Answer—

- (1) The care and preservation of the Powerhouse collection is the highest priority of the Museum of Applied Arts and Sciences Trust, its leadership and staff. These obligations are outlined in the Museum of Applied Arts and Sciences Act 1945.

When there are any works planned on the building specialists conduct risks assessments which then inform the development of detailed plans for collection management, conservation, transport and storage of collection items. This planning is undertaken for capital works as well as maintenance works where there may be an impact in certain items. In order to protect the collection, it may be determined through the detailed conservation plans that items may be temporarily decanted to a suitable international standard collection storage facilities.

In the case of the proposed renewal of the Powerhouse Ultimo, the detailed plans will prioritise the care and protection of the large items, including the Catalina Flying Boat, the Boulton and Watt rotative steam engine and Locomotive No. 1. The detail planning has not been finalised.

When these conservation plans are finalised, I will make these documents publicly available.

- (a) As above

- * 1020 WATER—WATER FILTRATION PLANTS FOR CLARENCE VALLEY COUNCIL—The Hon. Sarah Mitchell to ask the Minister for Water, Minister for Housing, Minister for Homelessness, Minister for Mental Health, Minister for Youth, and Minister for the North Coast—

On 22 February 2023, the Minister committed to a partnership with the Federal Government for a priority investment into a water filtration plant for Clarence Valley Council. Can the Minister advise:

- (1) How much money has the Government set aside for a water filtration plant in the Clarence Valley?
- (2) When does the Government expect the work on the water filtration plan to commence?
- (3) What level of funding is the Federal Government expected to commit to the project?

Answer—

We are currently working through all election commitments and the best way to support regional communities which have been neglected under the previous Government.

As the Member knows, the previous Government has left us in a difficult financial position, and we are exploring all options to ensure our election commitments are delivered.

Our Government's priority is clear. We must ensure everyone has access to clean, safe water and this includes the community of the Clarence Valley.

I'd be more than happy to discuss this further with the Member.

- * 1021 POLICE AND COUNTER-TERRORISM—POLICE IN FORESTRY OPERATIONS—Ms Sue Higginson to ask the Minister for Agriculture, Minister for Regional New South Wales, and Minister for Western New South Wales representing the Minister for Police and Counter-terrorism, and Minister for the Hunter—
