## GEORGE EASTMAN

1860-1900

An edition of the papers of George Eastman, including his letters, reports, and other documents, published by the George Eastman Foundation, Inc., in 1900.

The papers of George Eastman are of great value to the history of photography and to the study of the life of one of our country's greatest inventors.

This edition is the first complete edition of his papers, and is a most valuable addition to the literature of the history of photography.

The papers are arranged in chronological order, and include a complete list of his inventions, a list of his patents, and a list of his correspondents.

The edition is published in two volumes, the first containing the letters and reports, and the second containing the other documents.

The edition is published by the George Eastman Foundation, Inc., in 1900, and is available in both hardcover and paperback editions.

The edition is a most valuable addition to the literature of the history of photography, and is a must for every collector of books on the subject.

Yours truly,  
George Eastman
