*Clause 4.* The original section is taken to mean that all continuing subscribers and all subscribers of £50 in one sum constitute the corporation. This agrees with section 7 of the original Act, which speaks of "annual subscribers."

*Clause 7.* The original Act prescribed the method of calling the first meeting, but was silent as to subsequent meetings.

*Clause 10.* In the original by-law section no power was expressly given to make by-laws as to annual meetings. Such by-laws have necessarily been made and have been acted on without any question. The omission is now supplied and the name of the month of July, which is not the month used, has been omitted.

Save as aforesaid, I certify that this Bill solely consolidates, and in no way alters, adds to, or amends the law as contained in the Acts therein consolidated.
