

New South Wales.

ANNO SEXTO

EDWARDI VII REGIS.

Act No. 46, 1906.

An Act to sanction the construction of a dam across the Murrumbidgee River at Barren Jack, a movable diversion weir across the Murrumbidgee River about nineteen miles in a direct line above Narrandera, a main canal from near the diversion weir, a series of branch and subsidiary distributing and drainage channels, together with other works connected therewith; and for purposes consequent thereon or incidental thereto. [Assented to, 19th December, 1906.]

WHEREAS in accordance with the provisions of the Public Works Preamble. Act, 1900, the Legislative Assembly did, by resolution, declare that it was expedient to carry out a certain work, namely, the construction of a dam across the Murrumbidgee River at Barren Jack, in the parishes of West Goodradigee and Childowla, in the counties of Buccleuch and Harden, respectively; a movable diversion weir across the Murrumbidgee River about nineteen miles in a direct line above Narrandera; the construction of a main canal from near the diversion weir to a point about ten miles north-easterly from the village of Gunbar

Barren Jack Dam and Murrumbidgee Canals Construction.

Gunbar ; a series of main and subsidiary distributing channels, together with other works connected therewith : And whereas on the passing of the said resolution a statutory duty was by the said Act imposed on the Secretary for Public Works to introduce a Bill into the said Assembly to sanction the carrying out of the said work : Be it therefore enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows :—

Short title.

1. This Act may be cited as the "Barren Jack Dam and Murrumbidgee Canals Construction Act, 1906."

Sanction of works.

2. The carrying out of the said work (more particularly described in the Schedule to this Act) is hereby sanctioned, and the Secretary for Public Works, or the member of the Executive Council for the time being performing the duties of the said Secretary, is hereby authorised to undertake and carry out the said work, subject to the provisions of this Act, and for that purpose shall be and shall have the powers and duties of a Constructing Authority within the meaning of the Public Works Act, 1900.

Reference to plan.

3. The plan of the said work is the plan marked "A," signed by the Secretary for Public Works, and countersigned by the Chief Engineer for Rivers, Water Supply, and Drainage, and deposited in the public office of the said Secretary.

Cost of works.

4. The cost of the said work, including cost of resumption, estimated at one million five hundred and seventy-four thousand and eight pounds, may be defrayed from the Public Works Fund or from such loan votes as are now or may hereafter be applicable for that purpose or partly from the said fund and partly from such votes.

SCHEDULE.

1. The construction of a rubble concrete dam across the Murrumbidgee River at Barren Jack, in the parishes of West Goodradigbee and Childowla, in the counties of Buccleuch and Harden, to retain a supply of water to a reduced top-water level of one thousand one hundred and eighty feet above high-water mark, Sydney, together with by-washes, sluices, valves, and all other necessary works for the storage and delivery of water.

2. The construction of a diversion weir across the Murrumbidgee River about nineteen miles in a direct line above Narrandera, with movable wickets, sluices, and other works necessary for the diversion of a supply of water.

3. The construction of a main canal from the diversion weir, with branch and subsidiary distributing and drainage channels to Gunbar and Hay, with regulators, crossings, escapes, sluices, pipes, and other works necessary for the supply and distribution of water for irrigation, stock, and domestic purposes.

The whole to be subject to such variations and modifications as may be considered residable by the Constructing Authority.

By Authority : WILLIAM APPEGATE GULLICK Government Printer, Sydney, 1906.

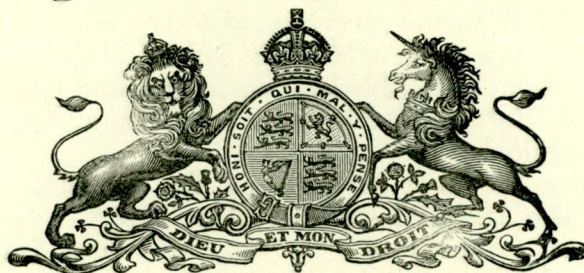

[3d.]

I Certify that this PUBLIC BILL, which originated in the LEGISLATIVE ASSEMBLY, has finally passed the LEGISLATIVE COUNCIL and the LEGISLATIVE ASSEMBLY of NEW SOUTH WALES.

*Legislative Assembly Chamber,
Sydney, 14 December, 1906.* }

RICHD. A. ARNOLD,
Clerk of the Legislative Assembly.

New South Wales.

ANNO SEXTO

EDWARDI VII REGIS.

Act No. 46, 1906.

An Act to sanction the construction of a dam across the Murrumbidgee River at Barren Jack, a movable diversion weir across the Murrumbidgee River about nineteen miles in a direct line above Narrandera, a main canal from near the diversion weir, a series of branch and subsidiary distributing and drainage channels, together with other works connected therewith; and for purposes consequent thereon or incidental thereto. [Assented to, 19th December, 1906.]

WHEREAS in accordance with the provisions of the Public Works Preamble. Act, 1900, the Legislative Assembly did, by resolution, declare that it was expedient to carry out a certain work, namely, the construction of a dam across the Murrumbidgee River at Barren Jack, in the parishes of West Goodradigee and Childowla, in the counties of Buccleuch and Harden, respectively; a movable diversion weir across the Murrumbidgee River about nineteen miles in a direct line above Narrandera; the construction of a main canal from near the diversion weir to a point about ten miles north-easterly from the village of Gunbar

I have examined this Bill, and find it to correspond in all respects with the Bill as finally passed by both Houses.

W. H. WOOD,
Chairman of Committees of the Legislative Assembly.

Barren Jack Dam and Murrumbidgee Canals Construction.

Gunbar; a series of main and subsidiary distributing channels, together with other works connected therewith: And whereas on the passing of the said resolution a statutory duty was by the said Act imposed on the Secretary for Public Works to introduce a Bill into the said Assembly to sanction the carrying out of the said work: Be it therefore enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

- Short title. 1. This Act may be cited as the "Barren Jack Dam and Murrumbidgee Canals Construction Act, 1906."
- Sanction of works. 2. The carrying out of the said work (more particularly described in the Schedule to this Act) is hereby sanctioned, and the Secretary for Public Works, or the member of the Executive Council for the time being performing the duties of the said Secretary, is hereby authorised to undertake and carry out the said work, subject to the provisions of this Act, and for that purpose shall be and shall have the powers and duties of a Constructing Authority within the meaning of the Public Works Act, 1900.
- Reference to plan. 3. The plan of the said work is the plan marked "A," signed by the Secretary for Public Works, and countersigned by the Chief Engineer for Rivers, Water Supply, and Drainage, and deposited in the public office of the said Secretary.
- Cost of works. 4. The cost of the said work, including cost of resumption, estimated at one million five hundred and seventy-four thousand and eight pounds, may be defrayed from the Public Works Fund or from such loan votes as are now or may hereafter be applicable for that purpose or partly from the said fund and partly from such votes.

SCHEDULE.

1. The construction of a rubble concrete dam across the Murrumbidgee River at Barren Jack, in the parishes of West Goodradigbee and Childowla, in the counties of Buccleuch and Harden, to retain a supply of water to a reduced top-water level of one thousand one hundred and eighty feet above high-water mark, Sydney, together with by-washes, sluices, valves, and all other necessary works for the storage and delivery of water.

2. The construction of a diversion weir across the Murrumbidgee River about nineteen miles in a direct line above Narrandera, with movable wickets, sluices, and other works necessary for the diversion of a supply of water.

3. The construction of a main canal from the diversion weir, with branch and subsidiary distributing and drainage channels to Gunbar and Hay, with regulators, crossings, escapes, sluices, pipes, and other works necessary for the supply and distribution of water for irrigation, stock, and domestic purposes.

The whole to be subject to such variations and modifications as may be considered residable by the Constructing Authority.

In the name and on the behalf of His Majesty I assent to this Act.

HARRY H. RAWSON,
Governor.

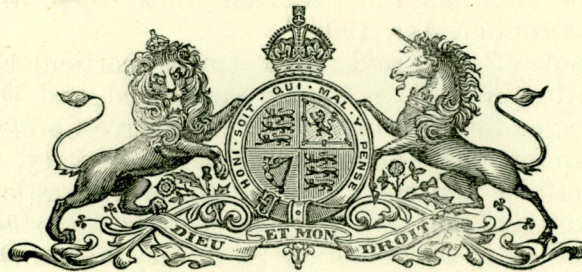

*State Government House,
Sydney, 19th December, 1906.*

This PUBLIC BILL originated in the LEGISLATIVE ASSEMBLY, and, having this day passed, is now ready for presentation to the LEGISLATIVE COUNCIL for its concurrence.

*Legislative Assembly Chamber,
Sydney, 5 December, 1906.* }

RICHD. A. ARNOLD,
Clerk of the Legislative Assembly.

New South Wales.

ANNO SEXTO

EDWARDI VII REGIS.

Act No. , 1906.

An Act to sanction the construction of a dam across the Murrumbidgee River at Barren Jack, a movable diversion weir across the Murrumbidgee River about nineteen miles in a direct line above Narrandera, a main canal from near the diversion weir, a series of branch and subsidiary distributing and drainage channels, together with other works connected therewith; and for purposes consequent thereon or incidental thereto.

WHEREAS in accordance with the provisions of the Public Works Preamble. Act, 1900, the Legislative Assembly did, by resolution, declare that it was expedient to carry out a certain work, namely, the construction of a dam across the Murrumbidgee River at Barren Jack, 5 in the parishes of West Goodradigee and Childowla, in the counties of Buccleuch and Harden, respectively; a movable diversion weir across the Murrumbidgee River about nineteen miles in a direct line above Narrandera; the construction of a main canal from near the diversion weir to a point about ten miles north-easterly from the village of Gunbar

Barren Jack Dam and Murrumbidgee Canals Construction.

Gunbar; a series of main and subsidiary distributing channels, together with other works connected therewith: And whereas on the passing of the said resolution a statutory duty was by the said Act imposed on the Secretary for Public Works to introduce a Bill into the said
 5 Assembly to sanction the carrying out of the said work: Be it therefore enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

- 10 1. This Act may be cited as the "Barren Jack Dam and Murrumbidgee Canals Construction Act, 1906." Short title.
2. The carrying out of the said work (more particularly described in the Schedule to this Act) is hereby sanctioned, and the
 15 Secretary for Public Works, or the member of the Executive Council for the time being performing the duties of the said Secretary, is hereby authorised to undertake and carry out the said work, subject to the provisions of this Act, and for that purpose shall be and shall have the powers and duties of a Constructing Authority within the meaning of the Public Works Act, 1900.
- 20 3. The plan of the said work is the plan marked "A," signed by the Secretary for Public Works, and countersigned by the Chief Engineer for Rivers, Water Supply, and Drainage, and deposited in the public office of the said Secretary. Reference to plan.
4. The cost of the said work, including cost of resumption,
 25 estimated at one million five hundred and seventy-four thousand and eight pounds, may be defrayed from the Public Works Fund or from such loan votes as are now or may hereafter be applicable for that purpose or partly from the said fund and partly from such votes. Cost of works.

SCHEDULE.

- 30 1. The construction of a rubble concrete dam across the Murrumbidgee River at Barren Jack, in the parishes of West Goodradigbee and Childowla, in the counties of Buccleuch and Harden, to retain a supply of water to a reduced top-water level of one thousand one hundred and eighty feet above high-water mark, Sydney, together with
 35 by-washes, sluices, valves, and all other necessary works for the storage and delivery of water.
2. The construction of a diversion weir across the Murrumbidgee River about nineteen miles in a direct line above Narrandera, with movable wickets, sluices, and other works necessary for the diversion of a supply of water.
3. The construction of a main canal from the diversion weir, with branch and
 40 subsidiary distributing and drainage channels to Gunbar and Hay, with regulators, crossings, escapes, sluices, pipes, and other works necessary for the supply and distribution of water for irrigation, stock, and domestic purposes.
- The whole to be subject to such variations and modifications as may be considered desirable by the Constructing Authority.
