

I certify that this PUBLIC BILL, which originated in the LEGISLATIVE ASSEMBLY, has finally passed the LEGISLATIVE COUNCIL and the LEGISLATIVE ASSEMBLY of NEW SOUTH WALES.

W. S. MOWLE,
Clerk of the Legislative Assembly.

*Legislative Assembly Chamber,
Sydney, 26 September, 1916.*

New South Wales

ANNO SEPTIMO

GEORGI V REGIS.

Act No. 49, 1916.

An Act to sanction the carrying out of a scheme of water supply for the municipality of Bowral; and for purposes consequent thereon and incidental thereto. [Assented to, 4th October, 1916.]

WHEREAS in accordance with the provisions of ^{Preamble} the Public Works Act, 1912, the Legislative Assembly did, by resolution, declare that it was expedient to carry out a certain work, namely, the carrying out of a scheme of water supply for the municipality of Bowral: And whereas, on the passing of

I have examined this Bill, and find it to correspond in all respects with the Bill as finally passed by both Houses.

E. DURACK,
Acting Chairman of Committees of the Legislative Assembly.

Bowral Water Supply.

of the said resolution, a statutory duty was by the said Act imposed on the Minister to introduce a Bill into the said Assembly to sanction the carrying out of the said works: Be it therefore enacted by the King's Most Excellent Majesty, by and with the advice and consent of the Legislative Council and Legislative Assembly of New South Wales in Parliament assembled, and by the authority of the same, as follows:—

Short title. **1.** This Act may be cited as the "Bowral Water Supply Act, 1916."

Works sanctioned. **2.** The carrying out of the works (more particularly described in the Schedule to this Act) is hereby sanctioned, and the Minister for Public Works, or the member of the Executive Council for the time being performing the duties of the said Minister, is hereby authorised to undertake and carry out the said works, subject to the provisions of this Act, and for that purpose shall be and shall have the powers of a Constructing Authority within the meaning of the Public Works Act, 1912.

The plan. **3.** The plan of the said works is the plan marked "The Bowral Water Supply Works," signed by the Minister for Public Works and countersigned by the Chief Engineer for Water Supply and Sewerage, and deposited in the public office of the said Minister.

Cost, and how to be defrayed. **4.** The cost of carrying out the said works, estimated at twenty-two thousand four hundred pounds (exclusive of land resumptions), may be defrayed from such Loan Votes as are now or may hereafter be applicable to the purpose, or from appropriations of the Public Works Fund, or partly from such votes and partly from such appropriations, and shall not, under any circumstances, exceed the estimated cost by more than ten per centum.

SCHEDULE.

Bowral Water Supply.

SCHEDULE.

1. Dam across the Wingecarribee River at the Sheepwash, impounding about 36,000,000 gallons.
2. Gravitation main, $3\frac{1}{2}$ miles long.
3. Pumping machinery in duplicate and engine house.
4. Rising main 4 miles long.
5. Service reservoir, 250,000 gallons capacity.
6. Purification plant.
7. Reticulation.
8. Lines for transmission of electric current for power telephone or signalling purposes.
9. Works connected therewith.

In the name and on behalf of His Majesty I assent to this Act.

G. STRICKLAND,

Government House,

Governor.

Sydney, 4th October, 1916.

18th Nov 1811

My dear Mother

I received

Your kind letter of the 14th inst. and was glad to hear from you. I am well at present and hope these few lines will find you the same. I have not much news to write at present.

I have not yet received any news from the friends I have mentioned in my last letter.

I am, my dear Mother, ever your affectionate son,
John Smith

This PUBLIC BILL originated in the LEGISLATIVE ASSEMBLY, and, having this day passed, is now ready for presentation to the LEGISLATIVE COUNCIL for its concurrence.

W. S. MOWLE,
Clerk of the Legislative Assembly.
