

New South Wales.

ANNO QUINTO

EDWARDI VII REGIS.

Act No. 34, 1905.

An Act to sanction the completion of the raising and re-lining of the Lower Canal, and the construction of an Aqueduct at Booth Town, Sydney Water Supply; and for other purposes. [Assented to, 9th December, 1905.]

WHEREAS in accordance with the provisions of the Public Works Preamble.
Act, 1900, the Legislative Assembly did, by resolution, declare that it was expedient to carry out a certain work, namely, the completion of the raising and re-lining of the lower canal, and the construction of an aqueduct at Booth Town, Sydney Water Supply: And whereas, on the passing of the said resolution, a statutory duty was, by the said Act, imposed on the Secretary for Public Works to introduce a Bill into the said Legislative Assembly to sanction the carrying out of the work: Be it therefore enacted by the King's Most Excellent Majesty,

Sydney Water Supply Conduit Additional Works.

Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

Short title, and incorporation.

1. This Act may be cited as the "Sydney Water Supply Conduit Additional Works Act, 1905," and shall be construed with the Metropolitan Water and Sewerage Acts, 1880-1889, the Metropolitan Water and Sewerage Act of 1894, the Sydney Water Supply Conduit Additional Works Act, 1897, and the Sydney Water Supply (Cataract River Dam) Act, 1902.

Works sanctioned.

2. The carrying out of the said work (more particularly described in the Schedule to this Act) is hereby sanctioned, and the Secretary for Public Works, or the member of the Executive Council for the time being performing the duties of the said Secretary, is hereby authorised to undertake and carry out the said work, subject to the provision of this Act, and for that purpose shall be and shall have the powers and duties of a constructing authority within the meaning of the Public Works Act, 1900.

Plan of work.

3. The plan of the said work is the plan marked "A," and signed by the Engineer-in-Chief for the Metropolitan Board of Water Supply and Sewerage, and deposited in the public office of the said secretary.

Cost, how defrayed.

4. The cost of carrying out the said work, estimated at sixty-six thousand four hundred and fifty-five pounds, may be defrayed from such loan votes as are now or may hereafter be applicable to that purpose, and shall not under any circumstances exceed the estimated cost by more than ten per centum.

Vesting of work in Board.

5. On the completion of the said work, the Governor shall forthwith notify the same in the Gazette. And upon that notification being made, the property in the said work shall, by virtue of this Act alone, be vested in the Board of Water Supply and Sewerage constituted under the Metropolitan Water and Sewerage Act of 1880 for and on behalf of His Majesty.

SCHEDULE.

The works consist of—

- (1) Raising and re-lining with Monier plates the lower canal from Prospect to Pipe Head, to increase the discharging capacity of the said canal to eighty-seven million six hundred and thirty-five thousand gallons per day.
- (2) The reconstruction of the aqueduct at Booth Town.
- (3) The necessary alterations to flumes and side drainage, and the rearrangement of occupation bridges, in connection with the improvement of the canal.
- (4) The fixing of a Venturi meter for the measurement of the water discharged by the canal.

By Authority: WILLIAM APPELEGATE GULLICK, Government Printer, Sydney, 1905.

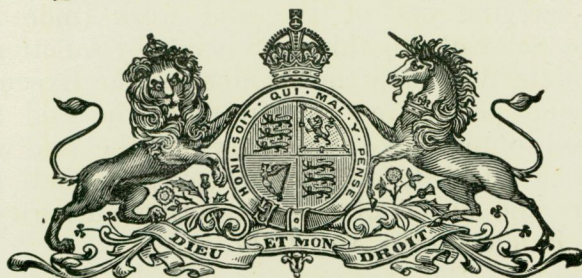

[3d.]

I Certify that this PUBLIC BILL, which originated in the LEGISLATIVE ASSEMBLY, has finally passed the LEGISLATIVE COUNCIL and the LEGISLATIVE ASSEMBLY of NEW SOUTH WALES.

*Legislative Assembly Chamber,
Sydney, 7 December, 1905, A.M. }*

*RICHD. A. ARNOLD,
Clerk of the Legislative Assembly.*

ANNO QUINTO

EDWARDI VII REGIS.

Act No. 34, 1905.

An Act to sanction the completion of the raising and re-lining of the Lower Canal, and the construction of an Aqueduct at Booth Town, Sydney Water Supply; and for other purposes. [Assented to, 9th December, 1905.]

WHEREAS in accordance with the provisions of the Public Works Preamble. Act, 1900, the Legislative Assembly did, by resolution, declare that it was expedient to carry out a certain work, namely, the completion of the raising and re-lining of the lower canal, and the construction of an aqueduct at Booth Town, Sydney Water Supply: And whereas, on the passing of the said resolution, a statutory duty was, by the said Act, imposed on the Secretary for Public Works to introduce a Bill into the said Legislative Assembly to sanction the carrying out of the work: Be it therefore enacted by the King's Most Excellent Majesty,

I have examined this Bill, and find it to correspond in all respects with the Bill as finally passed by both Houses.

*W. H. WOOD,
Chairman of Committees of the Legislative Assembly.*

Sydney Water Supply Conduit Additional Works.

Short title, and incorporation.	<p>Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—</p> <p>1. This Act may be cited as the "Sydney Water Supply Conduit Additional Works Act, 1905," and shall be construed with the Metropolitan Water and Sewerage Acts, 1880-1889, the Metropolitan Water and Sewerage Act of 1894, the Sydney Water Supply Conduit Additional Works Act, 1897, and the Sydney Water Supply (Cataract River Dam) Act, 1902.</p>
Works sanctioned.	<p>2. The carrying out of the said work (more particularly described in the Schedule to this Act) is hereby sanctioned, and the Secretary for Public Works, or the member of the Executive Council for the time being performing the duties of the said Secretary, is hereby authorised to undertake and carry out the said work, subject to the provision of this Act, and for that purpose shall be and shall have the powers and duties of a constructing authority within the meaning of the Public Works Act, 1900.</p>
Plan of work.	<p>3. The plan of the said work is the plan marked "A," and signed by the Engineer-in-Chief for the Metropolitan Board of Water Supply and Sewerage, and deposited in the public office of the said secretary.</p>
Cost, how defrayed.	<p>4. The cost of carrying out the said work, estimated at sixty-six thousand four hundred and fifty-five pounds, may be defrayed from such loan votes as are now or may hereafter be applicable to that purpose, and shall not under any circumstances exceed the estimated cost by more than ten per centum.</p>
Vesting of work in Board.	<p>5. On the completion of the said work, the Governor shall forthwith notify the same in the Gazette. And upon that notification being made, the property in the said work shall, by virtue of this Act alone, be vested in the Board of Water Supply and Sewerage constituted under the Metropolitan Water and Sewerage Act of 1880 for and on behalf of His Majesty.</p>

SCHEDULE.

The works consist of—

- (1) Raising and re-lining with Monier plates the lower canal from Prospect to Pipe Head, to increase the discharging capacity of the said canal to eighty-seven million six hundred and thirty-five thousand gallons per day.
- (2) The reconstruction of the aqueduct at Booth Town.
- (3) The necessary alterations to flumes and side drainage, and the rearrangement of occupation bridges, in connection with the improvement of the canal.
- (4) The fixing of a Venturi meter for the measurement of the water discharged by the canal.

In the name and on the behalf of His Majesty I assent to this Act.

*State Government House,
Sydney, 9th December, 1905.*

FREDK. M. DARLEY,
Lieutenant-Governor.

This PUBLIC BILL originated in the LEGISLATIVE ASSEMBLY, and, having this day passed, is now ready for presentation to the LEGISLATIVE COUNCIL for its concurrence.

*Legislative Assembly Chamber,
Sydney, 4 December, 1905.* }

RICHD. A. ARNOLD,
Clerk of the Legislative Assembly.

New South Wales.

ANNO QUINTO

EDWARDI VII REGIS.

Act No. , 1905.

An Act to sanction the completion of the raising and re-lining of the Lower Canal, and the construction of an Aqueduct at Booth Town, Sydney Water Supply ; and for other purposes.

WHEREAS in accordance with the provisions of the Public Works ^{Preamble.} Act, 1900, the Legislative Assembly did, by resolution, declare that it was expedient to carry out a certain work, namely, the completion of the raising and re-lining of the lower canal, and the construction of an aqueduct at Booth Town, Sydney Water Supply :
5 And whereas, on the passing of the said resolution, a statutory duty was, by the said Act, imposed on the Secretary for Public Works to introduce a Bill into the said Legislative Assembly to sanction the carrying out of the work : Be it therefore enacted by the King's Most Excellent Majesty,

Sydney Water Supply Conduit Additional Works.

Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the “Sydney Water Supply Conduit Additional Works Act, 1905,” and shall be construed with the Metropolitan Water and Sewerage Acts, 1880–1889, the Metropolitan Water and Sewerage Act of 1894, the Sydney Water Supply Conduit Additional Works Act, 1897, and the Sydney Water Supply (Cataract River Dam) Act, 1902. Short title, and incorporation.
2. The carrying out of the said work (more particularly described in the Schedule to this Act) is hereby sanctioned, and the Secretary for Public Works, or the member of the Executive Council for the time being performing the duties of the said Secretary, is hereby authorised to undertake and carry out the said work, subject to the provision of this Act, and for that purpose shall be and shall have the powers and duties of a constructing authority within the meaning of the Public Works Act, 1900. Works sanctioned.
3. The plan of the said work is the plan marked “A,” and signed by the Engineer-in-Chief for the Metropolitan Board of Water Supply and Sewerage, and deposited in the public office of the said secretary. Plan of work.
4. The cost of carrying out the said work, estimated at sixty-six thousand four hundred and fifty-five pounds, may be defrayed from such loan votes as are now or may hereafter be applicable to that purpose, and shall not under any circumstances exceed the estimated cost by more than ten per centum. Cost, how defrayed.
5. On the completion of the said work, the Governor shall forthwith notify the same in the Gazette. And upon that notification being made, the property in the said work shall, by virtue of this Act alone, be vested in the Board of Water Supply and Sewerage constituted under the Metropolitan Water and Sewerage Act of 1880 for and on behalf of His Majesty. Vesting of work in Board.

SCHEDULE.

The works consist of—

- (1) Raising and re-lining with Monier plates the lower canal from Prospect to Pipe Head, to increase the discharging capacity of the said canal to eighty-seven million six hundred and thirty-five thousand gallons per day.
- (2) The reconstruction of the aqueduct at Booth Town.
- (3) The necessary alterations to flumes and side drainage, and the rearrangement of occupation bridges, in connection with the improvement of the canal.
- (4) The fixing of a Venturi meter for the measurement of the water discharged by the canal.
