Answer—

I am advised:

- (1) Homes NSW does not have data on all affordable housing across NSW.

Homes NSW data is based on information provided by community housing providers (CHPs) in relation to affordable housing properties constructed through funding or assistance under contract with Homes NSW. According to this data there are 6,280 affordable properties across 65 Local Government Areas.

(2)

- (a) Homes NSW is unable to answer as some properties are privately owned. Where not-for-profit CHPs receive direct government subsidies properties are likely to remain affordable in perpetuity.
- (b) 53 Community Housing Providers.
- (c) Units - **5,011**
- (d) Houses (includes Cottage, Villa Centre, and Duplex) - **376**
- (e) Townhouses - **893**
- (f) Studio Apartments (this is included in the figures for units)

To the Member's point on LGAs, that information is not readily available, however I'd be happy to look into it and provide him with an update.

\* 2320 GAMING AND RACING—TOPLESS WAITSTAFF—The Hon. Chris Rath to ask the Special Minister of State, Minister for Roads, Minister for the Arts, Minister for Music and the Night-time Economy, and Minister for Jobs and Tourism representing the Minister for Aboriginal Affairs and Treaty, Minister for Gaming and Racing, Minister for Veterans, Minister for Medical Research, and Minister for the Central Coast—

- (1) Is there regulation, legislation or other requirements for approvals for a hospitality venue with a liquor licence to utilise the services of topless waitstaff?
- (a) Could you please provide information regarding what a venue with a liquor licence must do in order to utilise the services of topless waitstaff?

- (b) Could you please provide information regarding what restrictions or rules apply to a venue which utilises the services of topless waitstaff?
- (i) If the answer references publicly available material, could you please provide the URL and page number where the relevant information is located?

Answer—

I am advised:

Under the Liquor Act 2007, there are no statutory prohibitions on a hospitality venue utilising topless waitstaff. For existing hospitality venues with a liquor licence that wish to use topless waitstaff, there are no specific requirements for approval under the liquor licence. However, there could be specific conditions applied to certain licences that may be relevant. Any conditions are applied on a case-by-case basis and will be determined by, among other things, the type of venue and the nature of its operations.

For topless waitressing in an adult entertainment venue with a liquor licence (e.g. in a strip club setting), a range of conditions will generally be imposed on these venues as part of an approval.

  - (b) Can local council implement control, policies or any other instrument to require Council approval before a hospitality venue, with or without a liquor licence, can utilise the services of topless waitstaff?
    - (i) If the answer references publicly available material, could you please provide the URL and page number where the relevant information is located?
  - (c) Could you please provide information regarding what restrictions or rules apply to a venue which utilises the services of topless waitstaff?
    - (i) If the answer references publicly available material, could you please provide the URL and page number where the relevant information is located?

Answer—

I am advised:

(1)(a)-(c) Hospitality venues generally require development consent in line with provisions of the applicable Local Environmental Plan. Planning approval is not required for an approved venue in relation to the attire worn by staff. This is not a matter that can be regulated by a planning instrument.
