Memo. and Certificate to accompany the Fines and Forfeited Recognizances Recovery Bill.

THE original enactments here consolidated are excessively verbose and confused. A practice has been established under them which has been found convenient and efficient, and while possibly not in minute accordance with the provisions of the original sections, because in several instances it is almost impossible to discover their meaning, has, at any rate, been undisputed for thirty years. This consolidation has been directed towards giving a clear expression to this practice, to simplifying the language, and supplying what appeared to be clear omissions.

Save as aforesaid, I certify that this Bill solely consolidates and in no way alters, adds to, or amends the law as contained in the enactments therein consolidated.
