

This PRIVATE BILL originated in the LEGISLATIVE ASSEMBLY, and, having this day passed, is now ready for presentation to the LEGISLATIVE COUNCIL for its concurrence.

*Legislative Assembly Chamber,
Sydney, 26 March, 1912.* }

RICHD. A. ARNOLD,
Clerk of the Legislative Assembly.

New South Wales.

ANNO SECUNDO

GEORGII V REGIS.

An Act to authorise the construction, maintenance, and use of a railway siding across Wilson-street, Albury, and for other purposes.

WHEREAS Dalgety and Company, Limited, have applied to the Preamble. Chief Commissioner for Railways and Tramways to construct a railway siding from the main Southern Railway Line at Albury to the premises of Dalgety and Company, Limited, which the said Chief Commissioner has agreed to do: And whereas the Municipal Council of Albury has consented to the said siding being constructed across Wilson-street, and it is expedient to authorise the construction thereof: Be it therefore enacted by the King's Most Excellent Majesty, by and

Dalgety Siding.

with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same as follows:—

1. It shall be lawful for the Chief Commissioner for Railways Power to construct and use siding.
5 and Tramways to construct, maintain, and use a siding crossing Wilson-street, Albury, in a northerly direction parallel to the main Southern Railway Line and at a distance of about one hundred and forty-four feet west thereof, and to use thereon locomotive engines and other motive or tractive power and to draw or propel thereby carriages
10 and wagons upon the said siding.

2. The Chief Commissioner shall have all such rights of ingress Right of ingress, egress, &c.
and egress to, from, and over the surface of the said street as are required for the construction, maintenance, and repair of such siding and may from time to time open up the surface of the said street for
15 the purposes of such construction, maintenance, or repair.

3. The powers given by this Act shall be used so as to interfere Public rights saved.
as little as may be reasonably possible with traffic and public convenience, and all works commenced shall be expeditiously carried out, and adequate provision shall be made at all times for the public safety
20 during the construction, maintenance, use, and repair of the said siding.

4. Nothing in this Act contained shall prejudice or affect the Powers of council saved.
power of the Municipal Council of Albury with respect to the control, management, and maintenance of the said street or prevent the said
25 council from constructing, laying, maintaining, altering, or repairing sewers, pipes, or drains in or under the said street under the said siding.

5. This Act may be cited as the "Dalgety Siding Act, 1911." Short title.
