BUSINESS PAPER
Wednesday 12 October 2005

ORDERS OF THE DAY (General Orders)—

- 1 Public Education in South Sydney; resumption of the adjourned debate, on the motion of Ms Keneally—

That this House acknowledges the Government's achievements in revitalising public education in South Sydney through:

- (1) The creation of Alexandria Park Community School, a facility educating students from kindergarten to year 12 across two campuses.
 - (2) The development of strong links between Alexandria Park and the local community.
 - (3) Increasing enrolments in public education in South Sydney by over 100 students since 2002.
- (from 22 September 2005).

NOTICES OF MOTIONS (General Notices)—

- 1 Mr HUMPHERSON to move—

That this House condemns the Government's mismanagement of the State's prison system as evidenced most recently by the cover-up during the election campaign of the death of an inmate who should previously have been released.

(Notice given 29 April 2003)

- 2 Mr O'FARRELL to move—

That this House refers to the Independent Commission Against Corruption for investigation the circumstances surrounding the authorship, payment and distribution of the Manly Times during the State election campaign, including the involvement of the Member for Manly.

(Notice given 29 May 2003)

- 3 Mr CANSDELL to move—

That this House:

- (1) Notes that the constitution recommended by the Department of Fair Trading for community organisations is divisive and allows dominant members of community organisations to exclude or expel other interested parties.
- (2) Notes that this constitution has caused three members of the Mid-Richmond Neighbourhood Centre at Evans Head to resign and the Chairman to stand down.
- (3) Notes that the Mid-Richmond Neighbourhood Centre now has closed meetings and excludes non-member groups from attending.
- (4) Calls on the Minister for Fair Trading to review this situation immediately.

(Notice given 29 May 2003)

- 4 Ms HODGKINSON to move—

That this House:

- (1) Notes that over 1200 people in the Kosciusko District have signed a petition calling for a judicial inquiry to investigate January's extensive bushfires in the Tumut, Brindabella and Snowy Mountain regions, particularly in relation to the causes of fires and the degree to which lack of hazard reduction measures by the National Parks and Wildlife Service contributed to the severity of the fires; and

- (2) Condemns the Government for its treatment of those people affected by the bushfires.

(Notice given 29 May 2003)

5 Mr GEORGE to move—

That this House:

- (1) Acknowledges the commencement on 14 June 2003 of Helicopter Awareness Week.
- (2) Recognises the contribution to the community by the Westpac Surf Lifesaver Rescue helicopter services based at Sydney and Wollongong, the Westpac Hunter Region service based at Newcastle and Tamworth and the Westpac Northern Region service based at Lismore.
- (3) Congratulates and thanks the staff and voluntary crew members who continually place their lives at risk to save lives.

(Notice given 17 June 2003)

6 Mr FRASER to move—

That this House:

- (1) Notes that the Resource and Conservation Assessment Council has identified an excess of 21,000 hectares of State Forest to be transferred to National Park estate.
- (2) Notes that prior to the March election, the Greens candidate for Monaro, Catherine Moore, called for these State Forests in the South East to be transferred into National Park as part of a preference deal with Labor.
- (3) Calls on the Premier to advise the House of what preference deals he agreed to with the Greens prior to the election.
- (4) Refers this matter to the Independent Commission Against Corruption for investigation.

(Notice given 18 June 2003)

7 Mrs SKINNER to move—

That this House condemns the Government for:

- (1) not announcing its plans to abolish 1,000 jobs from the public education system before the March 2003 election;
- (2) its hypocritical attack on the Coalition's policy to fund smaller class sizes by cutting bureaucratic waste; and
- (3) dishonesty in leading people to believe the transfer of 300 teachers out of head office would increase teacher numbers as these are only going to fill vacancies in the current establishment.

BUSINESS PAPER
Wednesday 12 October 2005

(Notice given 18 June 2003)

8 Mr ROBERTS to move—

That this House:

- (1) Commends and thanks the Australian Defence Force personnel and civilians who contributed to operations in Iraq and Afghanistan in Operation Slipper, Operation Bastille, and Operation Falconer.
- (2) Extends its thanks to personnel unable to attend the march in Sydney of June 18 2003, particularly the officers and crew of the HMAS Kanimbla and personnel of the SAS.
- (3) Pays tribute to the families of those servicemen and women and the important support structures and various organizations that assisted them during the period of separation.

(Notice given 18 June 2003)

9 Mr CONSTANCE to move—

That this House:

- (1) Notes the meeting of the Resource and Conservation Assessment Council on 18 June 2003 identified 24,000 hectares of State Forest in South East New South Wales to be transferred to National Park estate.
- (2) Notes that Greens candidate for Monaro, Catherine Moore, prior to the March election, nominated the forests which were identified for reservation as part of her conditions for a preference deal with Labor.
- (3) Calls on the Minister for Natural Resources to give an assurance to the timber industry in the South East that there will be no jobs lost and that timber contracts and supplies will be honoured.
- (4) Calls on the Minister to conduct a Rural Communities Impact Statement before any decision is made to transfer State Forest to National Park, as required under the Premier's Cabinet memorandum No 96-17 of 8 October 1996.

(Notice given 19 June 2003)

10 Mrs HOPWOOD to move—

That this House:

- (1) Notes that thousands of litres of partially treated sewerage poured into Berowra Creek as a result of overflows of the sewage treatment plants in Hornsby and Hornsby Heights during recent high rainfalls.
- (2) Notes that cracked pipes and unmaintained related infrastructure allowed rainwater to enter the system, straining the ability of the sewage treatment plants to adequately treat raw sewage.
- (3) Calls on the Government to increase funding for replacement of archaic infrastructure and improve maintenance so that sewage treatment plants can cope when it rains.

(Notice given 19 June 2003)

11 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes widespread community use of the West Chatswood Rotary Athletics Field, including up to 1000 athletes competing in Northern Suburbs Little Athletics, UTS Northern Suburbs Athletics Competitions, local school carnivals and many other community sporting events.
- (2) Condemns the Roads and Traffic Authority (RTA) proposal to use the car park of the athletics field as a compound while it builds the Lane Cove tunnel, thereby threatening use of the field.
- (3) Calls on the Government to immediately direct the RTA to find an alternative site for the compound.

(Notice given 19 June 2003)

12 Ms SEATON to move—

That this House:

- (1) Notes:
 - (a) The outstanding achievements of Southern Highlands Public schools in all fields of endeavour.
 - (b) The overcrowding in Bowral and Picton High Schools and the need for an additional public high school in the Southern Highlands.
 - (c) The failure of the Government to provide adequate protection for schools such as Bargo Public School which was recently subject to vandalism.
 - (d) The failure of the Government to provide for major upgrades and new facilities at many schools including Moss Vale High School.
- (2) Calls on the Government to commit to resourcing all Southern Highlands school needs in the 2003/04 budget.

(Notice given 19 June 2003)

13 Mr MAGUIRE to move—

That this House:

- (1) Acknowledges the report “The Rock – Boree Creek Engineering Assessment for 23TN Axle Loads”, which gives the actual state of the branch line.
- (2) Notes the deterioration of The Rock to Boree Creek branch rail line.
- (3) Calls on the Government to urgently fund this important piece of infrastructure.

(Notice given 19 June 2003)

14 Mr R. W. TURNER to move—

That this House:

BUSINESS PAPER
Wednesday 12 October 2005

- (1) Notes that the single desk arrangement for wheat export sales provides security and certainty for growers and maximises returns to them.
- (2) Notes that the single desk for wheat exports is the result of extensive negotiations between industry and government.
- (3) Supports the Federal Agriculture Minister's continued strong backing of the single desk.
- (4) Rejects any attempt to deregulate the single desk arrangement for wheat export sales.

(Notice given 19 June 2003)

15 Mrs SKINNER to move—

That this House:

- (1) Calls on the Minister for Education to provide information as to when funding will be provided to upgrade the Rooty Hill High School library.
- (2) Notes that the school and Parents and Citizens have been writing to the Minister for Education about this matter since 2001.
- (3) Calls on the Government to publish a list of outstanding capital works at all schools and a timeline for their completion.

(Notice given 19 June 2003)

16 Ms HODGKINSON to move—

That this House:

- (1) Notes that without significant rainfall, Yass will run out of water by December 2003.
- (2) Calls on the Government to expedite a solution to the Yass water supply problem.

(Notice given 19 June 2003)

17 Mrs HOPWOOD to move—

That this House:

- (1) Notes that there are numerous young people in nursing homes with brain injuries and other health problems (such as multiple sclerosis) necessitating 24 hour nursing care.
- (2) Notes that these people would do better in facilities designed to meet their specific needs thereby releasing nursing home beds.
- (3) Calls on the Government to recognize the need for places to care for younger people with debilitating illnesses who do not fit into the category of nursing home residents.

(Notice given 19 June 2003)

18 Mr BARR to move—

That this House:

- (1) Notes that ongoing problems with the facilities at North Balgowlah Public School have reached a crisis point with the school's power supply unable to cope with the winter conditions.
- (2) Notes that staff and students are currently being forced to work without lighting, the library has been closed, and computer classes have been abandoned.
- (3) Calls on the Government to take urgent action so that staff and students do not have to work in these nineteenth century conditions.

(Notice given 24 June 2003)

19 Mr BROGDEN to move—

That this House condemns the Premier for misleading the Parliament on Wednesday 25 June 2003 when he claimed that the Budget contained no additional revenue windfalls above those in the Half-Year Review, when the Budget in fact shows total revenues will be over \$2.5 billion higher than the Government forecast in the December 2002 Half-Year Review.

(Notice given 26 June 2003)

20 Mr ARMSTRONG to move—

That this House:

- (1) Recognises and congratulates the Singapore Government on the release of \$173 million to revive its tourism industry.
- (2) Congratulates the Victorian Government on granting tourism in that State a total of \$40 million over the next four years.
- (3) Further congratulates the Federal Government on its allocation of \$10 million to assist the Australian Tourist Commission's international marketing campaign.
- (4) Recognises the New South Wales Government's \$4 million cut to tourism in the 2003-04 Budget.
- (5) Acknowledges the parlous position of many hotels and resorts, charter vessel businesses and tour operators in general in New South Wales.
- (6) Calls on the New South Wales Government to reverse its \$4 million Budget contraction and restore that funding plus an additional \$4 million as a matter of sensible business support for tourism in this State.

(Notice given 26 June 2003)

21 Mr O'FARRELL to move—

That this House:

- (1) Notes the imminent cessation of all cycle racing on open roads across New South Wales following the release of new road closure guidelines by Police.
- (2) Notes concerns of the cycling community, including Cycling New South Wales, about this development.
- (3) Calls upon the Ministers for Police, Sport, Racing and Local Government to immediately convene a summit to resolve the issues preventing a continuation of cycle road racing in the State.

(Notice given 26 June 2003)

22 Mr HUMPHERSON to move—

That this House, in support of the meeting of residents of St Ives and other areas of Ku-ring-gai on 21 June 2003:

- (1) Condemns the Government for continuing to inflict its SEPP5 and SEPP53 policies upon the community of St Ives and Ku-ring-gai.
- (2) Objects to developers destroying St Ives and Ku-ring-gai streetscapes and natural environment and depriving the community of appropriate amenity and adequate infrastructure.
- (3) Calls on the Premier and the Minister for Planning and Infrastructure to immediately revoke the Government's SEPP5 and SEPP53 policies and return planning powers to the democratically elected Council.

(Notice given 26 June 2003)

23 Mr CONSTANCE to move—

That this House:

- (1) Notes and congratulates the Bega Chamber of Commerce for being announced as the State Chamber of Commerce, Chamber of the Year.
- (2) Notes the excellent contribution that the Bega Chamber of Commerce makes to the local community throughout the Bega Valley.

(Notice given 26 June 2003)

24 Ms BEREJIKLIAN to move—

That this House condemns the Government for its continued failure to adequately monitor air quality at the Northside Storage Tunnel exhaust vent at Scott's Creek, especially given the vent's close proximity to a school and local residents.

(Notice given 26 June 2003)

25 Mrs HOPWOOD to move—

That this House:

- (1) Notes that there are 9,461 young people between the ages of 15 and 24 in the electorate of Hornsby;
- (2) Notes that some young people in this age group will be susceptible now the season for meningococcal disease is approaching; and
- (3) Condemns the Government for its extremely slow uptake of the Federal Government initiative to vaccinate all eligible children in New South Wales schools.

(Notice given 26 June 2003)

26 Mr STONER to move—

That this House:

- (1) Notes the recent Distance Education Staffing Audit report.
- (2) Notes that the Camden Haven High School, with 780 regular students, has not been permitted to include the 309 additional Distance Education Students for the purposes of its supervisory staffing.
- (3) Calls on the Minister for Education to resolve this staffing inequity before any industrial action results.

(Notice given 1 July 2003)

27 Mr CONSTANCE to move—

That this House:

- (1) Condemns the Government's planned closure of its Confused and Disturbed Elderly Unit in Queanbeyan, which is nothing more than cost shifting to the Federal Government.
- (2) Notes that this decision has greatly affected elderly patients and their families from South East New South Wales, including the electorate of Bega, as people will be moved from these units to local nursing homes.
- (3) Calls on the Minister for Health to reverse this decision.

(Notice given 1 July 2003)

28 Mr STONER to move—

That this House:

- (1) Notes the reforms of commercial fishing in estuaries introduced by the former Minister for Fisheries.
- (2) Notes the anger of both recreational and commercial fishers on the Mid North Coast, including on the Macleay and Camden Haven Rivers, about displaced non-local commercial fishers operating on the few remaining open estuaries.
- (3) Calls on the Government to overhaul this failed policy to ensure sustainable fishing throughout the State.

(Notice given 3 July 2003)

29 Mr MAGUIRE to move—

That this House:

- (1) Calls on:
 - (a) the Government to explain why patient psychotherapy services at Wagga Wagga Base Hospital have ceased;
 - (b) the Minister for Health to explain why psychotherapists have been reduced from 8 four months ago to 3.5; and

- (2) Condemns the Government for denying children with disabilities from disadvantaged families access to psychotherapy services.

(Notice given 3 July 2003)

30 Ms SEATON to move—

That this House:

(1) Notes:

- (a) the crisis in affordable housing in New South Wales under the current Government;
- (b) that house and land packages have risen from \$250,000 to \$400,000 in the last three years, causing a building company to withdraw from the market;
- (c) the Government's windfall stamp duty gains of \$830 million last year alone;
- (d) the lack of affordable housing strategies by the Government; and

(Notice given 3 July 2003)

31 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes widespread community concern about lack of disability or elderly access at Chatswood railway station.
- (2) Notes the answer given by the Minister for Infrastructure on 1 July 2003 in which he stated that the press release issued by the Minister for Transport Services on this matter should be referred to.
- (3) Demands that the Government outline its interim plans for disability and elderly access at Chatswood railway station given that no such press release exists.

(Notice given 3 July 2003)

32 Mrs HOPWOOD to move—

That this House:

- (1) Notes that the Minister for Utilities has acknowledged the timeframe for commencement of sewerage connection to the Brooklyn and Dangar Island residents as the beginning of 2005.
- (2) Notes that Cowan will be left behind as a metropolitan community without sewerage connection until at least 2008.
- (3) Urges the Minister to enable connection of Cowan to an appropriate sewerage system in a parallel time-frame with Brooklyn and Dangar Island.

(Notice given 3 July 2003)

33 Mr STONER to move—

That this House notes that members of the Kempsey Branch of the Labor Party are calling for a review of the term “Country Labor” in New South Wales because they are being mistaken for National Party representatives or just another faction of the Australian Labor Party.

(Notice given 3 July 2003)

34 Mr HAZZARD to move—

 - (a) free registration of single motor vehicle
 - (b) yearly rebate of \$112 on electricity bills
 - (c) discounts of up to \$250 a year or 50% of council rates (whichever is the lesser)
 - (d) rebates on water and sewage up to \$320 a year for urban areas or up to \$87.50 or 50% on regional water and sewage rates.

(Notice given 3 September 2003)

45 Mr GEORGE to move—

That this House:

- (1) Acknowledges National Meals on Wheels Day;
- (2) Recognizes the contribution to the community of this not-for-profit organization; and
- (3) Congratulates and thanks the 35,000 volunteers in New South Wales who give their time to provide this crucial service to 20,000 aged people, people with disabilities and their carers every day.

(Notice given 3 September 2003)

46 Mr HUMPHERSON to move—

That this House:

BUSINESS PAPER
Wednesday 12 October 2005

- (1) Calls on the Premier to detail why the Government failed for 7 days to apply all available aerial firefighting resources to controlling the McIntyre's Hut bushfire in January 2003 which eventually entered urban Canberra causing the deaths of 4 people and destroying 506 homes; and
- (2) Calls on the Premier to co-operate with the Prime Minister's Council of Australian Governments bushfire inquiry and the Federal Parliamentary bushfire inquiry.

(Notice given 4 September 2003)

47 Mr O'FARRELL to move—

That this House:

- (1) Notes:
 - (a) statements made by the Member for Smithfield to this House on 1 May 2003 concerning his receipt of a briefing note on the Menangle Bridge safety situation;
 - (b) evidence given by the Member for Smithfield to the ICAC on 22 May 2003 concerning the same matter.
- (2) Calls upon the Member for Smithfield to explain to the House the discrepancy between both statements.

(Notice given 4 September 2003)

48 Mr STONER to move—

That this House:

- (1) Deplores the closure of the Primary Industry and Natural Resources Division of TAFE at Orange.
- (2) Notes the 77 new courses that the Division has designed for regional businesses and training schemes.
- (3) Recognises the value of locating the Division in a regional center in close proximity to its clients.
- (4) Calls on the Government to immediately re-establish the Primary Industry and Natural Resources Division in Orange.

(Notice given 4 September 2003)

49 Ms HODGKINSON to move—

That this House:

- (1) Supports the call by Snowy Hydro Limited for the National Parks Service to fast track a six-year trial of cloud seeding beginning next winter in the Kosciuszko National Park.
- (2) Notes the program would produce more snow, not rain, enhancing the Alpine environment and increasing spring water run-off for improved downstream flows with a potential to generate more than 100 gigalitres into the Murray each year of the trial.
- (3) Notes that such a trial has the “in principle” support of Kosciuszko Thredbo Pty Limited and Perisher Blue Pty Limited, and will directly benefit many small businesses.

- (4) Notes that cloud seeding has been undertaken over the past fifty years in the USA, without any significant adverse environmental impact, and Tasmania has been cloud seeding over the past forty years.

(Notice given 4 September 2003)

50 Mr ARMSTRONG to move—

That this House:

- (1) Recognises Waltzing Matilda as Australia's most famous, best known and most enjoyed national song.
- (2) Calls on the people of New South Wales to sing this song in particular at the forthcoming Rugby World Cup matches.

(Notice given 4 September 2003)

51 Mr CONSTANCE to move—

That this House:

- (1) Notes the deteriorating state of the 110 year old, two lane, timber Pambula Bridge on the Princes Highway and its inability to maintain traffic flows on the highway during flooding.
- (2) Notes the statements of the Federal Shadow Minister for Urban and Regional Development that the Pambula Bridge is "a New South Wales Government responsibility, not a Commonwealth responsibility".
- (3) Calls on the Member for Monaro and the Minister for Roads to assume responsibility when it is obvious to all that the Pambula Bridge should be fully funded by the State Government.

(Notice given 4 September 2003)

52 Mr RICHARDSON to move—

That this House:

- (1) Notes:
- (a) That under the Electricity Supply Amendment (Greenhouse Gas Emission Reduction) Act 2002 the New South Wales electricity industry is required to cut greenhouse gas emissions by 16 per cent by the year 2007;
- (b) That the Government is considering approving a new 1000MW coal-fired power station near Mudgee;
- (c) That a power station of this size and type would emit carbon dioxide equivalent to one million cars;
- (d) That a power shortage is looming in New South Wales; and
- (2) Calls on the Premier to explain how the Government will achieve cuts in greenhouse gas emissions in the electricity industry without causing widespread blackouts or raising electricity prices.

BUSINESS PAPER
Wednesday 12 October 2005

(Notice given 4 September 2003)

53 Mr PICCOLI to move—

That this House:

- (1) Condemns the Premier and the Minister for Agriculture for cutting all full time and part time residential courses offered at Murrumbidgee College of Agriculture at Yanco.
- (2) Notes this will disadvantage students in western New South Wales particularly in the electorate of Murray Darling who rely on residential courses offered by the Murrumbidgee College of Agriculture.
- (3) Notes that in the last five months TAFE has increased fees for the most disadvantaged students in New South Wales, there has been a net reduction of 700 jobs in the Department of Education and one of the most prestigious agricultural educational facilities in country New South Wales has closed.

(Notice given 4 September 2003)

54 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes that the Auditor General's report on the Northside Storage Tunnel has disclosed that the Government's mis-management of the project has resulted in a \$200 million cost blow-out.
- (2) Notes that Sydney Water has failed to undertake a comprehensive post-implementation review of the project.
- (3) Calls on the Government to undertake air quality monitoring around the Scott's Creek vent given the Government's continued assertions, that Willoughby residents have nothing to worry about, have been based on a process shown in the Auditor-General's report to have been flawed from the outset.

(Notice given 4 September 2003)

55 Mr FRASER to move—

That this House:

- (1) Notes the Premier's denial to the House that any local government elections would be delayed due to the Government's structural reform process.
- (2) Notes the Minister for Local Government's statement on 4 September 2003 that, due to this reform process, some councils would have their elections delayed.
- (3) Calls on the Premier to clarify this issue.

(Notice given 4 September 2003)

56 Mr STONER to move—

That this House supports the endeavours of the New South Wales Farmer's Association and its members in seeking fair compensation for farmers who suffered substantial losses as a result of mis-management of fire hazards in Goobang National Park.

(Notice given 4 September 2003)

57 Mrs HANCOCK to move—

That this House calls on the Government to:

- (1) Support calls from the Shoalhaven Branch of the Independent Retirees by extending a range of benefits to them currently available to pensioners; and
- (2) Immediately accept the Federal Government's longstanding offer to jointly fund with the State the following benefits:
 - (a) free registration of single motor vehicle
 - (b) yearly rebate of \$112 on electricity bills
 - (c) discounts of up to \$250 a year or 50% of council rates
 - (d) rebates on water and sewage up to \$320 a year for urban areas or up to \$87.50 or 50% on regional water and sewage rates.

(Notice given 4 September 2003)

58 Mr PRINGLE to move—

That this House calls on the Government to extend the subsidy that is offered to the Blue Mountains LGA through Social Program Policy grants from the New South Wales Treasury (administered through Sydney Water) for sullage removal to the Local Government Areas of Baulkham Hills, Hawkesbury and Hornsby.

(Notice given 4 September 2003)

59 Mr TORBAY to move—

That this House:

- (1) Notes that CityRail costs have soared from \$498 million in 1989 to \$1347 million in 2003, and at the same time, country rail costs have fallen from \$206.6 million to \$149 million.
- (2) Notes that passenger contributions through fares are currently 31% for CityRail and 32% for country rail.
- (3) Endorses the comments by the former Minister for Transport, Brian Langton, who said in reference to the restoration of Armidale's rail service, "these services should never have been taken away in the first place".
- (4) Calls upon the Government to honour its pre-election commitment of no reduction in country rail services.

(Notice given 16 September 2003)

60 Mr LYNCH to move—

That this House recognises the contribution of Chilean migrants to this State and acknowledges that 2003 is the thirtieth anniversary of the military coup in Chile.

(Notice given 16 September 2003)

61 Ms KENEALLY to move—

That this House acknowledges the Government's attention to the needs of students with serious behavioural problems who are having difficulty maintaining school attendance by:

- (1) Establishing the new Green Square School in the electorate of Heffron, and
- (2) Making use of the former Waterloo Public School site for the new school.

(Notice given 16 September 2003)

62 Mr ASHTON to move—

That this House:

- (1) Recognises the \$800,000 provided by the Minister for Community Services and her Department for the building of a new child care centre in the electorate of East Hills.
- (2) Congratulates Bankstown City Council and councillors for providing the land for the new child care centre near Playford Park, Padstow.
- (3) Congratulates the Kindergarten Union Children's Service and the Department of Community Services for their dedication to working as a partnership to staff the new centre.

(Notice given 16 September 2003)

63 Mr BARR to move—

That this House:

- (1) Notes the importance of the Jet Cat service for the commuters of Manly.
- (2) Recognises the importance of public transport in reducing motor vehicle use and the consequent environmental and infrastructure benefits which flow from this.
- (3) Rejects recommendations in the Independent Pricing and Regulatory Tribunal report to discontinue the Jet Cat services.
- (4) Calls on the Government to maintain a fast ferry service to Manly.

(Notice given 16 September 2003)

64 Mr GAUDRY to move—

That this House:

- (1) Celebrates the start of construction of the eastern grandstand at Energy Australia Stadium in Newcastle.
- (2) Thanks and congratulates the State Government for its grant of \$22 million to enable this first-class development for the people of the Hunter.
- (3) Calls on the Federal Government to honour its promise with a matching grant of \$22 million to enable completion of the facility.

(Notice given 16 September 2003)

65 Mr O'FARRELL to move—

That this House requests the Member for Wentworthville to present to the House by 11.00 am on 18 September 2003 all documents, including contracts, letters of engagement, instruction invoices, payment advices, receipts, correspondence, records of meetings, and all other papers concerning:

- (1) Income received by her from Environmental Resources Management.
- (2) Details of specific services performed by Environmental Resources Management for any agency of the New South Wales Government.
- (3) A full list of meetings held with Government Ministers since she became a director of Environmental Resources Management and for the six months prior, notes of those meetings, and a list of attendees of those meetings.
- (4) A full list of any projects Environmental Resources Management has had any involvement in where the Deputy Premier, as the former Minister for Planning, was the consent authority.

(Notice given 17 September 2003)

66 Mr R. W. TURNER to move—

That this House:

- (1) Notes Orange Base Hospital has received a grant to obtain a BiPap machine, a mask offering non-invasive ventilation.
- (2) Notes the company that manufactures the machine will not supply it until the Mid Western Area Health Service pays a \$20,000 debt owed to that company.
- (3) Calls on the Government to immediately remedy this situation so residents in the Central West can access the new equipment.

(Notice given 18 September 2003)

67 Mr TORBAY to move—

That this House:

- (1) Notes the comments made by the Minister for Transport Services, at a meeting in Tamworth on Thursday 11 September 2003, were identical to statements made by the former Deputy Premier, Minister for State Development and Minister of Public Works, the Hon Wal Murray on 1 March 1990.
- (2) Notes that the proposed cuts to the Tamworth to Armidale rail link have been pursued by the State Rail Authority for more than 14 years.
- (3) Calls upon the Government to honour its pre-election commitment of no reduction in country rail services.

(Notice given 18 September 2003)

68 Mr WHAN to move—

That this House:

- (1) Notes the start of the planning process for the new Queanbeyan hospital and the commencement of construction of the Queanbeyan ambulance station.
- (2) Welcomes the Government's commitment to the people of Queanbeyan and the region through better health facilities.
- (3) Welcomes the positive results that are being gained by Monaro communities through Country Labor representation in the Government and rejects the negative political point scoring approach utilized by Liberal and National representatives.

(Notice given 18 September 2003)

69 Mr ARMSTRONG to move—

That this House:

- (1) Notes the importance of tourism to the Bourke region, particularly during events such as the current drought.
- (2) Notes the significance of the outback to our heritage and culture.
- (3) Calls on the Minister and the Premier to take a proactive role in ensuring the important "Back O Bourke" Tourism project is completed as soon as possible.

(Notice given 18 September 2003)

70 Mr STONER to move—

That this House:

- (1) Congratulates Meals on Wheels organisations around New South Wales, which perform an extremely important community service to those in need.
- (2) Notes that Government funding of Meals on Wheels groups has not kept pace with costs of providing the service, including insurance premiums and wage rises.
- (3) Calls upon the Government to better support Meals on Wheels groups and recognise the increased costs they now face.

(Notice given 18 September 2003)

71 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes the Premier's comments at the Chatswood Chamber of Commerce lunch on 16 September 2003 that the construction of the three additional towers above the railway line at Chatswood would commence mid-2004.
- (2) Condemns the Government for failing to adequately consult the community on the so-called Chatswood Masterplan and for its continued refusal to give any answers as to when there will be access for the disabled, the elderly and those with prams at Chatswood Railway Station.

(Notice given 18 September 2003)

72 Mr GEORGE to move—

That this House:

- (1) Acknowledges the continuing and sustained cost impact of high cost fodder products affecting the dairy industry.
- (2) Acknowledges that the dairy industry, like other intensive industries is fundamentally excluded by Government policy from financial assistance to those suffering due to the drought.
- (3) Calls on the Government to offer real and effective drought assistance to the dairy industry for the duration of the drought and the 12 months following its cessation.

(Notice given 18 September 2003)

73 Mr O'FARRELL to move—

That this House:

- (1) Notes the statement by the Member for Wentworthville to the House on 17 September 2003 and her claim she had declared her interest as a Director of ERM to the former Select Committee on Salinity on 11 April 2002.
- (2) Notes that the 11 April 2002 minutes of the Select Committee, published in its Report on Local Council Management of Salinity, record no such declaration by Ms Allan.
- (3) Calls upon the member to apologise for misleading the House.

(Notice given 18 September 2003)

74 Mr MAGUIRE to move—

That this House:

- (1) Notes the Auditor General's Performance Audit, "Waiting times for elective surgery in Public Hospitals".
- (2) Notes with concern that elective surgery requiring overnight stays and rehabilitation will cease for four months at Wagga Wagga Base Hospital.
- (3) Calls on the Government to take immediate action and rectify this situation.

(Notice given 18 September 2003)

75 Ms SEATON to move—

That this House:

- (1) Notes:
 - (a) the impact on business, tourism and residents of the closure of Lawrence Hargrave Drive, and the potential for further job and business losses over the next 2.5 years; and

- (b) the repair time table is a cost saving exercise for the Government.

(2) Calls on the Minister for the Illawarra to:

- (a) reveal the full budget details, timetable and work plan for the proposed upgrade;
- (b) explore 7 day a week road construction, and continuing use of the road before construction starts; and
- (c) immediately take management responsibility for integrating tourism, emergency services, health, education, road and rail aspects of this major Illawarra issue.

(Notice given 18 September 2003)

76 Mr PAGE to move—

That this House:

- (1) Notes that the latest offer by the Government to councils, including Bellingen Shire Council, for the replacement of timber bridges on regional roads does not include any money for work relating to:
 - (a) Improving the flood immunity of the bridge;
 - (b) Attaching a pedestrian or cycling facility, or
 - (c) The repositioning of the bridge to enable better road alignment.
- (2) Notes that these costs have to be met 100% by councils, effectively creating the situation that the councils will bear around 70% of the total cost of a bridge replacement.
- (3) Notes that needed upgrades of regional timber bridges are less likely to occur, in turn having a negative impact on regional road safety.
- (4) Calls on the Government to extend their 50% subsidy to include all costs associated with the replacement of timber bridges on regional roads.

(Notice given 18 September 2003)

77 Ms HODGKINSON to move—

That this House:

- (1) Notes that many residential and commercial strata buildings are now 40 years old, requiring increasing maintenance, which in many cases had been deferred, while previous owners have benefited from increases in the value of their property.
- (2) Notes that there is no simple mechanism for owners of a deteriorating strata building to renew their property with a view to occupying a unit in the new development.
- (3) Calls on the Minister for Fair Trading to investigate the introduction of compulsory property maintenance plans for all strata buildings and to investigate the introduction of a renewal plan process to facilitate an owners' corporation initiating and managing a redevelopment.

(Notice given 18 September 2003)

78 Mr O'FARRELL to move—

That this House:

- (1) Congratulates the North Shore Bombers for reaching the grand final in all three grades, Firsts, Reserves and Under 18s, of the Sydney AFL Competition.
- (2) Congratulates the North Shore's Paul Rowles for winning the Sanders Medals in reserve grade, the best and fairest award.
- (3) Congratulates North Shore for receiving the NSW/ACT AFL's McConnell Club Championship Award.
- (4) Backs all three Bombers teams for a win in their matches on Sunday 21 September 2003 at Macquarie Fields.

(Notice given 18 September 2003)

79 Ms BEREJIKLIAN to move—

That this House congratulates Chatswood Public School on the occasion of its 120th anniversary.

(Notice given 18 September 2003)

80 Mr FRASER to move—

That this House:

- (1) Notes the importance of planned radiotherapy units at Coffs Harbour and Port Macquarie.
- (2) Notes the promise of the previous Minister for Health in the media on 21 November 2002, that both projects would definitely go ahead and the capital works would be fully funded by the Government.
- (3) Calls on the Minister for Health to confirm the Government's promise to build and fund these vital facilities.

(Notice given 18 September 2003)

81 Mr TORBAY to move—

That this House:

- (1) Notes that the State Rail Authority submission to the Independent Pricing and Review Tribunal has been uncritically accepted and used almost word for word in the draft report.
- (2) Notes this is consistent with the State Rail Authority's long term agenda to cut country rail services, such as the Armidale to Tamworth link.
- (3) Calls on the Government to honour its pre-election commitment of no reduction in country rail services.

(Notice given 18 September 2003)

BUSINESS PAPER
Wednesday 12 October 2005

82 Mr ARMSTRONG to move—

That this House:

- (1) Congratulates the President, Mr Peter Crittle and Mr John O’Neil, CEO of the Australian Rugby Union, their committees and staff on the highly successful planning and launch of the 2003 World Cup Rugby tournament in Australia.
- (2) Congratulates the International Rugby Board on choosing Australia for this event.
- (3) Recognises that an estimated 4 billion television viewers will watch the tournament throughout the world.
- (4) Calls on the New South Wales Government to urgently launch an international and national program to bring tourism to New South Wales as a result of the World Cup finals in Sydney.

(Notice given 14 October 2003)

83 Mr ASHTON to move—

That this House:

- (1) Recognises that mental health issues affect one in every five Australians.
- (2) Recognises that in the next two decades mental health issues will be the second biggest health problem in the world following heart disease.
- (3) Congratulates the Government’s decision to review the Mental Health Act.
- (4) Congratulates the Government on funding an increase of over 77 million dollars over the next five years for Mental Health services in New South Wales.

(Notice given 14 October 2003)

84 Ms KENEALLY to move—

That this House acknowledges the Government’s achievements through the Redfern Waterloo Partnership Project in improving community safety in Waterloo and Redfern, including:

- (a) a significant drop in crime in the last 12 months;
- (b) increased police numbers and police visibility;
- (c) a community safety plan, and
- (d) intensive, creative and effective youth intervention programs.

(Notice given 14 October 2003)

85 Mr SOURIS to move—

That this House:

- (1) Notes the existence in New South Wales of a “needs test” with respect to liquor store licence applications.

- (2) Notes that the needs test prevents a wholesale deregulation of the liquor store industry whereby liquor could be sold at petrol service stations and corner stores.
- (3) Notes that the existing liquor store licencees would lose their investment should the Government proceed with the abolition of the needs test.
- (4) Notes the Government continues to procrastinate its response to a National Competition Council assessment in 2001.
- (5) Calls on the Government to guarantee it will retain the needs test and not deregulate the liquor industry.

(Notice given 14 October 2003)

86 Mr WHAN to move—

That this House:

- (1) Notes that on 18 September 2003 the Member for Coffs Harbour stated to the House that the Queanbeyan City Council is “an inefficient and ineffective council that, 12 months ago, tried to sell off its local parks and gardens to balance its budgets” and that “council overspends and cannot manage its own affairs”.
- (2) Notes that the Queanbeyan City Council achieved an operating surplus in 2001/02 of \$21m and \$10m in 2002/03, and has cash investments of over \$40m and property investments of over \$10m.
- (3) Notes the Queanbeyan Mayor’s comment that the Member for Coffs Harbour observes lamentable standards and is a disgrace to his constituents.
- (4) Calls on the Leader of the National Party to dismiss the Member for Coffs Harbour from his shadow portfolio for persistently making inaccurate and insulting comments about New South Wales regional cities.

(Notice given 14 October 2003)

87 Mr TORBAY to move—

That this House:

- (1) Notes the motion passed by the recent New South Wales State Labor Party Conference which states “the Conference calls for the continued operation of CountryLink Rail Passenger Services in all sectors of the New South Wales network where they currently operate”.
- (2) Calls on the New South Wales Government to support the motion passed by the recent State Labor Party Conference.

(Notice given 14 October 2003)

88 Mr HUMPHERSON to move—

That this House:

- (1) Welcomes the leasing of two bushfire fighting helicopters for the summer bushfire season.
- (2) Notes the Coroner’s finding that inadequate hazard reduction placed firefighters at risk and hindered a quick and effective response.

(Notice given 15 October 2003)

89 Mr TORBAY to move—

That this House:

- (1) Calls on the Leader of the Opposition to guarantee that all current CountryLink rail services would be regained and retained under a Coalition Government.
- (2) Notes the statement by the Shadow Minister for Transport, the Hon Michael Gallacher in the Armidale Express (Wednesday, 8 October 2003) “I can’t promise something three and a half years away”.

(Notice given 15 October 2003)

90 Mr STONER to move—

That this House:

- (1) Welcomes the recently opened mental health ward at Kempsey District Hospital.
- (2) Notes that the new ward is restricted to voluntary admissions only and does not accept admissions after hours.
- (3) Notes the impact of these restrictions upon the hospital’s emergency department.
- (4) Calls on the Government to properly fund mental health services on the Mid North Coast.

(Notice given 16 October 2003)

91 Ms SEATON to move—

That this House notes the failure of the Government to implement a reliable, private certification system for home building approvals.

(Notice given 16 October 2003)

92 Ms HODGKINSON to move—

That this House recognizes the vital role played by women in rural New South Wales by marking the celebration of World Rural Women’s Day 2003.

(Notice given 16 October 2003)

93 Mrs HOPWOOD to move—

That this House:

- (1) Notes the outstanding achievement of staff, students and parents of Wideview Public School in Berowra, for the Berowra Breaks the Drought Project.
- (2) Congratulates the school for receiving the Director-General’s School Achievement Award for this project, as one of 36 schools across the State to receive this award.

(Notice given 16 October 2003)

94 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes the Auditor-General's report of October 2003 entitled "Judging Performance from Annual Reports: Review of eight Agencies' Annual Reports" where the Auditor-General states that agencies could improve the transparency and accountability of their annual reports.
- (2) Calls on the Government to adopt the Auditor-General's recommendations for increased transparency and accountability.

(Notice given 16 October 2003)

95 Mr TRIPODI to move—

That this House condemns the Federal Government's failure to protect the people of New South Wales from the illegal importation of guns into Australia.

(Notice given 16 October 2003)

96 Mr PRINGLE to move—

That this House calls on the Government to improve the provision of electricity supply to North Western Sydney to ensure a continuous and reliable energy service to residents and businesses.

(Notice given 16 October 2003)

97 Mr J.H. TURNER to move—

That this House:

- (1) Requests that funding presently provided by the Motor Accident Authority of New South Wales to the North Coast Head Injury Service be extended from 12 December 2003 when it is due to cease.
- (2) Recognises that the loss of the North Coast Head Injury Service will result in substantially reduced services to paediatric and adolescent services and important liaison and support services.

(Notice given 16 October 2003)

98 Mrs HOPWOOD to move—

That this House:

- (1) Recognises Mental Health Week and its relevance to highlighting the needs of the mentally ill.
- (2) Notes the work of the Schizophrenia Fellowship and other groups associated with mental illness.
- (3) Notes the importance of provision of adequate mental health services to every community.
- (4) Calls on the Government to immediately act on the recommendations of the Inquiry into Mental Health Services in New South Wales.

(Notice given 16 October 2003)

99 Mr STONER to move—

That this House:

- (1) Notes the urgent need for the construction of a new primary school at Lake Cathie to meet the needs of the area's growing population.
- (2) Notes the failure of the Government to acknowledge this need, despite strong arguments presented by the Future Schools Committee.
- (3) Calls on the Government to reverse its current position and match the commitment by the Liberal/Nationals Coalition to construct a school at Lake Cathie.

(Notice given 16 October 2003)

100 Mr TORBAY to move—

That this House:

- (1) Notes the submission by the Country Labor Parliamentary Group to the Ministerial Inquiry into Public, Passenger Transport (Party Inquiry).
- (2) Notes the summary of recommendations which includes "that the CountryLink Rail Passenger Service carrying 2 million passengers per year plays a valuable transport role".
- (3) Calls on the Government to protect country rail services, and in particular support the Armidale/Tamworth/Sydney connection.

(Notice given 16 October 2003)

101 Mr DRAPER to move—

That this House:

- (1) Notes the politicising of the West Tamworth Public School community by the Hon Catherine Cusack in media outlets throughout the electorate of Tamworth.
- (2) Notes the attack by the Liberal Party on its coalition partners The Nationals as evidenced in a leaked email from Catherine Cusack prior to the March 2003 election.

(Notice given 28 October 2003)

102 Mr TORBAY to move—

That this House:

- (1) Notes that the protest rally held in Armidale on Thursday 23 October 2003 was attended by more than 3000 people supporting the retention of the Armidale rail service.
- (2) Notes the tabling in this House of a petition with approximately 6000 signatures supporting the retention of the Armidale rail service.
- (3) Calls on the Government to honour its pre-election promise of no cuts to country rail services.

(Notice given 28 October 2003)

103 Mr TINK to move—

That this House:

- (1) Expresses serious concern about the handling of the case of R v Rowley by the Director of Public Prosecutions' Office.
- (2) Calls on the Attorney General to exercise his power to appeal the case.

(Notice given 29 October 2003)

104 Mr DRAPER to move—

That this House:

- (1) Notes the rejection by CountryLink of a rail booking by Walcha Playgroup for 40 parents, students and teachers to travel on the Armidale to Tamworth service due to a lack of capacity.
- (2) Calls on the Government to honour its pre-election promise not to reduce country rail services.

(Notice given 29 October 2003)

105 Mr BARR to move—

That this House:

- (1) Notes the success of the World Rugby Cup tournament in terms of spectator numbers at the different venues.
- (2) Notes that the last ferry to Manly is at 11.45 pm which means that train commuters from Telstra Stadium miss the connection.
- (3) Calls on the Government to extend the late night ferry service as it did for the Olympic Games, and to permanently continue these late night ferry services on Friday and Saturday nights.

(Notice given 29 October 2003)

106 Mr SLACK-SMITH to move—

That this House:

- (1) Acknowledges the economic contribution of the Brigalow Belt South Bio region in timber production, bee keeping, grazing, gas production and farming.
- (2) Acknowledges that the Resource and Conservation Assessment Council (RACAC) report was completed in November 2002, and that stakeholders have been waiting since that time for a decision about the region's future.
- (3) Condemns the Ministers for the Environment and Natural Resources for appointing yet another committee to stall the decision, and appointing the Right Hon Ian Sinclair as Chairman in an attempt to gain credibility within the region.
- (4) Urges the Ministers involved to adopt the Brigalow Region United Stakeholders option which was prepared and agreed to by the community.

(Notice given 30 October 2003)

107 Mr RICHARDSON to move—

That this House:

- (1) Notes that Dr Mike Clarke of Griffith University in Queensland has written to the Minister for Infrastructure, Planning and Natural Resources regarding his decision not to approve the Redbank 2 power station.
- (2) Notes Dr Clarke's claims that the Hunter Valley coal tailings that Redbank 2 would have burnt will continue to produce carbon dioxide and toxic byproducts during post-mining oxidation, which are prone to spontaneous combustion; and
- (3) Calls on the Minister for the Environment to conduct an urgent inquiry into greenhouse emissions and other environmental issues relating to coal tailings in the Hunter Valley.

(Notice given 30 October 2003)

108 Mr O'FARRELL to move—

That this House:

- (1) Welcomes the Federal Government's decision to fund eight aged care beds for Tingha;
- (2) Notes repeated promises by successive Labor Government Health Ministers that a Multi Purpose Service (MPS) would be built at Tingha if the Federal Government funded the aged care places;
- (3) Calls upon the Minister for Health to immediately start work on the Tingha MPS; and
- (4) Congratulates the Federal Government for constructively and co-operatively paving the way for the construction of the MPS.

(Notice given 30 October 2003)

109 Mr STONER to move—

That this House:

- (1) Notes the lack of scheduled mental health beds at Kempsey District Hospital.
- (2) Deplores the tying up of police officers and vehicles in transporting scheduled patients to Coffs Harbour, Taree or Newcastle.
- (3) Calls on the Government to properly fund mental health services on the Mid North Coast.

(Notice given 30 October 2003)

110 Mr ARMSTRONG to move—

That this House:

- (1) Recognises that there are 1780 licensed go-kart drivers in NSW, 5500 people involved directly in the sport and 25 track operators in the State;
- (2) Recognises that go-karting is the main 'nursery' for motor racing drivers in NSW; and

- (3) Recognises that many people in the industry have serious concerns about safety on some of these tracks; and
- (4) Calls on the Government to hold a comprehensive safety review of tracks and financially assist the industry to upgrade tracks where necessary in order to potentially save lives.

(Notice given 30 October 2003)

111 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes:
 - (a) The question on notice from the Member for Willoughby to the Minister for Planning and Infrastructure of 1 July 2003 regarding the Government's plans in relation to access at Chatswood Railway Station;
 - (b) The Member's letter of 5 August 2003 to the Minister for Transport requesting a briefing on the Chatswood Masterplan; and
 - (c) The Member for Willoughby's questions on notice to the Premier of 15 October 2003 regarding the transport interchange.
- (2) Condemns the Government for failing to acknowledge this correspondence or to adequately address these questions.
- (3) Demands that the Government adequately brief the Member for Willoughby and the community on the Chatswood Masterplan including progress of the upgrade of Chatswood Railway Station.

(Notice given 30 October 2003)

112 Mrs HOPWOOD to move—

That this House:

- (1) Notes that on Saturday 25 October 2003 a freak hail storm in Berowra and Berowra Heights caused extensive damage to many homes and businesses.
- (2) Congratulates the State Emergency Service for an exceptional response to the needs of the local people.
- (3) Notes that Hornsby Shire Council finds itself in a position of not being able to assist home and business owners with extra green and debris waste collections.
- (4) Calls on the Minister for Emergency Services to provide one-off funding to Hornsby Shire Council to enable assistance for people who need disaster relief.

(Notice given 30 October 2003)

113 Mr STONER to move—

That this House:

- (1) Congratulates the former Minister for Education for his promise to replace demountable classrooms and library and refurbish two historic buildings at Frederickton Public School.

(2) Condemns the new Minister for seeking to renege on this promise by failing to fund construction of the library and refurbishment of the historic buildings;

(3) Calls on the Government to fully fund promised essential works at Frederickton Public School.

(Notice given 30 October 2003)

114 Mr FRASER to move—

That this House:

(1) Notes the Queensland Premier's weekend comments in relation to senior Government Ministers in the NSW upper house.

(2) Notes Mr Beattie's comments that in some cases those Ministers are 'simply political hacks who would be unemployable anywhere else in the community'.

(3) Notes Mr Beattie's further comment that 'if they had to stand for a lower house seat, they wouldn't get elected'

(Notice given 30 October 2003)

115 Mrs SKINNER to move—

That this House:

(1) Acknowledges that Members of the Legislative Council are elected to represent the entire State;

(2) Congratulates the efforts of the Hon Catherine Cusack in lobbying the government to build a new school for the students of Tamworth West Public School; and

(3) Calls upon the Member for Tamworth to join with the Hon Catherine Cusack in her efforts to further improve the quality of public education offered at Tamworth West Public School.

(Notice given 30 October 2003)

116 Mr CONSTANCE to move—

That this House:

(1) Notes the concern of local oyster farmers at Tuross Lake that the tidal range of the Lake has dropped to a level where the viability of farming oysters is now under threat.

(2) Notes the State Government's delay in determining whether to dredge Tuross Lake is further adding to the demise of the oyster industry.

(3) Calls on the Minister to make available the necessary funds to dredge Tuross Lake and ensure the long term viability of a world class product.

(Notice given 30 October 2003)

117 Mr ARMSTRONG to move—

That this House:

- (1) Condemns the Government for not providing accommodation in an appropriate facility for a hospital patient in Forbes with a disruptive behavioural problem;
- (2) Notes that it is unsatisfactory for the Parliamentary Secretary to the Minister for Health to say that the behaviour modification worker will work with the patient and staff to reduce her abusive actions; and
- (3) Calls for appropriate accommodation for problem patients in country areas to be established as a matter of urgency.

(Notice given 30 October 2003)

118 Ms HODGKINSON to move—

That this House:

- (1) Notes that the Member for Kiama's photograph was published in the Yass Tribune on 22 October 2003 standing near a bridge over Jerrawa Creek, while claiming credit for providing funds for that bridge.
- (2) Notes that the Member for Kiama did not confirm the correct location of the bridge with the Gunning Shire Council and had his photograph taken on the wrong bridge.

(Notice given 30 October 2003)

119 Mr CONSTANCE to move—

That this House:

- (1) Notes the deleterious impact that fireweed is having on the farming community throughout the South Coast of NSW.
- (2) Calls on the State Government to conduct further scientific research into biological control agents and the impact of hybridisation on the native species within the introduced plant.
- (3) Calls on the Minister for Agriculture to increase the funding to local government to combat the problem of fireweed.

(Notice given 30 October 2003)

120 Mrs HOPWOOD to move—

That this House:

- (1) Notes the completion of the basketball and multi-sport complex in Thornleigh that has been named "The Brickpit" and commends Hornsby Shire Council for its work in relation to the facility.
- (2) Notes that Hornsby Shire Council has paid a section 17 levy on all fill placed in the Dartford Road tip/old brickpit site adjacent to the new complex.
- (3) Notes that Council could use the amount of the levy for provision of other sporting and recreational activities in the Hornsby electorate and surrounds.
- (4) Calls on the Minister for the Environment to immediately provide a re-imbusement for the total amount of the section 17 levy to Hornsby Shire Council.

(Notice given 30 October 2003)

121 Mr STONER to move—

That this House:

- (1) Notes the continuing decline in the prices paid to Dairy Farmers for milk, at levels in some cases below the cost of production.
- (2) Calls on the Government to conduct an inquiry into the disparity between the retail and farmgate prices of milk.

(Notice given 30 October 2003)

122 Mrs SKINNER to move—

That this House condemns the Government for disadvantaging local libraries by embargoing the announcement of annual grants from the State Library so that Labor Members of Parliament can put out press releases.

(Notice given 30 October 2003)

123 Mr TORBAY to move—

This House notes the comments by the Member for Bathurst in the Dubbo Liberal newspaper regarding the Interim Parry Report, where he is quoted as saying that the costings in the report are superficial, that the quoted operating costs are not accepted, and that the figures are inflated.

(Notice given 30 October 2003)

124 Mr ARMSTRONG to move—

That this House deplores incidents at Wagga Base Hospital where patients who have travelled from as far afield as Young have been prepared for operations such as hip replacements only to have the operation cancelled because of staff shortages.

(Notice given 30 October 2003)

125 Mrs SKINNER to move—

That this House calls on the Minister for Education to explain the discrepancy in outcomes for students in Opportunity Classes at Balmain, Wilkins and Summer Hill Primary Schools all located in the Port Jackson District.

(Notice given 30 October 2003)

126 Mr SLACK-SMITH to move—

That this House:

- (1) Notes the executive of the Isolated Children's Parents Association (ICPA) is visiting Sydney to lobby State Members on key issues related to isolated students.
- (2) Notes The Nationals and the Liberals met with the ICPA executive in relation to a range of important issues, including rural schools, Murrumbidgee Agricultural College and rural school buses.

- (3) Notes the Minister for Education cancelled an appointment with the ICPA and instead put forward a staff member, despite the executive traveling to Sydney to specifically see the Minister.
- (4) Condemns the Minister for Education and the Government for their lack of interest in country students and their issues.

(Notice given 30 October 2003)

127 Mr PAGE to move—

That this House calls on the Government to:

- (1) Not discontinue the train service on the Casino – Murwillimbah rail line, and
- (2) Extend this line to connect with the Queensland rail system in order to increase rail patronage and tourism opportunities, provide a commuter service, and to guarantee the long-term viability of the line.

(Notice given 30 October 2003)

128 Mr SOURIS to move—

That this House:

- (1) Notes:
 - (a) That the Government's two year old feasibility assessment recently recommended against the construction of the Liverpool Range rail tunnel near the Upper Hunter town of Murrurundi;
 - (b) That the proposed new rail tunnel is vital infrastructure for the future growth of the coal industry, ethanol production and increased wheat and cotton tonnages in the north of the State;
 - (c) The present inefficient need to couple two additional locomotives at the rear of the comparatively small trains to help push trains through the present elevated tunnel;
 - (d) The proposed new rail tunnel is vital infrastructure for the future growth of the port at Newcastle; and
 - (e) The Premier's announcement that the port at Newcastle will have an enhanced future role.
- (2) Calls on the Government to reverse its decision not to build this vitally needed transport infrastructure.

(Notice given 11 November 2003)

129 Mr DRAPER to move—

That this House:

- (1) Notes the tabling on 11 November 2003 of a petition from more than 3500 signatories from Tamworth, Walcha and Gunnedah requesting that the Tamworth to Armidale rail service be retained.

BUSINESS PAPER
Wednesday 12 October 2005

(2) Welcomes the support from the communities of Tamworth, Walcha and Gunnedah to ensure this essential service remains available to country people.

(3) Calls on the Government to honour its pre-election promise not to reduce country rail services.

(Notice given 11 November 2003)

130 Mr GAUDRY to move—

That this House:

(1) Celebrates the opening by the Premier of the CSIRO Energy Centre at Steel River in Newcastle.

(2) Congratulates the State and Federal Governments on the establishment of this internationally important \$34 million energy research centre in Newcastle.

(3) Notes the important research in cleaner fossil fuel use and the development of renewable energy technologies including the move to a hydrogen economy to be undertaken at the Energy Research Centre.

(4) Notes that the building itself is a demonstration of leading edge environmental design that minimizes energy use.

(5) Acknowledges this important development as a further step in the Hunter becoming the renewable energy industry center for the nation.

(Notice given 12 November 2003)

131 Mr HARTCHER to move—

That this House:

(1) Notes the result of the ALP preselection for the Federal seat of Robertson on Saturday 8 November 2003.

(2) Congratulates the Member for Peats for yet another triumph over the Della Bosca machine.

(Notice given 13 November 2003)

132 Ms BEREJIKLIAN to move—

That this House:

(1) Notes that in the past twelve months the stamp duty payable on a median priced home in Willoughby has increased by 23.45% and for a unit in Chatswood by 12.2%.

(2) Urges the Government to support the Leader of the Opposition's Stamp Duty Reduction Bill.

(Notice given 13 November 2003)

133 Mr ARMSTRONG to move—

That this House:

(1) Recognises the disappointment of many people in Young, when informed that their independent TAB agency will close on 14 December 2003.

- (2) Notes that there are many people who do not wish to go into licensed premises in order to place a bet.
- (3) Notes that the fastest growing income stream for the TAB company is greyhound racing and harness racing.
- (4) Recognises that Young is dominant in holding meetings in these two sports.

(Notice given 13 November 2003)

134 Mrs SKINNER to move—

That this House calls on the Minister for Education and Training to increase funding for the upgrade, maintenance and cleaning of school toilets.

(Notice given 13 November 2003)

135 Mr O'FARRELL to move—

That this House:

- (1) Notes the failure of the Minister for Police to reply to representations made on behalf of Mr Patrick Harrison in April and July seeking copies of documents relating to an accident on the Pacific Highway, Pymble, on 29 October 2001 that left Benjamin John Harrison calamitously injured.
- (2) Calls upon the Minister to expedite the provision of the requested information.

(Notice given 13 November 2003)

136 Mrs HOPWOOD to move—

That this House:

- (1) Notes:
 - (a) The need for multistorey carpark at Hornsby and Berowra railway stations;
 - (b) The false promise made by the previous Minister for Transport prior to the March State Election that a feasibility study would be undertaken for such parking;
 - (c) An undated recent letter from the Parliamentary Secretary to the Minister for Transport Services that states “Mount Colah residents who drive to a station may choose to catch a train at Hornsby as it receives faster trains”, misleading because there are no parking spaces after 7am; and
 - (d) Another letter from the Transport Department that refutes the need to increase parking at Hornsby Station.
- (2) Condemns the Government for misleading the people of Hornsby and failing to provide basic parking needs at major transport hubs.

(Notice given 13 November 2003)

137 Mrs HANCOCK to move—

That this House:

- (1) Expresses its profound sympathy to the families of those who have lost their lives on the Princes Highway and notes especially the two recent tragic fatalities of two young South Coast residents.
- (2) Calls on the State Government to respond to the recent demands of South Coast doctors who have called for urgent interim measures to be taken in the lead up to the busy Christmas and tourist season in response to the recent carnage on the Princes Highway.
- (3) Calls on the State Government to match the Coalition's \$200m Princes Highway Plan designed to remove black spots and address dangerous sections of the highway.
- (4) Calls on the Minister for Roads to meet with South Coast communities, visit the South Coast and take urgent action to fix the Princes Highway.

(Notice given 13 November 2003)

138 Ms HODGKINSON to move—

That this House:

- (1) Condemns the Attorney General for his continuing failure to accept responsibility for the lack of hazard reduction undertaken by State Government authorities prior to the January 2003 bushfires.
- (2) Notes that the fires in January claimed the lives of four people and destroyed over 500 properties.
- (3) Notes the outstanding work of local bushfire fighters including Peter and Tim Webb during the January crisis.
- (4) Notes that many native species in the Brindabella and Alpine regions were totally eliminated during the January bushfires due to the Government's failure to undertake hazard reduction.

(Notice given 13 November 2003)

139 Mr PAGE to move—

That this House:

- (1) Notes the successful use of flashing lights to highlight school zones in other Australian States and the current trials within New South Wales.
- (2) Calls on the Government to implement a statewide program installing flashing lights in school zones starting with those schools at high risk due to speeding drivers.
- (3) Notes that the upcoming Christmas holiday period would be an appropriate time for the launch of a flashing lights program, prior to the beginning of the school year in 2004.

(Notice given 13 November 2003)

140 Mr RICHARDSON to move—

That this House:

- (1) Notes that gardening provides exercise and relaxation for millions of Australians.

- (2) Notes that the Premier believes the people of Sydney should rip out exotic plants from their gardens and replace them with native species.
- (3) Notes that by his own admission in the Sydney Morning Herald on 13 November 2003, the Premier has employed this strategy himself in his own garden “not through deliberate policy but through total neglect.”
- (4) Calls on the Premier to explain whether this is official Government policy, not just for Sydney’s gardens but for water, waste, energy, law enforcement, public transport and every other area of Government endeavour.

(Notice given 13 November 2003)

141 Mr CONSTANCE to move—

That this House:

- (1) Expresses its sympathy to the families of those tragically killed on the Princes Highway and notes especially the two fatalities in November 2003.
- (2) Notes the Coalition’s \$200m Princes Highway plan designed to address a number of trouble spots.
- (3) Calls on the State Government to match this plan forthwith and as an interim measure introduce 80kph speed limits at identified trouble spots on the Princes Highway.
- (4) Condemns the Premier and the Minister for Roads for their disregard for communities from Wollongong to the Victorian border and for failing to address the problems of the Princes Highway which have resulted in continuing carnage.

(Notice given 13 November 2003)

142 Mrs SKINNER to move—

That this House calls on the Minister for Education and Training to:

- (1) Explain why dyslexia is classified as a “learning difficulty” rather than a disability, when up to 14% of students with learning difficulties have dyslexia.
- (2) Confirm that additional support provided to students with disabilities is not provided to assist students with learning difficulties, including those with dyslexia.

(Notice given 13 November 2003)

143 Mr O’FARRELL to move—

That this House supports efforts by the Wahroonga Public School community to ensure the appointment of a new principal is undertaken through the process of merit selection.

(Notice given 13 November 2003)

144 Mr PRINGLE to move—

That this House:

- (1) Notes that State Environmental Planning Policy 5 continues to be abused.

- (2) Notes that councils were invited to submit requests for exemptions and many have done so.
- (3) Calls on the Government to finalise the processing of submissions, including those of Baulkham Hills and Hornsby Shire Councils.

(Notice given 13 November 2003)

145 Mr ARMSTRONG to move—

That this House:

- (1) Recognises the unification capacity of Condobolin's Shannon Noll in achieving a one-off accord between Labor's Member for Murray Darling, Peter Black and The National's Member for Lachlan, Ian Armstrong in their outright support for Shannon Noll in Channel 10's Australian Idol competition.
- (2) Calls on Members of the Parliament to be uniform in their support for the outstanding artist from Condobolin, the nearest town to the geographic centre of New South Wales.
- (3) Calls on Members to urge their constituency to vote for Shannon Noll in the appropriate form and, in the tradition of one of the major political parties in this place, urge voters to vote early and vote often.

(Notice given 13 November 2003)

146 Mrs HOPWOOD to move—

That this House:

- (1) Notes:
 - (a) The concerns of Hornsby Shire Council with regard to the management and maintenance of the length of Berowra Waters Road;
 - (b) The serious land slip that occurred between two parts of the road on the steep and winding descent of Berowra Waters Road into Berowra Waters; and
 - (c) The potential for further such slips to occur, threatening life as well as impeding vehicular passage.
- (2) Calls on the Government to take over the management of this dangerous road as requested by Hornsby Shire Council.

(Notice given 13 November 2003)

147 Mr PAGE to move—

That this House:

- (1) Notes the current concession which has now been granted for the movement of grape harvesters at night in the Wentworth-Dareton-Gol Gol region, following a three year trial.
- (2) Calls on the Minister for Roads to formalize appropriate long-term arrangements to enable grape harvesters to move safely at night on public roads, thereby providing the grape and wine industry with future security.

(Notice given 13 November 2003)

148 Mrs SKINNER to move—

That this House notes the resolution reported in the North Sydney Leagues Club magazine of November 2003, opposing “the ill-conceived decision of the New South Wales Government to increase State taxation on poker machines to some 50% of turnover as contained in the 2003 State Budget,” and stating “This initiative is in very poor taste, made in obscene haste and will be harmful in the extreme to the hospitality industry”, which was authorised by Bruce Harkness, Member No. 21473, ALP Mosman Branch.

(Notice given 13 November 2003)

149 Mr ARMSTRONG to move—

That this House:

- (1) Extends its support to the Australian Wallabies as they approach the semi-finals and hopefully a final's win in the 2003 Rugby World Cup.
- (2) Congratulates the Australian Rugby Board, its staff and volunteers on the organization and delivery of this outstanding tournament.
- (3) Recognises the tourism and promotional benefits to Sydney and Australia and calls on the Government to undertake professional promotion to build on this world wide publicity.

(Notice given 13 November 2003)

150 Mrs PALUZZANO to move—

That this House:

- (1) Congratulates the Government for its commitment to quality health outcomes.
- (2) Commends the Government for the increase of over \$900m in the 2003/04 budget.
- (3) Congratulates the Government on the launch of the \$1.2m Virtual Critical Care Unit at Nepean and Blue Mountains Hospitals.
- (4) Condemns the Federal Government for its health care package, which has seen a substantial increase in the number of patients presenting at Nepean Hospital, rather than visiting a General Practitioner.

(Notice given 19 November 2003)

151 Mr O'FARRELL to move—

That this House:

- (1) Notes:
 - (a) The Government's announcement of 28 May 2003 of a review of SEPP 5;
 - (b) Developers' exploitation of inconsistencies between SEPP 53 and SEPP 5 to thwart State Government SEPP5 exemptions in bushfire prone areas such as North Turrumurra; and

- (c) the presentation of a petition from around 1,700 residents of North Turramurra seeking urgent action, without savings provisions, to end this abuse.

- (2) Calls upon the Government to heed residents' wishes, stop the abuse by removing the loopholes and, finally release the report of the review.

(Notice given 19 November 2003)

152 Mr BARR to move—

That this House:

- (1) Notes Manly is proud to host the English Rugby team in the lead up to the World Cup final.
- (2) Welcomes the influx of rugby supporters and in particular the foot soldiers of the barmy army.
- (3) Welcomes the benefit to local businesses and the sense of occasion this brings to Manly.
- (4) Congratulates Manly Council on the success of the big screen at Manly Oval.
- (5) Notes that notwithstanding our warm welcome and best wishes to the English team and its supporters, the people of Manly will be hoping the Wallabies wallop the Poms.

(Notice given 19 November 2003)

153 Mr DRAPER to move—

That this House:

- (1) Notes that the draft Wool Hide and Skins Bill 2003 currently being circulated will have many detrimental effects on farmers and wool dealers in New South Wales.
- (2) Notes that sales of wool from wool growing areas close to state borders will almost certainly be lost to interstate companies not bound by this legislation.

(Notice given 19 November 2003)

154 Ms HODGKINSON to move—

That this House:

- (1) Calls on the Premier to direct the Minister for Local Government to cease his actions on the creation of super councils as it breaches the Premier's own pre-election commitment that Labor had no plans to change its policy of no forced amalgamations and no plans for the wholesale rationalization of councils.
- (2) Condemns the Government for breaching its election commitment by forcing amalgamations through the abolition of Tallaganda, Yass, Crookwell, Gunning, Mulwaree and Yarrawlumla Shire Councils.
- (3) Notes the impact the Government's slashing of local jobs will have on regional development and small businesses within the townships of Braidwood, Yass, Crookwell, Gunning and surrounding towns and villages.

- (4) Expresses its concern for the people who will no longer be able to access council services in their immediate area as a result of these amalgamations.
- (5) Calls on the Minister to ensure that the Boundaries Commission will conduct a full and comprehensive public hearing before any submissions are accepted and hold a postal vote or a referendum before these amalgamations proceed.

(Notice given 20 November 2003)

155 Mr BROGDEN to move—

That this House:

- (1) Expresses its support for the Wallabies in the 2003 Rugby World Cup Final.

(Notice given 20 November 2003)

157 Mr CANSDELL to move—

That this House:

- (1) Recognises the merit in appointing a second vascular surgeon in the Northern Rivers Area Health Service as promised by the former Minister for Health in the lead up to the March 2003 State election.
- (2) Acknowledges the former Minister for Health's comments that "it made sense to appoint the specialist surgeon at Maclean Hospital".
- (3) Calls on the Government to honour its election promise and appoint the vascular surgeon.

(Notice given 20 November 2003)

158 Mr ARMSTRONG to move—

That this House:

- (1) Notes a recommendation from the New South Wales Heritage Council to the Government to heritage list the Jadda Centre at Junee.
- (2) Calls on the Government to recognise the Junee Shire Council's ownership of the building and recognise Council's absolute objection to such a listing.

BUSINESS PAPER
Wednesday 12 October 2005

- (3) Notes that in the event of a heritage listing, a minimum of \$7m be appropriated to Council to make major structural repairs to the building to bring the building up to Ordinance 70 requirements, fit heating and cooling facilities, restore the original façade and find a use for the building.

(Notice given 20 November 2003)

159 Mr STONER to move—

That this House:

- (1) Notes the Government's restructure of the Department of Education and Training will result in a significant downgrading of the Learning Materials Production Unit.
- (2) Notes that as a consequence of this downgrade, the Learning Materials Production Unit will lose dedicated desktop publishers and illustrators, editors and writers, technical staff and project managers.
- (3) Notes the negative impact this will have on the delivery of essential course material to full time distance education students.
- (4) Calls on the Government to heed the call of the New South Wales Isolated Children's Parents' Association to retain the Learning Material Production Unit as a separate entity in On Line Learning, and that it be fully staffed and funded to deliver materials specifically designed for distance students.

(Notice given 20 November 2003)

160 Mr CONSTANCE to move—

That this House:

- (1) Notes the significant increase in rents charged by the Department of Lands on South Coast amateur fishing clubs.
- (2) Calls on the Government to reverse these charges enabling the fishing clubs to continue to provide the benefits of the clubs' facilities and services to the community.

(Notice given 20 November 2003)

(Notice given 20 November 2003)

165 Mr CANSDELL to move—

That this House:

- (1) Calls on the Minister for Transport to apologise to the people of Clarence for his disparaging comments in relation to their concerns at the loss of rail services to the North Coast.
- (2) Challenges the Minister to visit the electorate and listen to the community's real concerns first hand.

(Notice given 20 November 2003)

166 Mr HAZZARD to move—

That this House:

- (1) Calls on the Minister for Health to announce the starting and completion date for construction of the promised new Northern Beaches Hospital.
- (2) Calls on the Member for Manly to stop doing deals with Labor and join Northern Beaches' Liberal Members of Parliament and the community in our endeavors to get the promised new hospital.

(Notice given 20 November 2003)

167 Mr BARR to move—

That this House:

- (1) Notes that in the recent State election the seat of Manly was won for the fourth consecutive term by an independent.

BUSINESS PAPER
Wednesday 12 October 2005

- (2) Notes the difficulty the Member for Wakehurst has in coming to terms with this election outcome.
- (3) Calls upon the tribal elders of the Liberal Party to counsel the Member for Wakehurst as to which electorate he represents.
- (4) Calls upon the Liberal Members of Parliament representing electorates on the Northern Beaches to focus their efforts on better representing their own constituents rather than obsessing about Manly.

(Notice given 20 November 2003)

168 Mr FRASER to move—

That this House:

- (1) Congratulates the Coffs Harbour- based Wallabies on reaching the final of the Rugby World Cup.
- (2) Notes the enormous support of the Coffs Harbour community for their adopted team.
- (3) Notes that Coffs Harbour's clean beaches, great food, great lifestyle and great representation has assisted them to reach the final.
- (4) Wishes the Wallabies every success over the English team on 22 November 2003.

(Notice given 20 November 2003)

169 Mr GAUDRY to move—

That this House:

- (1) Congratulates Woodturners of the Hunter for their outstanding fundraising efforts on behalf of the John Hunter Children's Hospital Kids Club.
- (2) Notes that \$53,000 was raised in 2003 to enable the purchase of lifesaving monitoring equipment for the John Hunter Children's Hospital.
- (3) Thanks the Woodturners for raising over \$300,000 for this worthy cause.

(Notice given 2 December 2003)

170 Ms HODGKINSON to move—

That this House:

- (1) Notes the Parry Inquiry acknowledged the submission of the Member for Burrinjuck on the Interim Report of the Ministerial Inquiry into Public Passenger Transport.
- (2) Notes the Member for Burrinjuck has lodged petitions containing several thousand signatures on "Save our CountryLink Rail Services" which condemn the Government for threatening country rail passenger services.
- (3) Calls on the Government to increase rail passenger services to rural areas.

(Notice given 2 December 2003)

171 Mr ASHTON to move—

That this House:

- (1) Congratulates Steve Waugh on his outstanding cricket career playing for Australia, New South Wales and Bankstown.
- (2) Recognises Steve Waugh's record as the most capped international test player in cricket history.
- (3) Acknowledges his personal integrity, decency, and his commitment to his charity for child sufferers of leprosy in Kolkata in India.
- (4) Wishes Steve Waugh success in his last four tests captaining Australia in the series against India, concluding with the fourth Test in Sydney in January 2004.

(Notice given 2 December 2003)

172 Mr ARMSTRONG to move—

That this House:

- (1) Recognises the importance and significance of the ceremony at Grenfell on Saturday 29 November 2003, at the official opening of the Japanese Flag Exhibition at Grenfell Museum.
- (2) Notes that the exhibition centres on a Japanese flag signed by 188 members of the 1st Australian Parachute Battalion AIF flown into Singapore at the end of August 1945 to liberate the Changi prisoners of war.
- (3) Notes the ceremony in Grenfell was attended by 13 of those paratroopers and family representatives of another 5 who were involved in that most historic foray.
- (4) Congratulates the community of Grenfell on the preservation of this significant flag, as a permanent reminder of this historic event.

(Notice given 2 December 2003)

173 Mrs SKINNER to move—

That this House calls on the Government to match the New South Wales Coalition's commitment to provide funding for a new primary school for Lake Cathie.

(Notice given 2 December 2003)

174 Ms SEATON to move—

That this House:

- (1) Notes the Government's planFirst "tax" has now reached \$145 million in revenue.
- (2) Notes this tax has been taken from homebuilders and renovators and not used for the purpose the Government promised.
- (3) Calls on the Government to return this money to councils so they can proceed to do the strategic planning work in regional and metropolitan areas that the State Government has abandoned.

(Notice given 2 December 2003)

175 Mr STONER to move—

That this House:

- (1) Notes a recent Centre for Independent Studies report that states awards should be restructured to include separate and lower rates of pay for regional employees.
- (2) Notes that such a move would only serve to exacerbate the income gap that already exists between families in regional New South Wales and the major cities.
- (3) Calls on the Government to reject such an anti-country initiative.

(Notice given 2 December 2003)

176 Mr GAUDRY to move—

That this House:

- (1) Congratulates Hunter Singers and the Waratah Girls Choir on their success in international competitions.
- (2) Notes the valuable role played by these organizations in showcasing Newcastle and the Hunter to the world.
- (3) Celebrates the role of the two groups in developing the talent of young singers in the Hunter.
- (4) Expresses thanks and appreciation to Kim Sutherland and Wynette Horne for their years of outstanding service as musical directors of the groups.

(Notice given 2 December 2003)

177 Mr HAZZARD to move—

That this House:

- (1) Congratulates and thanks the Associations of St John the Baptist and Sant' Antonio di Padova for delivering to the people of Sydney the Festa Sul Mare for the past 11 years.
- (2) Notes the Premier said last year that “the Festa has made an important contribution to the social, cultural and economic development of this State”.
- (3) Expresses its concern that this year's Festa has been cancelled because the Associations' insurance premiums have in the last few years increased from \$400 to over \$12,000 this year.
- (4) Calls on the Premier to support the Italian community by having the Government underwrite all public liability insurance premiums in future years for Festa Sul Mare.

(Notice given 2 December 2003)

178 Mrs HOPWOOD to move—

That this House:

- (1) Notes the outstanding success of the Community Fire Units initiative in assisting the management of bush fires.

- (2) Notes the frustration of some participants who are still waiting for equipment and uniforms to set up a Community Fire Unit.
- (3) Calls on the Government to inject more money into the project so that Hornsby and other fire prone electorates are better prepared in the event of a bushfire.

(Notice given 2 December 2003)

179 Mr O'FARRELL to move—

That this House requests the Standing Orders and Procedure Committee to amend Standing Orders by:

- (1) Requiring truthfulness in answers to questions by Ministers.
- (2) Permitting the Speaker to intervene and direct Ministers to be relevant in answering questions.

(Notice given 2 December 2003)

180 Mr BARR to move—

That this House:

- (1) Notes that in 2001 the Government announced that either Beacon Hill High School or Balgowlah Boys High School were to be closed as part of the Freshwater Senior High School multi-campus college.
- (2) Notes that after strong community representations the Minister for Education announced that Balgowlah Boys High School would remain open and Beacon Hill would be closed.
- (3) Notes the Member for Wakehurst acquiesced in accepting this closure.
- (4) Notes the comments by the Member for Wakehurst in the Manly Daily of 2 December 2003 that “if there was a battle to save the school buildings it should have happened three years ago”.

(Notice given 2 December 2003)

181 Mr HARTCHER to move—

That this House:

- (1) Notes that Mark Latham was employed by the then Leader of the Opposition, Bob Carr in March 1989.
- (2) Notes that Mark Latham won a pre-selection battle for the State seat of Liverpool against Paul Lynch in 1989.
- (3) Notes that Mr Carr in an attempt to bring Peter Anderson into the Parliament, worked with the senior figures in the ALP to deny Mr Latham pre-selection.
- (4) Notes that Mark Latham resigned from Bob Carr's staff on 13 March 1989, in disgust.
- (5) Calls upon the Premier to confirm that, consistent with his 1989 position, he has no confidence in Mark Latham as a Member of Parliament.

(Notice given 3 December 2003)

182 Mr STONER to move—

That this House:

- (1) Notes that independent members of the Legislative Assembly have made a submission to the Electoral Districts Commission proposing changes to many country electorate boundaries.
- (2) Expresses concern that their submission would disadvantage country residents by boosting enrolment numbers in country seats to the maximum quota, meaning country electorates would have higher enrolments than city electorates.
- (3) Notes this would reduce access by country residents to their local Member of Parliament.

(Notice given 3 December 2003)

183 Mr HUMPHERSON to move—

That this House:

- (1) Notes that many Rural Fire Brigades in New South Wales are still awaiting new tankers.
- (2) Notes that the Government sent a \$205,000 Category 1 tanker to the United States shipping it on the Tampa in April 2003.
- (3) Notes that volunteers were promised employment in the United States, undertook training, and left employment only to be left without work when the Government couldn't obtain work visas.
- (4) Calls on the Government to advise who initiated this project and what disciplinary action resulted.

(Notice given 3 December 2003)

184 Ms SEATON to move—

That this House:

- (1) Notes the cost blowout in the Government's feasibility study for the Thirroul Waterfall rail tunnel from \$320 million to \$1.4 billion.
- (2) Notes the admissions by the Minister for the Illawarra that he is unaware of infrastructure plans and the study.
- (3) Notes the failure of the Minister for Transport Services to answer questions about the Thirroul tunnel.
- (4) Calls for public disclosure of the study material, and an enquiry into Government mismanagement of the planning and costing of this infrastructure link.

(Notice given 3 December 2003)

185 Mr PAGE to move—

That this House:

- (1) Condemns the Government for its removal of hundreds of jobs in the Department of Education in country areas including the North Coast.

- (2) Notes that these job losses will have a negative impact on public education including loss of support for teachers and students from district offices.
- (3) Calls on the Government to publicly release the Community Impact Statement which accompanied this decision.

(Notice given 3 December 2003)

186 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes the plight of Mr and Mrs Vaughan of Castlecrag, who received a land tax bill of \$10,800 for their only property, a modest home which they have lived in since it was built by Mrs Vaughan's father in the early 1940's.
- (2) Condemns the Government's policy of taxing people living in their own home.
- (3) Calls on the Government to adopt the Coalition's policy of abolishing land tax on the family home.

(Notice given 3 December 2003)

187 Mr ARMSTRONG to move—

That this House:

- (1) Congratulates the community of Young in its commitment to raise \$100,000 to fund an Oncology Unit in its new District Hospital.
- (2) Notes that Young will be offering 500 kilograms of cherries for sale at the Wahroonga Village Fair on Sunday 7 December 2003.
- (3) Recognises Young as the cherry capital of Australia in that it produces 80% of the cherries grown in New South Wales and 50% of those grown in Australia.

(Notice given 3 December 2003)

188 Mr STONER to move—

That this House:

- (1) Notes comments by the Productivity Commissioner, Dr Neil Byron, that "the approach of environmental agencies seems to be based on the assumption all landholders are ecological vandals who can't wait to bulldoze rare and endangered species".
- (2) Notes that New South Wales farmers are the best stewards of their land given their livelihoods are staked on sustainable and productive farming practices.
- (3) Calls on the Government to adopt Dr Byron's advice to work with farmers.

(Notice given 3 December 2003)

189 Mrs SKINNER to move—

That this House:

- (1) Notes that the ministerial staff of the Minister for Education receive average annual salaries of \$92,500, and up to \$150,000.
- (2) Notes that classroom teachers earn a maximum of approximately \$59,000.
- (3) Notes that the Government considers teachers deserve a pay rise of only 3%.
- (4) Calls on the Minister to advise where productivity savings will be found to cover any pay rise of over 6% awarded by the Industrial Relations Commission.

(Notice given 3 December 2003)

190 Mr MERTON to move—

That this House:

- (1) Notes that in “Action for Transport 2010” the Government committed to build the North West Rail Link, Epping to Castle Hill, by 2010 and the Parramatta Rail Link to Epping and Chatswood by 2006.
- (2) Notes that the Government has now abandoned the construction of the Parramatta to Epping Rail Link, and allocates no funds to the Epping to Castle Hill Rail Link.
- (3) Condemns the Government for its failure to build the Parramatta to Epping Rail Link and calls on the Government to build the Epping to Rouse Hill Rail Link.

(Notice given 3 December 2003)

191 Mr O'FARRELL to move—

That this House urges the Government to agree to Ku-ring-gai Council's amendments to the Government's draft LEP194 submission.

(Notice given 3 December 2003)

192 Mr DEBNAM to move—

That this House:

- (1) Expresses support for Deputy Chief Magistrate Graeme Henson's refusal to impose bail conditions on Detective Sergeant Shane Cribb despite the Department of Public Prosecutions' determination to pursue a case against this police officer.
- (2) Expresses concern with the Department of Public Prosecutions' handling of charges against Shannon Johnston which resulted in the ram-raider receiving a good behavior bond.

(Notice given 3 December 2003)

193 Mr STONER to move—

That this House:

- (1) Notes that the Premier, in his July 2003 media release announcing electoral redistributions, highlighted that Murray-Darling electorate covers 45 per cent of the State.
- (2) Notes that The Nationals and Liberals submission to the Electoral Districts Commission reduces the size of this massive seat by almost one-third.
- (3) Notes that The Nationals have long argued that the size of Murray-Darling severely compromises the access its constituents have to their State representative.
- (4) Condemns the Australian Labor Party's submission that increases the size of Murray-Darling by an extra 11,000 square kilometres.

(Notice given 4 December 2003)

194 Mrs SKINNER to move—

That this House notes the request by Warnborough University for a right of reply to damaging statements made about the University by the Minister for Education in this House on 27 May 2003.

(Notice given 4 December 2003)

195 Mr ARMSTRONG to move—

That this House:

- (1) Notes the difficulties for car drivers over the age of 80 years when they lose their license.
- (2) Asks that a carer or friend be entitled to accompany an elderly person when doing a license test.
- (3) Requests the Roads and Traffic Authority give consideration to providing information through community health in order to help older people when they are faced with loss of license.
- (4) Requests the Roads and Traffic Authority recommend that family members give consideration to requesting relatives' licenses be cancelled.

(Notice given 4 December 2003)

196 Mr STONER to move—

That this House:

- (1) Notes that Port Macquarie Base Hospital has achieved a high standard of regional medical excellence, including in specialties such as vascular and cancer surgery, enabling many patients to be treated locally rather than travelling to Newcastle or Sydney.
- (2) Notes that the Hospital was forced to cease elective surgery earlier this month due to insufficient funding to keep pace with demand.
- (3) Notes a senior surgeon's comment that, "For too long our unique public hospital management model has been blamed when the issue is all about how much care and services the New South Wales Department of Health chooses to purchase from its designated hospitals throughout the system".
- (4) Calls on the Minister for Health to intervene to resolve this funding crisis.

(Notice given 17 February 2004)

197 Mr BARR to move—

That this House:

- (1) Notes that it has been four years since Seaforth TAFE was closed, leaving Northern Beaches campus at Brookvale as the only TAFE college on the Northern Beaches.
- (2) Notes that courses at Northern Beaches campus have been cutback in 2004.
- (3) Calls upon the Government to adequately fund TAFE courses on the Northern Beaches and to reopen Seaforth TAFE as an education facility.

(Notice given 17 February 2004)

198 Ms JUDGE to move—

That this House condemns the Federal Government's inadequate funding of higher education which has resulted in 21,000 people across New South Wales missing out on a place at university.

(Notice given 17 February 2004)

199 Ms D'AMORE to move—

That this House:

- (1) Congratulates the State Government and the Minister for Health for allocating \$2.8 million for the purchase of a state of the art MRI machine at Concord Hospital.
- (2) Calls on the Federal Government to meet its commitments to health and grant the license to operate the MRI machine under the Medicare system.

(Notice given 17 February 2004)

200 Mr WHAN to move—

That this House:

- (1) Notes that rates of bulk billing in the Federal electorate of Eden-Monaro, which takes in the State electorates of Monaro and Bega, dropped from 39.3% to 37.9% in the year to December 2003, the fourth lowest rate in Australia.
- (2) Notes that at the same time presentations to casualty departments in the Southern Area Health Service increased by 7%, a significant shift in costs from the Commonwealth to the State Government.
- (3) Calls on the Federal Government to reverse its \$60m per year funding cut to public hospitals and work co-operatively with State Governments to address resourcing and demand issues affecting our public hospital system.

(Notice given 17 February 2004)

201 Ms NORI to move—

That this House notes the sad passing of Shirley Strickland de la Hunty and acknowledges her outstanding contribution to sport and the participation of women in public life.

(Notice given 18 February 2004)

202 Mr CONSTANCE to move—

That this House:

- (1) Notes the financial and management crisis facing Southern Area Health Service (SAHS), which includes a debt exceeding \$7 million dollars owing to hospital suppliers.
- (2) Notes that a shortage of supply of basic clinical stock would have adverse clinical consequences.
- (3) Notes the call by the Health Services Union for SAHS to be placed into administration.
- (4) Calls on the Minister to place the Service into administration and dissolve the SAHS Board.

(Notice given 18 February 2004)

203 Mrs HOPWOOD to move—

That this House:

- (1) Notes the need for Hornsby Heights Public School to have a school hall.
- (2) Notes the Government's promise at the end of 2002 that it would meet the shortfall required, to add to funding already raised for a school hall.
- (3) Notes the preparation by the school for the commencement of construction involving builders and other contractors.
- (4) Condemns the Minister for Education for not signing off the tender.

(Notice given 18 February 2004)

204 Ms JUDGE to move—

That this House notes the concerns of Croydon and Summer Hill residents about the increase in aircraft noise indicated in the Sydney Airport Draft Masterplan.

(Notice given 18 February 2004)

205 Ms KENEALLY to move—

That this House:

- (1) Recognises the Government's achievements in improving secondary schools in the electorate of Heffron, including:
 - (a) a \$7 million refurbishment of Alexandria Park Community School;
 - (b) a \$3 million upgrade of Tempe Languages High School; and
 - (c) a \$3 million refurbishment of J.J. Cahill Memorial High School.
- (2) Notes the increase in enrolment at these schools in the last 12 months.

(Notice given 18 February 2004)

206 Mr GAUDRY to move—

That this House congratulates and thanks the Cancer Council of the Hunter Region for the development of the Cancer Support Package for cancer patients, their family and carers.

(Notice given 18 February 2004)

207 Mr STONER to move—

That this House:

- (1) Notes with concern patient service levels at Kempsey District Hospital, with the surgical ward closed on weekends, an estimated 80% of beds needing replacement, few rooms having air conditioning, and cost cutting.
- (2) Calls on the Minister for Health to:
 - (a) provide adequate funding to Kempsey District Hospital and
 - (b) honour the Government's election promise of a new hospital.

(Notice given 19 February 2004)

208 Ms BEREJIKLIAN to move—

That this House:

- (1) Rejects a recent discussion paper released by the State Government foreshadowing likely increases in the Parking Space Levy and the removal of current exemptions in regional centers such as Chatswood.
- (2) Rejects the Government's assertion that the current levy is justified given that the area is well served by public transport.
- (3) Demands that the Government rule out any increase in the levy given the burden this would place on business and commuters in Chatswood.

(Notice given 19 February 2004)

209 Mr CONSTANCE to move—

That this House:

- (1) Notes the comments of the Member for Monaro in the Canberra Times (14 February 2004) that redundancies could be offered to Southern Area Health staff to reduce wage costs and rectify the \$7 million debt.
- (2) Notes the comments of the Acting CEO that the staff review at the Health Service is on hold until such time as staff can be properly consulted.
- (3) Notes that the Health Services Union has cited that this restructure is already causing anxiety and uncertainty for many staff, and condemns the Member for Monaro for his pre-emptive remarks.

(Notice given 19 February 2004)

210 Mrs SKINNER to move—

That this House calls on the Government to explain why it has:

- (1) failed to implement its own policy of air-conditioning permanent buildings in schools that are above the 30 degrees isotherm and demountables that are down to the 27.5 degrees isotherm.
- (2) ignored the needs of students and staff at Parkes High School despite 1995 correspondence between the Member for Lachlan and the Minister for Education referred to in this Parliament in 2001.

(Notice given 19 February 2004)

211 Mr O'FARRELL to move—

That this House condemns reported statements by Sheikh Hilali urging a jihad against the US and Israel, condoning suicide bombings and endorsing the terrorist organizations Hamas and Hezbollah.

(Notice given 19 February 2004)

212 Mr ARMSTRONG to move—

That this House notes:

- (1) That the Harden/Murrumburrah District Hospital and Nursing Home kitchen, which serves 32 beds, the Day Care Centre and Meals on Wheels, has been in a poor state of repair, with a leaking roof, poor heating and defective equipment, and subject to Department of Health inspection.
- (2) That malfunctioning air conditioning was replaced in 2003 by a local tradesman who has not yet been paid.
- (3) That a further Department of Health inspection has been deferred until March at the request of the Southern Area Health Service (SAHS).
- (4) That SAHS has indicated that funding is unlikely to be available for reconstruction of the kitchen for up to two years.
- (5) That the 22 year old hot water urn and the gas stove, oven and deep fryer have all been classed as dangerous to staff.
- (6) That the kitchen enters into a corridor used by Nursing Home residents,

and further notes that the Nursing Home Committee has raised \$200,000 towards a dementia area, and that a further dollar for dollar grant is available from a local trust if the Southern Area Health Service will meet OH&S standards for the kitchen.

(Notice given 19 February 2004)

213 Mrs HOPWOOD to move—

That this House:

- (1) Notes the unabated increase in gun crimes across Sydney.

BUSINESS PAPER
Wednesday 12 October 2005

- (2) Notes the presence in busy mall areas of armoured money vans handling cash from businesses and banks.
- (3) Notes these vans are often targets for criminals thus endangering guards as well as bystanders.
- (4) Notes that in 2003 an innocent 17 year old in Hornsby Mall was shot by a perpetrator attempting to steal guns as well as cash from such a van.
- (5) Calls on the Minister for Police to inform the people of New South Wales what is being done to decrease the incidence of gun crimes.

(Notice given 19 February 2004)

214 Mr STONER to move—

That this House:

- (1) Notes the Legislation Review Committee's findings in relation to Labor's natural resources legislation, including the fact that it trespasses on rights and contains insufficiently defined powers.
- (2) Notes the Committee sent an urgent letter to the Minister for Natural Resources on November 18 2003 but the Minister has still not responded to the serious concerns raised.
- (3) Calls on the Government members of the Committee to demand in Caucus that the Minister take the Committee's work seriously and respond immediately.

(Notice given 19 February 2004)

215 Mr HAZZARD to move—

That this House:

- (1) Notes that Sydney Water Managing Director Greg Robinson told a Parliamentary Committee he recommended architects Misho and Associates, acquaintances of his wife, be awarded a contract without notifying the Board of his conflict of interest.
- (2) Notes that Chairman Gabrielle Kibble yesterday confirmed Mr Robinson had breached his disclosure of interest requirements.
- (3) Notes that the State Owned Corporations Act 1989 imposes a penalty of \$11,000 for failure by a director to "disclose the nature of the interest to a meeting of the Board".
- (4) Calls on the Minister for Energy and Utilities to deal with the conflict of interest already admitted by Mr Robinson.

(Notice given 19 February 2004)

216 Mrs HANCOCK to move—

That this House:

- (1) Notes that Ulladulla High School has a current enrolment of 1,233 but only sufficient permanent buildings for 880 students.

- (2) Notes that additional students are accommodated in 11 demountable classrooms, including 3 on the school oval.
- (3) Rejects the proposed destruction of 70 established trees for four additional demountable classrooms noting that tree removal has already caused major erosion and flooding problems.
- (4) Calls on the Government to advise when students in the South Coast electorate will be provided with modern school facilities.

(Notice given 19 February 2004)

217 Mr PICCOLI to move—

That this House:

- (1) Notes the release on 19 February 2004 by Biosecurity Australia of revised draft import risk analysis reports for apples and bananas and the final analysis report for pig meat from a range of countries.
- (2) Supports the Federal Minister for Agriculture, who has today directed his department to commission economic assessments of any impact of new pork, apple and banana imports on Australian industries.
- (3) Offers full support to New South Wales' world class agricultural producers and encourages all stakeholders to submit comment on the analysis before any final decision on imports is made.
- (4) Expresses concern about the potential disease impact of imports on New South Wales' agricultural producers.

(Notice given 19 February 2004)

218 Mrs SKINNER to move—

That this House calls on the Government to:

- (1) Use a staffing formula based on a school's anticipated enrolments, with staffing determined at the end of the prior year by the principal, school council and relevant school education area;
- (2) Appoint staff according to this formula from the beginning of Term 1 for the full term, augmented by additional staff if extra students enroll;
- (3) Lower the cut off point for reduction to a single teacher in very small schools from 25 to 20;
- (4) provide an additional half-time teacher for schools of between 100-159 students to release the principal for management duties;
- (5) Review allocation of relief from face to face (RFF) teaching time in primary schools; and
- (6) Minimise the impact of RFF on teacher/librarians.

(Notice given 19 February 2004)

219 Mr RICHARDSON to move—

That this House:

BUSINESS PAPER
Wednesday 12 October 2005

- (1) Notes that on 19 February 2004 the MV Island Trader sails from Yamba to Lord Howe Island carrying 60,000L of fuel oil.
- (2) Notes that the ship is classified as a general cargo ship not as an oil tanker.
- (3) Notes that the ship will enter the World Heritage listed Lord Howe Island lagoon to discharge its cargo.
- (4) Notes the comments of marine surveyor Captain David Pyett, (The Australian on February 13) that “the slightest mistake and the ship will tear its bottom out”.
- (5) Calls on the Minister for the Environment to justify his statement, made in the House on February 17 in relation to a leaking oil tanker, that “the Government takes pollution threats seriously and deals with them immediately”.

(Notice given 19 February 2004)

220 Mr STONER to move—

That this House:

- (1) Notes that the Northern Rivers Catchment Management Area extends from the Camden Haven Catchment in the south to the Tweed Catchment in the north.
- (2) Notes the recent establishment of the Northern Rivers Catchment Management Authority with offices at Grafton, Armidale and Murwillumbah, leaving the southern part of the catchment management area over 3 ½ hours away from the nearest CMA office.
- (3) Calls on the Minister for Infrastructure Planning and Natural Resources to retain an office in the southern part of the CMA, at Kempsey, where departmental offices already exist.

(Notice given 19 February 2004)

221 Mr WHAN to move—

That this House notes that:

- (1) In the past six months the Member for Bega has told constituents that he opposes stamp duty, payroll tax, land tax and poker machine tax.
- (2) These taxes represent about 30% of the State Government’s budget revenue.
- (3) At the same time the Member for Bega has told constituents he supports extensive additional funding for highways, demountable class rooms, town water supply, hospitals and dental services, the Member’s budget deficit means Bega residents cannot take his promises seriously.

(Notice given 19 February 2004)

222 Mrs SKINNER to move—

That this House calls on the Government to reject the development application for a 14 story building on the cliff overlooking Luna Park, and advise the developer that any building on the site must comply with the Luna Park Master Plan height limit of 7.5 metres.

(Notice given 19 February 2004)

223 Mr HAZZARD to move—

That this House:

- (1) Notes that on 18 February 2004 the Chairman of Sydney Water Gabrielle Kibble refused to produce to the Parliamentary Committee the Internal Audit Bureau report into allegations that Managing Director Greg Robinson breached conflict of interest guidelines in recommending friends and acquaintances for contracts.
- (2) Notes that Ms Kibble told the Committee she had legal advice that having sent the report to ICAC she would not produce it to the Committee.
- (3) Notes that the ICAC confirmed on 19 February 2004 that Sydney Water was told it was not precluded from producing the Internal Audit Bureau report to the Committee.
- (4) Calls on the Minister for Energy and Utilities to direct the immediate release of the report to the Committee.

424 Mr GEORGE to move—

That this House:

- (1) Notes that 1 September 2004 is Meals on Wheels National Day.
- (2) Recognises the great work local Meals on Wheels volunteers achieve in our communities, allowing many people who use the service to continue living in their own homes.
- (3) Extends its appreciation for the time and dedication these volunteers give to those who rely on this service.

(Notice given 1 September 2004)

425 Ms HODGKINSON to move—

That this House:

- (1) Notes the protest rally of 2 September 2004 by builders who are facing severe financial difficulties because of Labor’s home warranty insurance system.
- (2) Notes that consumers have little or no protection under the current system.
- (3) Calls on the Government to immediately implement an equitable, affordable and effective home warranty insurance system.
- (4) Notes the support of the Coalition for the re-introduction of the Building Services Corporation.

(Notice given 2 September 2004)

426 Mr PAGE to move—

That this House:

- (1) Notes the Casino to Murwillumbah rail line was closed by the State Labor Government.
- (2) Notes the Federal Leader of the Opposition’s statement that “we just can’t be funding State services that have been subject to poor decision making”.
- (3) Notes the State Government now has \$200 million a year under the Australian Rail Track Corporation deal, freeing up cash to re-instate the service.
- (4) Notes rail workers will be made redundant on 3 September 2004.
- (5) Calls on the Government to immediately re-instate the XPT service on the line.

(Notice given 2 September 2004)

- (4) Failing to deliver guaranteed reliable, affordable and sustainable supplies of energy for all Australians.

(Notice given 2 September 2004)

428 Mr ARMSTRONG to move—

That this House:

- (1) Notes Federal Labor's lack of support for the ethanol industry wherein the Federal Leader of the Opposition, Mark Latham said in December 2003 that ethanol could be an important industry for Australia's future "but at what cost"?
- (2) Notes Mr Latham said there is consumer concern about ethanol in petrol.
- (3) Notes that he said the Federal Government's support for ethanol reeks of "crony" capitalism.
- (4) Notes that, after the 2001 election when the Coalition campaigned in favour of an expanded industry, Labor launched a concerted attack on the alternative fuel in an attempt to demonise it.

(Notice given 2 September 2004)

429 Mr WHAN to move—

That this House:

- (1) Notes that on the weekend of 28 August 2004, the Snowy River Alliance celebrated the 2nd anniversary of the first release of water to save the Snowy River.
- (2) Notes the progress of work on the \$150 million project by Snowy Hydro to build new outlet works at Jindabyne Dam which will enable environmental flows.
- (3) Congratulates the New South Wales and Victorian Governments on this historic environmental achievement.
- (4) Condemns the New South Wales Leader of the Opposition for failing to correct Federal Liberal comments that water down the Snowy was wasted.

(Notice given 2 September 2004)

430 Mrs SKINNER to move—

That this House notes that:

BUSINESS PAPER
Wednesday 12 October 2005

- (1) Teachers have refused an invitation from the Minister for Education to attend a reception for Education Week 2004.
- (2) The New South Wales Teachers Federation has advised the Minister that this decision not to attend “results from your Government’s move to politicise our public schools” and because of proposals which are “designed to intimidate and gag those who would seek to oppose flawed Government policy”.

(Notice given 2 September 2004)

431 Mr CONSTANCE to move—

That this House calls on the Minister for Lands to designate land free of charge to the Bega Valley Shire Council for the Bermagui Community Centre.

(Notice given 2 September 2004)

(Notice given 16 September 2004)

437 Ms BURNEY to move—

That this House:

- (1) Condemns the Federal Government's funding reforms in the higher education sector.
- (2) Notes that these reforms will make a university education unattainable for many people and disregard the principles of merit and hardwork.
- (3) Notes the debt burden to students will be \$12 billion by 2005-2006, and welcomes the decision of Wollongong, Macquarie and Western Sydney Universities not to increase fees in the name of equity.

(Notice given 16 September 2004)

438 Ms BEREJIKLIAN to move—

That this House:

- (1) Congratulates the Chatswood High School Concert Band for its second placing in the world at the prestigious Vienna International Youth and Music Festival.
- (2) Notes that the Minister for Education publicised the calibre of the Chatswood High band prior to their departure.
- (3) Calls on the Minister for Education to reverse his decision to stall much needed capital works at Chatswood High.

BUSINESS PAPER
Wednesday 12 October 2005

(Notice given 16 September 2004)

439 Mr MAGUIRE to move—

That this House:

- (1) Notes widespread community concern regarding the reorganisation of Area Health Services administration in southern New South Wales.
- (2) Notes the Minister for Health's statement in The Daily Advertiser of 29 July 2004 and again in the Estimates Committee on 14 September that there has been no political influence in the decision to relocate Area Health head offices.
- (3) Calls on the Member for Monaro to explain his claim on ABC Radio to have influenced the decision to relocate head offices.

(Notice given 16 September 2004)

440 Mr GEORGE to move—

That this House:

- (1) Condemns the Government for:
 - (a) axing the Casino to Murwillumbah XPT train in May 2004; and
 - (b) continuing to collect revenue from the line by issuing fines to drivers who have failed to stop at a rail crossing for trains that no longer service the line.
- (2) Calls on the Government to financially reimburse those who have been fined and to reinstate points lost on their driver's licenses.

(Notice given 16 September 2004)

That this House:

- (1) Congratulates the Federal Member for Macquarie and the Federal Government for funding weed removal from the Hawkesbury River and the Hawkesbury River County Council for undertaking the works efficiently; and
- (2) Calls on the State Government to provide further funding to save the Hawkesbury River.

(Notice given 28 October 2004)

516 Mr HUMPHERSON to move—

That this House condemns the Government and Minister for Emergency Services and Lands for directing the Government's pricing tribunal to review the market rent payable to locate communications towers on public land, which will result in Emergency Services volunteers being forced to make increased payments from their own pockets.

(Notice given 28 October 2004)

517 Ms HODGKINSON to move—

That this House:

- (1) Notes the comments of general practitioner, anaesthetist and obstetrician Dr Owen Graham (*Yass Tribune* 22 October 2004) refuting statements by the Southern Area Health Service (SAHS) that the Yass operating theatre has been unsafe for two years.
- (2) Rejects the implied criticism by the SAHS that Dr Graham and surgeon Dr Beevors, would work in unsafe conditions.
- (3) Calls on the Minister for Health to apologise to these two highly respected practitioners and explain why these incorrect claims have been made to justify the closure of the operating theatre.

(Notice given 28 October 2004)

518 Mr ARMSTRONG to move—

That this House:

- (1) Condemns the loss of Department of Primary Industries jobs in Forbes and calls on the Government for a full restitution of jobs and personnel with Primary Industries in Forbes.
- (2) Notes there will be one Department of Primary Industries irrigation expert employed for the whole Lachlan River system and that position will be in Orange, an inefficient and inconvenient location for that officer.

(Notice given 28 October 2004)

519 Mr HUMPHERSON to move—

That this House:

- (1) Notes the attack by the ACT Government on the Coroner investigating the Canberra bushfires which resulted in the loss of four lives and 500 homes.
- (2) Notes the increasing expert evidence to the Inquiry that NSW authorities and Government policy contributed to the devastation through inaction with regard to hazard reduction, early response and failure to use available resources in relation to the primary fire.

(Notice given 28 October 2004)

520 Mr ARMSTRONG to move—

That this House:

BUSINESS PAPER
Wednesday 12 October 2005

- (1) Condemns the Minister for Primary Industries for his scaremongering in forecasting a dramatic rise in food prices for consumers because of the drought, when the reverse has happened with vegetables falling by 7.7% and fruit by 2.2%, with farmers bearing the cost of this price decline.

- (2) Calls on the Minister to apologise for his politicisation of market trends during the drought.

(Notice given 28 October 2004)

521 Ms HAY to move—

That this House condemns the Federal Government for:

- (1) Continuing in its failure to provide funds for child and community development services to facilities such as the Bundaleer Community Centre Warrawong.
- (2) Failing to provide ongoing financial support to successful pilot projects in low socio-economic areas such as Warrawong, Port Kembla and Berkeley.
- (3) Attempting to shift responsibility to the State Government for projects successfully undertaken with Federal funding in a number of mental health areas and community projects such as Bundaleer.

(Notice given 9 November 2004)

522 Mr O'FARRELL to move—

That this House notes:

- (1) Claims by the Head of the Palestinian Delegation to Australia, Ali Kazak, that Yassar Arafat had been poisoned by Israelis.
- (2) Mr Kazak's history of repeated attempts to incite animosity and hatred towards Israel and Australia's Jewish community.

And, in condemning Mr Kazak for his latest comments, urges the Palestinian Authority to provide Australia with a more rational, balanced and constructive representative.

(Notice given 9 November 2004)

523 Mr MARTIN to move—

That this House:

- (1) Congratulates Lithgow's David Palmer on winning his third consecutive British Open Squash title, squash's Wimbledon equivalent.

That this House:

(1) Notes:

- (a) Regional conservatoriums of music in New South Wales are facing hardship due to late distribution of their funding allocations;
 - (b) The Tamworth Conservatorium was presented with its funding cheque on 5 July 2003 to coincide with the Premier's visit to the Country Labor conference; and
 - (c) Forward planning for regional music programs is being jeopardised through non-payment of funds.
- (2) Calls on the Deputy Premier and Minister for Education and Training to expedite the outstanding payments and ensure regional conservatoriums receive funding in the first month of each financial year.

(Notice given 9 November 2004)

525 Mr TINK to move—

That this House:

- (1) Supports the comments of the Member for Blacktown in Caucus criticising the Minister for Transport .
- (2) Supports the Caucus proposal that the Premier take a morning peak hour train from Wyong to Sydney to see the problems with the rail system first hand.
- (3) Supports the comments of an unnamed member of Caucus who said “that would become the only train that morning that was assured of being on time”.
- (4) Supports the assessment of the Member for Wentworthville that the Government was “terminal”.

(Notice given 10 November 2004)

526 Mrs SKINNER to move—

That this House notes that:

- (1) the average kindergarten class size in schools in the Dubbo electorate is 24;
- (2) the average kindergarten class size in Priority Schools in Dubbo is 22, and
- (3) this situation is replicated across the State, and is the reason why the Government has broken its promise to publish class size audits in 2003 and 2004, instead marking them “cabinet in confidence”.

(Notice given 10 November 2004)

527 Mr OAKESHOTT to move—

That this House:

- (1) Notes leaves of absence from Parliament or from Parliamentary duties taken this year by Members for the birth of their children, including the Minister for Health, the Leader of the Opposition, the Member for Parramatta, the Member for Heathcote, the Member for Goulburn, and the Member for Port Macquarie and wishes all these new babies well.

- (2) Notes with surprise the comments of the Leader of The Nationals in the Port Macquarie News that criticised the Member for Port Macquarie for taking a two week leave of absence in May for the birth of his daughter Sophie.
- (3) Questions the family values of the Leader of The Nationals who said in the same media report that Parliament, and not family, should be all Members' number one priority.

(Notice given 10 November 2004)

528 Mr TORBAY to move—

That this House:

- (1) Notes comments by the Leader of The Nationals that “Members of Parliament are expected to take up their seat when Parliament is sitting. That is their number one priority.”
- (2) Notes that almost half of The Nationals did not attend Parliament on 9 November 2004.

(Notice given 10 November 2004)

529 Mr DRAPER to move—

That this House:

- (1) Notes the Leader of The Nationals considers Friday sittings of Parliament to be compulsory for attendance by all country based Members.
- (2) Notes that according to the Leader of The Nationals, country Members' number one priority should be to take their seat when Parliament is sitting.
- (3) Notes the Leader of The Nationals has not spoken or voted on 8 out of 10 Friday sittings this year.
- (4) Calls on the Leader of The Nationals to guarantee attendance of all Nationals Members every sitting Friday until the rising of the House.

(Notice given 10 November 2004)

530 Mr BARR to move—

That this House:

- (1) Notes the comments of the Leader of The Nationals in the Port Macquarie News that “On several occasions in the past month the Nationals have been forced to back their own urgency motions against the Government.”
- (2) Notes his comment that this has been a source of embarrassment and irritation for the Nationals.
- (3) Notes the continued adherence of the Member for Manly to the principle of supporting urgency motions brought by non-Government Members.

(Notice given 10 November 2004)

531 Mr BARR to move—

That this House:

- (1) Notes the intention of Interlink to charge infrequent E-way users with a \$24 a year penalty.
- (2) Notes by the company's own figures it could stand to rake in about \$1 million a year from the new charge.
- (3) Notes this penalises motorists for trying to do the right thing by using the tags.
- (4) Calls on the Government to pressure Interlink into withdrawing this charge.

(Notice given 11 November 2004)

532 Ms BEREJIKLIAN to move—

That this House:

That this House:

- (1) Notes that an exploration licence has been issued to Sydney Gas to explore for methane in Wyong Shire.
- (2) Notes the community opposition to the issue of any extraction licence as stated at a public meeting in Wyong on 21 October 2004 and further notes the opposition of Wyong Shire Council to the issue of any extraction licence.
- (3) Notes council and community concern about the increased risk of bushfire, the impact on residential land values, the wastage of water and the contamination of the water table that exploration and extraction may have on Wyong Shire.
- (4) Calls upon the Government to institute a full, open public inquiry into methane mining in the Wyong Shire; and
- (5) Calls upon the Government to acknowledge Wyong Shire Council as the only appropriate consent authority to all development associated with methane mining and to the determination of any application for an exploration licence.

(Notice given 18 November 2004)

555 Mrs HANCOCK to move—

That this House:

- (1) Acknowledges overwhelming opposition from young drivers to a proposed night time curfew, and call on the Minister for Roads to:
 - (a) rule out this option on the grounds that it discriminates against young drivers in rural and regional NSW, such as those in the South Coast electorate.
 - (b) work with young people to pursue other options for protecting young drivers and reducing crash and fatality numbers in this age group.

(Notice given 18 November 2004)

556 Mr BROGDEN to move—

That this House:

- (1) Notes comments by the Minister for Transport Services in relation to CityRail services on “no pay day”, Monday 22 November 2004, that “there will be transit officers enforcing our rules and regulations”.
- (2) Notes the Premier told ABC Radio the Transit Officers “will not be implementing that enforcement”.
- (3) Demands the Premier end the confusion over the Government’s position on the no-pay day.
- (4) Supports the Opposition’s demands for an official fare free day on Monday 22 November.

(Notice given 18 November 2004)

557 Mrs SKINNER to move—

That this House deplores the Government’s poor financing of maintenance and upgrading of schools, noting that:

- (1) Nearly \$92.6 million has been borrowed from Treasury since 2002 against future sales of schools, with only \$10 million paid back and interest charged at 5.6% per annum.
- (2) Some of the schools earmarked for closure are no longer to be closed and sold after sustained community and Coalition campaigns.
- (3) The bottom has fallen out of the property market due to this Government’s new taxes, meaning even greater debt, and routine school maintenance will not be undertaken.

(Notice given 18 November 2004)

558 Mr CONSTANCE to move—

That this House:

- (1) Notes the report by the Roads and Traffic Authority (RTA) that highlights deficiencies on the Princes Highway, and the need to remove ‘suicide lanes’.
- (2) Notes that the leaking of this RTA report is evidence that the Minister for Roads has lost the confidence of the bureaucracy.
- (3) Calls on the Minister to get on with the job of fixing the Princes Highway.

(Notice given 18 November 2004)

559 Ms BEREJIKLIAN to move—

That this House notes the Government’s unfair imposition of up to 500% increases in the water tenancy leases for residents of the Willoughby electorate.

(Notice given 18 November 2004)

560 Mrs HOPWOOD to move—

That this House congratulates the United Hospital Auxiliaries of NSW Inc that have raised \$6,618,206.27 for hospitals across this State, worked in excess of 1.5 million voluntary hours and increased their membership to 7190 with 235 branches.

(Notice given 18 November 2004)

561 Mr RICHARDSON to move—

That this House notes:

- (1) That the Minister for the Environment intends to terminate all existing licences for shacks in the Royal National Park from 30 June 2005 and require lessees to sign new five-plus-five licenses at four times the existing rent.
- (2) That if tenants do not sign a new licence, the Minister intends to remove these heritage listed shacks, destroying Little Garie, Era, Burning Palms and Bulgo communities and related surf clubs.
- (3) Condemns the Government for its assault on the coastal communities, on our heritage, and on Surf Life Saving NSW.

(Notice given 18 November 2004)

562 Ms MOORE to move—

That this House:

- (1) Acknowledges the very strong support for the extension of daylight saving to commence at the beginning of October, building upon the success of extended daylight saving during the Sydney 2000 Olympics.
- (2) Acknowledges that benefits of extending daylight saving include increased turnover for business and increased opportunity for healthy exercise and outdoor activity.

(Notice given 18 November 2004)

563 Mrs HANCOCK to move—

That this House calls on the Premier to apologise to South Coast and Sydney war veterans who missed the Remembrance Day services in Bomaderry last week due to trains arriving twenty five minutes late, resulting in disappointment and frustration.

(Notice given 18 November 2004)

564 Mrs HOPWOOD to move—

That this House:

- (1) Congratulates the Brooklyn community for being proactive in raising awareness and finances to promote its interests.
- (2) Supports their activities, such as sale of the 'Men of the River' calendar, aimed at achieving a community gathering place.

- (3) Notes the local talent exhibited in painting, photographs and jewellery at the recent “river art” exhibition.

(Notice given 18 November 2004)

565 Mrs SKINNER to move—

That this House condemns the Government for cutting the budget allocated to Workers Education Association Sydney by 35% this year, noting that 32% of students in 2004 were pensioners aged over 60 who would no longer be able to afford courses.

(Notice given 18 November 2004)

566 Mr O’FARRELL to move—

That this House notes:

- (1) Repeated claims by the Premier and Minister for Health of reduction in Commonwealth funding of the State’s health system;
- (2) The November 2004 report of the Audit Office showing an increase in Commonwealth funding to NSW Health, including an additional \$124 million in 2003-04 under the Australian Health Care Agreement; and
- (3) Calls upon the State Government to start telling the truth about the Federal Government.

(Notice given 18 November 2004)

567 Mr ARMSTRONG to move—

That this House objects to the intransigent attitude adopted by the Roads and Traffic Authority and NSW Tourism towards the erection of tourist deviation signs to the Museum at Jerangle, the Museum at West Wyalong, the Lachlan Valley Way between Yass and Cowra and the Tourist Route from Bowning to Griffith via Harden and Young.

(Notice given 18 November 2004)

568 Mr HUMPHERSON to move—

That this House condemns the Minister for Environment and the Government for acting to discontinue recreational waterskiing on Smiths Creek on the Hawkesbury River without proper public consultation.

(Notice given 18 November 2004)

569 Mrs SKINNER to move—

That this House:

- (1) Commends the efforts of the principal and teachers of Kentlyn Public School in successfully meeting the needs of the 120 students enrolled at the school, including 30 students with special needs.
- (2) Notes concerns expressed by staff at Kentlyn Public School about the Government’s proposal to downgrade the school.

BUSINESS PAPER
Wednesday 12 October 2005

- (3) Calls on the Minister for Education and Training to rule out a proposal to reduce the school from a P4 to a P5 classification next year, resulting in the school losing its non-technical teaching principal.

(Notice given 18 November 2004)

570 Mr TINK to move—

That this House calls on the Attorney General to:

- (1) Obtain full details of the agreement made with former Justice Shaw to take leave for health reasons associated with his drinking problem before his car accident on 13 October 2004; and
- (2) Report back to the House with full details of the agreement.

(Notice given 18 November 2004)

571 Mr DRAPER to move—

That this House:

- (1) Notes that on 28 and 30 November 2004, the night temperature in the dormitories at Farrer Memorial Agricultural High School was recorded at 42 and 37 degrees celsius respectively.
- (2) Notes some boarders are now sleeping on mattresses outside the buildings, on the floor and in corridors.
- (3) Notes that the heat is affecting the boys' health with students suffering asthma, diabetes and nosebleeds.
- (4) Notes that parents and students have asked the Government to fund an electricity supply upgrade.
- (5) Calls on the Minister for Education and Training to provide funding to upgrade the power supply to these dormitories.

(Notice given 7 December 2004)

572 Mr WHAN to move—

That this House:

- (1) Notes comments by the Leader of The Nationals that daylight saving means “people had to put up with more sunlight at the hotter end of the day, robbing them of the early morning cool”.
- (2) Reminds The Nationals that daylight saving changes the clock not the weather and that daylight saving has strong support from residents of Monaro.

(Notice given 7 December 2004)

573 Mrs HOPWOOD to move—

That this House:

- (1) Congratulates the Federal Government on providing \$10 million funding for an upgrade to Lifeline telephony.

- (2) Notes that approximately 30 per cent of Sydney metropolitan calls to Lifeline cannot be answered using the current system.
- (3) Notes the Victorian Government has provided an extra \$1 million to assist Lifeline with related costs.
- (4) Urges the New South Wales Government to provide similar funding to Lifeline.

(Notice given 7 December 2004)

574 Ms KENEALLY to move—

That this House:

- (1) Notes that 59 teachers from New South Wales were recently honoured with a New South Wales Quality Teaching Award, presented by the New South Wales Minister for Education and Training and the Australian College of Educators.
- (2) Notes that J.J. Cahill Memorial High School is the only school in the history of the award where three teachers have won in the same year.
- (3) Congratulates Susan Cutsforth, Carmelina Presutto and Nigel King from J.J. Cahill for winning the New South Wales Quality Teaching Award in 2004.

(Notice given 7 December 2004)

575 Mr TORBAY to move—

That this House congratulates Dawn Fardell on her by-election victory in Dubbo.

(Notice given 7 December 2004)

576 Mr O'FARRELL to move—

That this House:

- (1) Notes the campaign of the Member for Dubbo and her use of the memory of Tony McGrane to secure election.
- (2) Notes the first action of the Member for Dubbo following her election was to cease to employ all of the late Tony McGrane's electorate staff.
- (3) Notes the Member for Dubbo's unsubstantiated claim that Tony McGrane's former staff were guilty of blackmail.
- (4) Calls upon the Member for Dubbo to apologise for her manipulation of the reputation and good works of the late Tony McGrane.

(Notice given 8 December 2004)

577 Ms D'AMORE to move—

That this House:

- (1) Congratulates the State Government and the Minister for Housing for the \$1.96 million, 14 unit community housing for senior women in the state seat of Drummoyne.

- (2) Acknowledges the role of the Women's Housing Company in facilitating specialist social housing for women in New South Wales.
- (3) Notes the collaboration between the New South Wales Department of Housing, Office of Community Housing and the Women's Housing Company in this successful community project.

(Notice given 8 December 2004)

578 Mr ARMSTRONG to move—

That this House notes an invitation from the residents of the Lachlan Electorate to visit its towns and villages, and particularly Lake Cargelligo, to join in the celebration of Christmas in those towns and appreciate the extensive, imaginative and exciting Christmas decorations in most houses and shops.

(Notice given 8 December 2004)

579 Mr ORKOPOULOS to move—

That this House:

- (1) Notes with concern serious allegations of branch stacking in the Liberal Party in Bankstown and other suburbs, masterminded by the Hon David Clark MLC.
- (2) Expresses its concern that this Member's action distorts his party's preselection process, in targeting the Members for Baulkham Hills, The Hills, Hawkesbury and Members of the Legislative Council, Don Harwin, Patricia Forsyth and John Ryan.
- (3) Calls on the Hon David Clark to cease his intolerant and extremist politics.

(Notice given 8 December 2004)

580 Mr CANSDELL to move—

That this House:

- (1) Notes the Grafton United Hospital Auxiliary raised \$11,000 to buy 25 deep mattresses for Grafton Base Hospital for elderly and other patients.
- (2) Notes the mattresses were approved and welcomed by senior hospital management.
- (3) Condemns the actions of the Area Health Service which over-rode the wishes of the auxiliary and the hospital and rejected the purchases, thereby demonstrating that this Government's health restructure is further disenfranchising local people from their local hospitals.

(Notice given 8 December 2004)

581 Mr WHAN to move—

That this House notes:

- (1) Comments by Federal member Alby Schultz that it was "disgusting the Federal Government was using road funding to buy votes in National Party electorates rather than building the Murrumbateman bypass".

- (2) That as well as failing the people of Murrumbateman and the South-East, the Federal Government's targeted allocation of funding has also failed to save the ailing Nationals.

(Notice given 8 December 2004)

582 Mr PAGE to move—

That this House notes:

- (1) The Premier deliberately misled Parliament on 7 December 2004 in relation to the Dubbo by-election.
- (2) The booth figures the Premier quoted were incorrect, and that contrary to his assertions, The Nationals achieved a positive overall swing of over 4 percent, including 4 percent at Wellington, 11 percent at Mumbil and 3 percent at Wesley booth.
- (3) The Labor Party's vote in Dubbo has dropped from 28 percent in 1995, to 15 percent in 2003 and to zero in the 2004 by-election.

(Notice given 8 December 2004)

583 Mrs SKINNER to move—

That this House:

- (1) Notes that the Strathfield Regional Community College has had its funding cut by approximately \$145,000, equal to 36 per cent, because of the Government's funding cuts.
- (2) Notes that the College is now considering cutting the 20 percent discount given to pensioners and the unemployed.
- (3) Notes that the Member for Strathfield defended the Government's cuts and said that she would take the concerns of the College to the Minister for Education and Training.
- (4) Calls on the Member for Strathfield to explain how she is able to defend the funding cuts which disadvantage pensioners and the unemployed, and what she has done to raise community concerns with the Minister.

(Notice given 8 December 2004)

584 Mr STONER to move—

That this House:

- (1) Notes that children in Parkes and other community swimming clubs around New South Wales will now no longer receive free swimming lessons due to the high cost of public liability insurance.
- (2) Notes that people from inland areas are amongst the high risk groups for drowning and that the Government is advising parents to have their children taught how to swim.
- (3) Condemns the Government for failing to bring public liability costs under control.

(Notice given 8 December 2004)

585 Mr BROGDEN to move—

That this House:

- (1) Condemns the Government's progressive downgrade and closure of Mona Vale and Manly Hospitals.
- (2) Calls on the Minister for Health to guarantee intensive care services at Mona Vale Hospital.
- (3) Supports 18,000 Northern Beaches residents who have signed petitions demanding the Government retain and upgrade Mona Vale and Manly Hospitals.

(Notice given 8 December 2004)

586 Mr BARR to move—

That this House:

- (1) Notes the winds of change blowing through the Chamber following the Dubbo by-election win by an Independent.
- (2) Notes that on 11 - 12 December 2004 the meeting of the State Council of the NSW Liberal Party is likely to abandon the inter party agreement and endorse three cornered contests.
- (3) Calls on The Nationals to respond to this proposal by standing a Nationals candidate in Manly at the next State election.

(Notice given 8 December 2004)

587 Mr DRAPER to move—

That this House:

- (1) Notes the result of the Dubbo by-election and congratulates Independent MP Dawn Fardell.
- (2) Notes that Clubs NSW endorsed The Nationals candidate despite both Tony McGrane and Dawn Fardell previously supporting the club movement.
- (3) Notes that the Shadow Minister for Gaming and Racing stated that "the clubs movement in the Dubbo electorate have got right behind this campaign and it will be a litmus test when this by-election is held tomorrow".
- (4) Calls on CEO David Costello and Chairman Peter Newell to immediately resign for using the Dubbo RSL club membership base for political purposes.

(Notice given 8 December 2004)

588 Mr OAKESHOTT to move—

That this House:

- (1) Recognises the division within The Nationals ranks, with the Queensland Nationals Leader calling for a merger with the Liberals, whilst at the same time the Leader of the NSW Nationals takes an opposite position.

- (2) Calls for an end to hostilities between the two Leaders of the Nationals, and offers “ a panel of Independent experts” to mediate a merger agreement between the NSW Liberals and the NSW Nationals as a matter of urgency.

(Notice given 8 December 2004)

589 Mr TORBAY to move—

That this House notes the State Liberal Party executive post mortem on the Dubbo by-election and the 18 February 2004 Wee Waa News which reported:

- (1) “They (The Nationals) went backwards at the last NSW State election and they keep losing seats to independents..”.
- (2) “Their policies have been absolutely disastrous for rural Australia – hence the rise of new, smaller parties and independents”.
- (3) “Even many diehard but disillusioned party supporters are dropping off in disgust”.
- (4) “Many bush branch meetings could virtually be held in a telephone box”.

(Notice given 8 December 2004)

590 Mr STONER to move—

That this House:

- (1) Notes the completion of the 18-month water efficiency study undertaken in the Murrumbidgee Valley by Pratt Water entitled “The Business of Saving Water”.
- (2) Notes the report confirms the importance of the National Water Initiative.
- (3) Calls on the State Government to immediately recommit to the National Water Initiative.

(Notice given 9 December 2004)

591 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes the release of a report to RailCorp which states that building residential apartments over railway lines is inherently problematic and could pose safety risks.
- (2) Calls on the Government to give an unequivocal assurance that it will address these serious concerns prior to proceeding to build an additional three towers over the Chatswood rail corridor.

(Notice given 9 December 2004)

592 Mr PICCOLI to move—

That this House:

- (1) Notes the danger to the NSW citrus industry posed by the outbreak of citrus canker in Queensland.

BUSINESS PAPER
Wednesday 12 October 2005

- (2) Urges the Government to help protect the NSW citrus industry by supporting the immediate pre-emptive destruction of all host trees from the Emerald Pest Quarantine Area as recommended by the Australian Citrus Growers Association.

(Notice given 9 December 2004)

593 Mrs HOPWOOD to move—

That this House:

- (1) Congratulates the work of Frank Bottomley, organiser of “Stop the 4 o’clock Knock” or “Safe As”.
- (2) Commends his forum held on Thursday 2 December 2004 at Hornsby RSL where the Police, Fire Brigade personnel and others spoke about the challenges facing young drivers.

(Notice given 9 December 2004)

594 Mr CANSDELL to move—

That this House:

- (1) Notes the collapse in public support for the Government, owing to unprecedented mismanagement of the State’s economy and infrastructure.
- (2) Notes that the Premier is jumping ship to his recently acquired, stamp duty-free, New Zealand mansion.
- (3) Expresses its concern at the conflict between the Minister for Roads, the Minister for Planning, the Minister for Health, the Minister for Police, and the Minister for Energy and Utilities.
- (4) Anticipates this leadership battle can only end in the Member for Blacktown becoming the new leader.

(Notice given 9 December 2004)

595 Mr CONSTANCE to move—

That this House:

- (1) Notes the release of the route inspection of the Princes Highway undertaken by the Roads and Traffic Authority between 20-23 September 2004.
- (2) Calls on the Minister for Roads to save lives on the basis of this inspection and allocate an additional \$200 million to the Princes Highway.

(Notice given 9 December 2004)

596 Mr R.W. TURNER to move—

That this House:

- (1) Recognises that 21 ambassadors and heads of trade missions from the European Union visited Orange in the week of 6 December 2004.

- (2) Notes that this is the first time that a regional centre in NSW has been visited by so many overseas diplomats at the one time.
- (3) Calls on the Government to have the same foresight as these 21 European Union countries in recognising that Orange and other regional centres do exist on the western side of the Great Dividing Range.

(Notice given 9 December 2004)

597 Mr DRAPER to move—

That this House:

- (1) Notes that since the Baan Baa railway level crossing accident, buses have replaced many rail services in the northwest.
- (2) Notes that the Government has attributed the change to buses to the need to await repairs to the damaged rolling stock.
- (3) Notes that, as a result, communities in the northwest including Gunnedah hold serious concerns about the long-term future of their rail service.
- (4) Calls on the Government to cancel the bus service and restore a daily train service to this track.

(Notice given 9 December 2004)

598 Mrs HOPWOOD to move—

That this House:

- (1) Congratulates the Rotary Club of Thornleigh on its organisation of Carols by Candlelight at Ruddock Park in Westleigh on Sunday 5 December 2004.
- (2) Notes the integral involvement of the Thornleigh Baptist Church, the Hornsby State Emergency Services team and the local Rural Fire Service.

(Notice given 9 December 2004)

599 Mr PICCOLI to move—

That this House notes that the Member for Murray-Darling's Christmas letter notes:

- (1) Politically 2004 was not a good year for someone of his persuasion.
- (2) The local council election in Broken Hill produced the lowest vote for Labor since the 1890s.
- (3) That the State Government, without consultation, announced that the Far West Area Health Service would be subsumed into Dubbo.

(Notice given 9 December 2004)

600 Mr ARMSTRONG to move—

That this House:

BUSINESS PAPER
Wednesday 12 October 2005

- (1) Notes the enormous contribution rural and regional shows, which are managed principally by volunteers on a not for profit basis, make to the fabric of our communities.
- (2) Condemns the Government for charging the Dubbo Show Society \$15,000 to have local Police attend the event, and for threatening to charge the Society \$30,000 in 2006.
- (3) Calls on the Government to immediately waive the fees given the importance of this community event, staged by no less than 1,000 volunteers.

(Notice given 22 February 2005)

601 Ms JUDGE to move—

That this House:

- (1) Condemns the Federal Government policy on childcare, in particular its under-funding of quality services to children under the age of two.
- (2) Calls upon the Federal Government to increase the child care benefit for children under two.
- (3) Notes the high demand for childcare services and calls upon the Federal Government to increase the funding for new childcare centres.

(Notice given 22 February 2005)

602 Mr STONER to move—

That this House:

- (1) notes the Government's changes to Crown Land road enclosures, including greatly increasing rents and landholder fees, plus the market value of the land, to convert it to freehold, impacting on more than 32,000 property owners.
- (2) Notes the record of a meeting the Minister for Lands had with Kempsey Shire Council where the Minister stated that under its new structure the Department of Lands is required to return to Treasury a dividend of \$34 million.
- (3) Condemns this tax grab of at least \$12 million a year from drought affected farmers and rural communities and calls for a simpler, less costly, system based on a qualified title for such parcels of Crown Land.

(Notice given 23 February 2005)

603 Mr LYNCH to move—

That this House:

- (1) Calls on the Leader of the Opposition to explain why his office made representations on 23 December 2004 to the Attorney-General on behalf of convicted paedophile, Roger David Cheney and then later stated that his colleague, the Honourable Patricia Forsythe, MLC and a junior member of staff made the representations.
- (2) Notes these representations took place two weeks after the Leader of the Opposition defended the Shadow Attorney-General and Member for Epping on 8 December 2004 over the same paedophile.

- (3) Calls on the Leader of the Opposition to publicly apologise to the victims of Roger David Cheney.

(Notice given 23 February 2005)

604 Mr HARTCHER to move—

That this House:

- (1) Endorses the comments by the member for Charlestown that the Government would lose power right now if an election were held.
- (2) Endorses the comments by the member for Swansea as reported in the Newcastle Herald of 10 February 2005.
- (3) Endorses the comments by the Member for Wallsend that there are issues that people in the Hunter are not happy about.
- (4) Calls upon the Government to respond to the Members' concerns.

(Notice given 23 February 2005)

605 Mr BROWN to move—

That this House:

- (1) Notes the sad passing of Dr Ray Cleary.
- (2) Pays tribute to Dr Cleary's outstanding contribution to education, health and the South Coast community.
- (3) Forwards our sympathies to his wife, Zita, and his family.

(Notice given 23 February 2005)

606 Mr HUMPHERSON to move—

That this House:

- (1) Notes the document tabled in the Legislative Council entitled "Abuse of Power" which details internal Labor Party branch stacking, fraud, falsification of documents and bribery by former Young Labor officials.
- (2) Condemns the personal involvement in these activities of the Minister for Community Services, and the newly appointed Minister for Housing.

(Notice given 24 February 2005)

607 Mr HARTCHER to move—

That this House:

- (1) Notes that the Government has announced its intention to remove a teacher from Narara Primary School because the school is one pupil below the scheduled limit.
- (2) Further notes the population of Narara is growing with new housing development.

BUSINESS PAPER
Wednesday 12 October 2005

- (3) Calls on the Member for Peats, in whose electorate this school is situated, and the Minister for Education and Training to halt the removal of this teacher until a proper study of Narara's demographics can be conducted.

(Notice given 24 February 2005)

608 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes that New South Wales has 14.3 mental health beds in public hospitals per 100,000 people which is the worst ratio of all States and Territories in Australia, bar one.
- (2) Notes the Government's failure to announce the continuation of essential community based mental health facilities such as those located at Chatswood and Cremorne.
- (3) Condemns the Minister for Health for continually making old announcements rather than addressing the mental health crisis in NSW.

(Notice given 24 February 2005)

609 Mrs PALUZZANO to move—

That this House:

- (1) Acknowledges the 2005 World Cup for Canoe Slalom is to be held at Penrith Whitewater Stadium in September 2005.
- (2) Congratulates the Government, in particular the Minister for Sport and Recreation and the Treasurer, for committing \$500,000 to support this event.
- (3) Welcomes the pre-world events that promote the development of the sport of slalom.

(Notice given 24 February 2005)

610 Mr RICHARDSON to move—

That this House:

- (1) Notes the article by Jeff Corbett, "Local MPs on the line", published in the Newcastle Herald on 6 December 2004.
- (2) Notes the description of the Members for Newcastle, Wallsend, Lake Macquarie, Charlestown and Swansea as "politically crippled", "ineffective", "politically inept" and "inconsequential".
- (3) Notes that on 27 January 2005 in an editorial leader, "Whose MPs are these?", the same paper questioned the commitment of the Member for Swansea's and the Member for Charlestown's commitment to their electorates.

(Notice given 24 February 2005)

611 Mrs SKINNER to move—

That this House:

- (1) Notes that all local doctors practising in Mosman have signed a petition to this Parliament, calling on the Government to retain community mental health services at Cremorne.
- (2) Calls on the Minister for Health to immediately adopt recommendations from the December Community Consultation and Planning Workshop, that Cremorne Mental Health Centre be kept on its present site.

(Notice given 24 February 2005)

612 Ms HODGKINSON to move—

That this House:

- (1) Notes the importance of the CityRail services between Goulburn and Sydney to commuters, pensioners, disabled persons and young people.
- (2) Expresses its concern at the Government's proposed cuts to existing CityRail services to Goulburn.
- (3) Calls on the Government to ensure that there is no reduction in the number of CityRail services on the Southern Highlands line.

(Notice given 24 February 2005)

613 Mr CONSTANCE to move—

That this House:

- (1) Notes the concern of parents that children are being taught in a school library due to a lack of classrooms at Sunshine Bay Public School.
- (2) Calls on the Minister for Education and Training to expedite the construction of a permanent classroom and, as an interim measure, immediately place a demountable at the school.

(Notice given 24 February 2005)

614 Mr PRINGLE to move—

That this House calls on the Minister for Education and Training to reverse the decision to sell the former Grose Wold School site and retain it for community and educational purposes.

(Notice given 24 February 2005)

615 Mr ARMSTRONG to move—

That this House:

- (1) Calls for an urgent review to be conducted into security for staff and patients at the Lake Cargelligo Multi Purpose Health Service (MPS).
- (2) Notes a recent incident at the MPS wherein doctors, nurses and patients felt at personal risk from a group of people who arrived with an emergency case late on a Saturday night.
- (3) Notes police were called and were required to control the incident.

(Notice given 24 February 2005)

616 Mrs HOPWOOD to move—

That this House:

- (1) Notes the poor attention to maintenance in many of the schools in the Hornsby electorate including Waitara Public School where toilets overflow, guttering needs attention and stormwater drains flood in wet weather.
- (2) Condemns the Government for its lack of efficiency in meeting the maintenance needs of our schools thereby lessening the educational experience of our school children.

(Notice given 24 February 2005)

617 Mr R.W. TURNER to move—

That this House:

- (1) Calls on the Minister for Health to concede that the Greater Western Area Health Service covering some 60% of the State is unworkable in its present form.
- (2) Notes the current proposal by the Chief Executive Officer to reduce the proposed 6 clusters down to 3 will make the Greater Western Area Health Service even more unworkable.
- (3) Calls upon the Minister for Health to immediately announce the composition of the board of the Greater Western Area Health Service that was to be announced on 1 February 2005.

(Notice given 24 February 2005)

618 Mrs SKINNER to move—

That this House calls on the Government to:

- (1) Provide funding for air conditioning at Parry School in Tamworth, which is participating in the Coalition's Classroom Hot Watch Project and has recorded temperatures of up to 60 degrees in a shed that is being used as a classroom.
- (2) Change guidelines which effectively mean that hardly any permanent classrooms are eligible for cooling.

(Notice given 24 February 2005)

619 Mr CONSTANCE to move—

That this House commiserates with the Member for Bathurst for losing the caucus ballot by 36 votes to 13 for a ministerial position.

(Notice given 24 February 2005)

620 Ms HODGKINSON to move—

That this House notes:

- (1) That business confidence in NSW is continuing to fall to record low levels and remains the lowest of any State or Territory.

- (2) The crippling effects that Government policies, including high taxes and unreasonable compliance burdens, are having on businesses located within this State.

(Notice given 24 February 2005)

621 Mr WHAN to move—

That this House:

- (1) Condemns the Federal Treasurer for his attack on nurses, teachers, police officers and other hard working State public servants through his suggestion that State Governments spend too much on salaries.
- (2) Notes that the \$9 billion black hole in the State Opposition's promises could only be made up through the massive job cuts alluded to by the Federal Treasurer.
- (3) Rejects the Liberal Party's prescription of lower salaries or sackings as a solution to inadequate Federal funding for vital community services.

(Notice given 1 March 2005)

622 Ms HAY to move—

That this House condemns the Federal Government for:

- (1) Repeatedly ignoring the Illawarra region's requests for a Magnetic Resonance Imaging (MRI) license for Wollongong Hospital.
- (2) Failing to provide sufficient health care funding to people in regional areas such as Wollongong.
- (3) Preferring to provide more licenses for Sydney's North Shore where four federally licensed MRI machines exist rather than provide a license for the major Illawarra regional hospital of Wollongong.

(Notice given 1 March 2005)

623 Mr ASHTON to move—

That this House congratulates Dr Geoff Gallop and the Australian Labor Party on their convincing re-election in Western Australia.

(Notice given 1 March 2005)

- (2) Acknowledges the tremendous work of New South Wales teachers in the education and development of our young people.
- (3) Notes that the standards ensure new teachers have the appropriate skills, knowledge and training to be effective from their first day in the classroom.

(Notice given 1 March 2005)

625 Mr MILLS to move—

That this House:

- (1) Notes the death of Peter Benenson, founder of the worldwide human rights organisations' Amnesty International in 1961.
- (2) Expresses grave concerns that there are still occurring abuses of human rights to physical and mental integrity, freedom of conscience and expression, and freedom from discrimination.
- (3) Reaffirms the commitment of this Parliament to maintaining and upholding international human rights standards for every person.

(Notice given 2 March 2005)

626 Mr STONER to move—

That this House:

- (1) Notes the dismay of country and coastal small business owners in relation to the Government's Occupational Health and Safety Legislation Amendment (Workplace Fatalities) Bill.
- (2) Notes The Nationals and Liberals are holding public forums to warn about this legislation, which treats every employer as a criminal.
- (3) Notes The Nationals and Liberals have rejected the proposed legislation and will vote against it.
- (4) Condemns Country Labor's silence on an issue that will greatly impact on people living in their electorates.

(Notice given 2 March 2005)

627 Ms HODGKINSON to move—

That this House notes the concern of rural employers that the Occupational Health and Safety Legislation Amendment (Workplace Fatalities) Bill and the Rural Workers Accommodation Bill have the potential to place such onerous obligations on employers that many are likely to stop taking on employees altogether.

(Notice given 3 March 2005)

628 Ms HAY to move—

That this House:

- (1) Condemns the Federal Government for ignoring the plight of thousands of potential nursing students by failing to provide sufficient university places.
- (2) Congratulates the Minister for Health and the State Government for introducing a program to allow students interested in a nursing career to receive high school based training that will count towards a degree.

(Notice given 3 March 2005)

629 Mrs HANCOCK to move—

That this House:

- (1) Supports police in the Shoalhaven Local Area Command (SLAC) for their outstanding efforts in the local area despite limited resources.
- (2) Congratulates members of the SLAC who were deployed to Macquarie Fields for their extraordinary efforts and bravery.
- (3) Requests the Minister for Police to support police in the SLAC by abandoning plans to reduce numbers by fourteen.

(Notice given 3 March 2005)

630 Mr ORKOPOULOS to move—

That this House:

- (1) Notes with concern allegations of branch stacking in the Liberal Party in Hawkesbury and other electorates, masterminded by the Hon David Clark MLC.
- (2) Expresses its concern that allegations of assault and intimidation at a formation meeting of the Beaumont Hills branch at Castle Hill in January 2005 are now the subject of police investigation.
- (3) Notes complaints of violence and intimidation at a branch formation meeting at Bankstown in 2004 where witnesses identified firearms being used to intimidate people wanting to join the Liberal Party.
- (4) Calls for these tactics to cease.

(Notice given 3 March 2005)

That this House calls on the Minister for Education and Training to address outstanding maintenance issues as identified by teachers at Castle Cove, Northbridge and Artarmon Public Schools.

(Notice given 3 March 2005)

632 Ms JUDGE to move—

That this House:

- (1) Congratulates the Minister for the Environment and the Environment Trust on setting up Environmental Trust Grants worth \$6.3 million that are available for a variety of programs.
- (2) Notes the award of one of these grants to Burwood Public School.
- (3) Congratulates the students and staff of Burwood Public School on their innovative submission, "Design Competition and Program Plan".
- (4) Recognises the important role the environment plays in a child's education.

(Notice given 3 March 2005)

633 Mr HAZZARD to move—

That this House:

- (1) Notes that the Mayor of Manly Cr Peter Macdonald stated on 3 March 2005 that he is “bitterly disappointed” at the Government’s intention to deliver two lanes on Spit Bridge without addressing the integrated transport needs of the northern beaches.
- (2) Note that the Member for Manly has sold out Peter Macdonald and the people of Manly by accepting a clayton’s solution to the Peninsula’s traffic woes which will only move the traffic jam from the Spit Bridge to 20 metres up the road.

(Notice given 3 March 2005)

634 Mrs SKINNER to move—

That this House:

- (1) Condemns the Government for its failure to properly fund special schools.
- (2) Notes that the mother of an autistic child who had been attending Inala School, Cherrybrook has received a letter from the school saying it was closing because of lack of State Government funding.

(Notice given 3 March 2005)

635 Mr FRASER to move—

That this House notes the contents of a letter from the Member for Wyong to the Government Whip recording that he was not put on the Ministerial Backbench Policy Committee of the Minister for Gaming and Racing despite it being nominated as his number one priority.

(Notice given 3 March 2005)

636 Mr STONER to move—

That this House:

- (1) Notes the Victorian Government has signed the National Water Initiative while the Queensland Government is signalling it is ready to come back on board.
- (2) Notes the NSW Government is still procrastinating and refusing to sign up.
- (3) Calls on Government Members to pressure the Premier to sign the Initiative so NSW can share in the economic, environmental and social benefits of the Initiative.

(Notice given 3 March 2005)

637 Mr TORBAY to move—

That this House:

- (1) Notes the article in the Northern Daily Leader of 3 March 2005 headed “Nationals ‘will support sale’”.

- (2) Notes comments by Nationals Senate Leader Ron Boswell who said, “All Nationals MPs and senators would stand united on Telstra’s full privatisation”.
- (3) Notes the overwhelming public opposition to the sale of Telstra particularly in regional areas of NSW from residents and lobby groups such as NSW Farmers.
- (4) Call on the NSW Nationals to stand up to their Federal counterparts and support regional and rural NSW by rejecting any full privatisation plans for Telstra.

(Notice given 3 March 2005)

638 Mr HARTCHER to move—

That this House notes the support of the Federal Leader of the Opposition for a single national industrial relations system.

(Notice given 3 March 2005)

639 Mrs HOPWOOD to move—

That this House:

- (1) Congratulates the Hornsby Lions Club for their keen interest in establishing a Sydney House, similar to those in Brisbane and Melbourne, for people who suffer an eating disorder.
- (2) Thanks Bronte Cullis and her mother Jan who are coming to Sydney on 10 March 2005 to speak at the Anorexia Nervosa Forum at the Hornsby RSL Club.
- (3) Congratulates the Hornsby RSL Club for their generosity in providing a venue at no charge to the Forum.

(Notice given 3 March 2005)

640 Mr GEORGE to move—

That this House

- (1) Condemns the Minister for Primary Industries and the Government for their mishandling of the tendering process for the supply of identification ear tags in compliance with the National Livestock Identification Scheme.
- (2) Calls on the Government to reimburse the 13,000 producers and rural stores who have already purchased 1.3 million tags which are now overpriced.
- (3) Calls for the Government to compensate producers and affected businesses at \$1.40 per tag immediately.

(Notice given 3 March 2005)

641 Mr CANSDELL to move—

That this House:

- (1) Notes the ongoing anti-social behaviour by youth on the streets of Yamba on Friday and Saturday nights.

BUSINESS PAPER
Wednesday 12 October 2005

- (2) Congratulates local resident Des Flatley and drug and alcohol counsellor Barry Dillon for initiating, at their own expense, the Feed The Kids program on Friday and Saturday nights.
- (3) Recognises that their initial success could be short-lived without financial support from the State Government.

(Notice given 3 March 2005)

642 Mr HUMPHERSON to move—

That this House calls on the Minister for Transport to explain:

- (1) What he meant when he said that he would improve communication to train commuters in relations to delays.

That this House condemns the Government for refusing to allow parents a real role in the selection of school principals.

(Notice given 3 March 2005)

644 Mr CONSTANCE to move—

That this House:

- (1) Notes the frustrations expressed by health professionals based at Bega and Pambula Hospitals and the Bega Medical Staff Council Chairman, Dr Gareth Long who in an article in the Merimbula News Weekly on Tuesday 2 March 2005 called facilities at both hospitals “atrocious”.
- (2) Calls on the Minister for Health to upgrade and reconfigure the operating theatres and emergency departments at Bega Hospital as an interim measure until a new regional based facility can be built.

(Notice given 3 March 2005)

645 Mrs HANCOCK to move—

That this House:

- (1) Notes the Shoalhaven City Council’s recent support for alternatives to the Government’s plans to solve Sydney’s waters crisis.
- (2) Calls on the Premiers and Ministers to:
 - (a) immediately explore options which do not massively increase water extraction from the Shoalhaven River; and
 - (b) explore environmentally sustainable solutions, which do not threaten the ecology and biodiversity of the Shoalhaven River.

(Notice given 3 March 2005)

646 Mr HAZZARD to move—

That this House:

- (1) Notes in the last three years blackouts caused by substation failures to the west and south of Sydney have increased by 344%.
- (2) Notes the average outage three years ago of 517 minutes has increased in 2004 to 1,780 minutes.
- (3) Calls on the Government to renew electricity substation infrastructure by using some of the \$2.9 billion taken from EnergyAustralia in the last 10 years.

(Notice given 3 March 2005)

- (3) Calls upon the Minister Assisting the Minister for Infrastructure and Planning to heed residents' concerns to ensure past planning mistakes are not repeated.

(Notice given 22 March 2005)

BUSINESS PAPER
Wednesday 12 October 2005

650 Ms KENEALLY to move—

That this House:

- (1) Notes that Redfern Oval is wholly owned by the City of Sydney.
- (2) Notes that in 2004 the Lord Mayor of Sydney held a community consultation process regarding the future of Redfern Oval, including a community meeting where residents were divided on the issue, but the Lord Mayor expressed no view.
- (3) Notes the public support of the Member for Heffron for a community sports facility at Redfern Oval.
- (4) Calls on the Member for Bligh to put her views on Redfern Oval on the public record or acknowledge her conflict of interest on this issue.

(Notice given 22 March 2005)

651 Mr DRAPER to move—

That this House:

- (1) Notes that the Member for North Shore and Shadow Education spokesperson was quoted in the Namoi Valley Independent in March 2005 as saying the Government had been “leading the school community on” by promising funds for the construction of the Gunnedah South Public School hall, then doing nothing.
- (2) Notes that the Member for North Shore indicated in the newspaper that the Deputy Premier had announced in May 2003 a \$1.7 million structure would be built, but then failed to include the Deputy Premier’s qualifier “by the end of this term of the Parliament”.
- (3) Calls on the Member for North Shore to provide details of the Opposition’s funding commitment to the proposed hall for Gunnedah South Public School.

(Notice given 22 March 2005)

652 Mr WHAN to move—

That this House:

- (1) Notes comments by the Hon Melinda Pavey MLC, at a public meeting in Cooma on 7 March 2005 that land owners should be able to subdivide and build on rural land contrary to Cooma-Monaro Council’s Local Environmental Plan.
- (2) Notes this comment means The Nationals support the State Government overruling a decision made by the elected local council.
- (3) Condemns The Nationals for making policy on the run and saying whatever their last audience wants to hear.

(Notice given 22 March 2005)

653 Mrs FARDELL to move—

That this House supports the New South Wales Police Force.

(Notice given 22 March 2005)

(Notice given 24 March 2005)

666 Mrs HOPWOOD to move—

That this House:

- (1) Notes the important work of the Leukaemia Foundation, the only national not-for-profit organisation dedicated to the care and cure of families living with leukaemias, lymphomas, myeloma and related blood disorders.
- (2) Congratulates The Shaver Shop in Hornsby Westfield for their tremendous efforts in raising money through the “World’s Greatest Shave (to care and cure)” and the success of the fundraising event held on Saturday 12 March 2005.

(Notice given 24 March 2005)

667 Mr RICHARDSON to move—

That this House:

- (1) Notes that in March 2005, 900 marijuana plants and 15kg of harvested marijuana with an estimated street value of \$3 million were discovered in Barool National Park in the Northern Tablelands.
- (2) Notes that up to 20 hectares of trees were destroyed to provide space for the marijuana plantation.
- (3) Calls on the Government to provide adequate resources and aerial surveillance to ensure that criminal activities which cause environmental destruction do not continue to blight the NSW National Parks estate.

(Notice given 24 March 2005)

668 Ms SEATON to move—

That this House condemns the Minister for Energy and Utilities for failing to direct Sydney Water to deliver the gravity operated sewage system originally agreed with residents of Belimbla Park, and in particular notes:

- (1) The Minister’s refusal to meet residents on the issue.
- (2) That the extra costs of the system, around \$360 per year, will be borne by residents.
- (3) The endorsement by the Department of Planning and Natural Resources of a chemical dosing plant near the children’s bus stop.
- (4) Concerns that vent pipes will now be required to make the system work.
- (5) Fears the low pressure pipe system will lead to sewage overflows into Warragamba Dam.

(Notice given 24 March 2005)

669 Mr PRINGLE to move—

That this House:

- (1) Notes the enormous contribution rural and regional shows, which are managed principally by volunteers on a not for profit basis, make to the fabric of our communities.
- (2) Condemns the Government for charging the Hawkesbury Show Society \$14,000 to have local Police attend the event, and for threatening to charge the Society more in 2006.
- (3) Calls on the Government to immediately waive the fees, given the importance of this community event, which is staged by thousands of volunteers.

(Notice given 24 March 2005)

670 Mr STONER to move—

That this House:

- (1) Notes the Government's betrayal of farmers in relation to native vegetation laws, particularly by forcing farmer groups to compromise on the Sinclair Report which was meant to be the basis of the legislation.
- (2) Notes the NSW Farmers' Association has labeled the Property Vegetation Plans a "flop".
- (3) Notes civil disobedience is brewing across the State due to the State Government's betrayal on this issue.

(Notice given 24 March 2005)

671 Ms KENEALLY to move—

That this House:

- (1) Notes that Prince of Wales Hospital in Randwick has added 100 new, permanent beds in the last 12 months.
- (2) Notes that 20 of these beds are new mental health beds.
- (3) Congratulates the Minister for Health and the Parliamentary Secretary Assisting the Minister for Health for their efforts to increase health services in South Sydney and the Eastern Suburbs.

(Notice given 24 March 2005)

672 Mr CANSDELL to move—

That this House:

- (1) Notes Palmers Island Pit Stop general store owners Graham and Kris Downings' application for a liquor licence.
- (2) Notes Woolworths lodged a last minute objection to their application putting the \$10,000 they have already spent getting Roads and Traffic Authority approval in jeopardy.
- (3) Notes this hard-working couple's concern that Woolworths is trying to smother any competition.

- (4) Calls on Woolworths to reconsider its objections.

(Notice given 24 March 2005)

673 Mrs SKINNER to move—

That this House calls on the Government to provide funding for work to commence on the long promised hall for Gunnedah South Public School.

That this House:

- (1) Notes the Slim Dusty Foundation function held in NSW Parliament on 23 March 2005.
- (2) Supports the Foundation's proposed Slim Dusty Centre at Kempsey, a facility to promote the Australian music industry, encourage regional tourism and provide much-needed jobs in a high unemployment area.
- (3) Congratulates the Federal Government for its commitment of \$1.5m towards the Slim Dusty Centre.
- (4) Calls on the State Government to match the Federal funding towards this iconic drawcard to Kempsey.

(Notice given 24 March 2005)

675 Mr CANSDELL to move—

That this House:

- (1) Condemns the Government's failure to ensure the Aboriginal and non-Aboriginal peoples of Baryulgil are included in any settlement of claims relating to asbestosis related illnesses.
- (2) Notes that Baryulgil elders have publicly expressed their concern that the Government and the Australian Council of Trade Unions have failed to protect Baryulgil people.
- (3) Calls on the Government to urgently meet with elders of the Aboriginal community to take up the fight on behalf of this most disadvantaged group of people.

(Notice given 24 March 2005)

676 Ms HODGKINSON to move—

That this House expresses its deep sympathy to the family, friends and work colleagues of Police Constable Graeme John Lees who died in a single vehicle accident on the Federal Highway on 4 April 2005 while driving to Queanbeyan Police Station.

(Notice given 5 April 2005)

677 Ms SEATON to move—

That this House:

- (1) Notes the Government's mismanagement of Illawarra health services, including the lack of available beds and air ambulance capacity;
- (2) Notes the distress endured by the parents of a premature baby boy, born at Canberra Hospital, who was stranded with his mother at Canberra for 4 days because of the lack of beds in NSW and the unavailability of an air ambulance to return them to Wollongong Hospital; and
- (3) Calls on the Government to stop taking Illawarra families for granted.

(Notice given 5 April 2005)

678 Ms BURNEY to move—

That this House notes with concern:

- (1) The capacity for Telstra to override the concerns of residents regarding the installation of mobile telephone towers, even after a lengthy consultation process;
- (2) That Telstra can override the wishes of owners of buildings they want to use to erect such towers; and
- (3) That whilst Telstra is publicly owned, it continues to abuse its market power against ordinary citizens.

(Notice given 5 April 2005)

679 Ms KENEALLY to move—

That this House:

- (1) Notes that as of 31 March 2005, the City of Sydney website lists 43 "City Improvements", such as the \$20 million upgrade to Oxford Street;
- (2) Notes that not one of these 43 City Improvements is specifically located south of Cleveland Street;
- (3) Calls on the Member for Bligh to advise the House when residents living in Redfern, Waterloo, Alexandria, Beaconsfield, Erskineville, Rosebery and Zetland might see the City of Sydney delivering "City Improvements" in their local area.

(Notice given 5 April 2005)

That this House:

- (1) Congratulates the Minister for Community Services on the opening of the new Department of Community Services (DOCS) office in Burwood;
- (2) Commends the Minister for her visit to the Strathfield electorate to meet with DOCS staff and local residents;
- (3) Notes the important role that DOCS plays in assisting local families, particularly those experiencing difficulties or hardships;

- (4) Commends the Government for its continuing commitment to the development and protection of NSW young people.

(Notice given 5 April 2005)

685 Mrs HOPWOOD to move—

That this House:

- (1) Acknowledges that people with a disability do not always exhibit physical signs of the condition that leaves them in a more vulnerable position in our community and which entitles them to a disability pension and card.
- (2) Notes that people with a mental illness have equal right to possess and use a disability pension card as those with a visible health problem.
- (3) Calls on the Government to ensure that there is no discrimination or comment made to any disabled pensioner in possession of such a card when they are accessing, for example, transport or entry into our national parks.

(Notice given 6 April 2005)

686 Ms D'AMORE to move—

That this House:

- (1) Acknowledges the devastating loss by fire of Dobroyd Aquatic Club on Sunday 3 April 2005.
- (2) Notes the clubhouse was built in 1964 at Rodd Point and has been the training ground for many elite sailors, Australian Olympic sailboarding representatives and sailability programs.
- (3) Congratulates the efforts of our local police officers, fire brigade and emergency services.
- (4) Notes the community support for the rebuilding of the Dobroyd Aquatic Club.

(Notice given 6 April 2005)

687 Mr DRAPER to move—

That this House:

- (1) Notes that work has commenced on the \$500,000 realignment of Manilla Road in Tamworth.
- (2) Notes that the community still holds valid concerns for the safety of motorists, pedestrians and local residents using Manilla Road.
- (3) Calls on the Minister for Roads to visit Tamworth and commit to completing road works on Manilla Road as a matter of urgency.

(Notice given 6 April 2005)

688 Mr ORKOPOULOS to move—

That this House:

BUSINESS PAPER
Wednesday 12 October 2005

- (1) Notes that the establishment of the new Belmont Birthing Service at Belmont Hospital has reached a milestone with bookings being accepted from expectant mothers.
- (2) Notes that the new birthing facilities are part of the Government's \$29 million redevelopment of Belmont Hospital.
- (3) Congratulates the midwives, medical staff and the Hunter/New England Area Health Service for their commitment to providing maternity services at Belmont Hospital, especially in offering a choice of natural childbirth for Hunter women.

(Notice given 6 April 2005)

(Notice given 6 April 2005)

690 Ms HAY to move—

That this House:

- (1) Condemns the Federal Government for refusing to ratify the Kyoto Protocol thus locking New South Wales out of growing international markets for greenhouse emission.
- (2) Congratulates the State Government for its stance on reducing greenhouse gases, taking the initiative with Victoria to spearhead the development of a State and Territory based emission trading scheme.
- (3) Recognises that a well designed scheme would encourage business to change trading behaviours and practices culminating in long term reductions of greenhouse gas emissions.

(Notice given 7 April 2005)

691 Mr STONER to move—

That this House:

- (1) Supports the widely accepted, effective and humane practice of mulesing in the New South Wales sheep industry.
- (2) Condemns the scare tactics of People for the Ethical Treatment of Animals in seeking to blackmail retailers into rejecting Australian wool.

(Notice given 7 April 2005)

692 Mr R.W. TURNER to move—

That this House:

- (1) Notes that the Government closed Cudal Hospital in 2001.
- (2) Notes that the residents and staff of Cudal Hospital were promised the new hospital would include 24 hour emergency care, general practitioner services and a 10 bed facility for elderly residents and sub and non-acute services.
- (3) Notes that despite promises by the Minister for Local Government that the hospital would be completed by July 2004, the hospital remains closed with no building activity in sight, much to the anger of local residents.
- (4) Calls on the Minister for Health to immediately come to Cudal and turn the first sod.

(Notice given 7 April 2005)

693 Mrs SKINNER to move—

That this House calls on the Government to provide funding in the May 2005 Budget to air condition Grahamstown Public School as the parents have been promised several times since 2003 that the job would be a priority.

(Notice given 7 April 2005)

694 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes the outstanding services provided by Bridgeway House, Parramatta for the mentally ill throughout Western Sydney.
- (2) Condemns the Government for its plans to close Bridgeway House and calls on the Minister for Health to immediately intervene to reinstate the Centre.

(Notice given 7 April 2005)

695 Ms GADIEL to move—

That this House:

- (1) Condemns the Member for Willoughby for her false accusations and scaremongering about Bridgeway House's mental health services, claiming it will close.
- (2) Supports the hard working staff at Bridgeway House.
- (3) Notes the strong support provided by the State Government including \$365,000 to run the House's services for about 45 people.
- (4) Notes Bridgeway House, which is currently located on Fleet Street, a major entrance to Cumberland Hospital campus, will be re-locating a mere 150 metres onto the Cumberland campus.
- (5) Congratulates the current Government for spending a record \$783 million on mental health services, as opposed to the previous Coalition Government's closure of 711 mental health beds.

(Notice given 7 April 2005)

BUSINESS PAPER
Wednesday 12 October 2005

696 Ms HODGKINSON to move—

That this House:

- (1) Notes with concern the media comments of Dr Jamieson of the Greater Southern Area Health Service on 31 March 2005 that the attendance of 260 Yass residents at a meeting to support the retention of services at Yass Hospital, was “not indicative of the community’s views”.
- (2) Notes that 1,472 Yass residents have signed a petition opposing the Greater Southern Area Health Service’s plan to downgrade services at Yass Hospital.
- (3) Notes that over 600 Yass residents attended a public meeting on 7 September 2004 and unanimously rejected the Greater Southern Area Health Service’s plans to downgrade Yass Hospital.
- (4) Calls on the Minister for Health to ensure that the views of the Yass Community are heard and that services at Yass Hospital are not downgraded.

(Notice given 7 April 2005)

697 Ms KENEALLY to move—

That this House:

- (1) Notes that a City of Sydney publication states that an \$8 million upgrade of Redfern Street “is the first major initiative in the City of Sydney’s program of revitalizing the Redfern District” and “currently on program to start construction works sometime in late 2004”.
- (2) Notes that to date no work has started on the Redfern Street upgrade.
- (3) Calls on the Member for Bligh to advise the House why the Council has commenced its upgrades to Oxford Street and Darlinghurst Road, at \$20 million each, but is neglecting Redfern Street.

(Notice given 7 April 2005)

698 Mr STONER to move—

That this House:

- (1) Supports the efforts of farmers to control feral animals such as foxes and wild dogs, by means such as the use of 1080 poison.
- (2) Condemns the extreme ideology of Animals Australia which seeks the banning of 1080, philosophically opposes farming and tolerates the extinction of endangered species due to feral animal impact.

(Notice given 7 April 2005)

699 Mrs SKINNER to move—

That this House:

- (1) Calls on the Government to accept in principle the concept, proposed by local parents and teaching staff, for a multi-campus school on the Goonoo Goonoo Road greenfield site it owns in Tamworth, to incorporate Tamworth West Public School, Tamworth High School, Bullimbal Special School, a new pre-school and other facilities to be shared by the community.

- (2) Calls for funding to be made available to start work on this project.

(Notice given 7 April 2005)

700 Mrs HOPWOOD to move—

That this House:

- (1) Notes the vicious assault on Gina Simpson (event No. 22880611) that took place on Saturday 22 January 2005 at North Sydney Station.
- (2) Notes the severe facial injuries inflicted by a punch from an allegedly intoxicated person that necessitated transfer to hospital via an ambulance and left Ms Simpson with symptoms associated with the attack.
- (3) Expresses concern that to this date the person who allegedly assaulted Ms Simpson has not been charged with any offence, and that attempts by Ms Simpson to obtain further details about the case from North Sydney Police Station have been met with confusion and contradiction.
- (4) Calls on the Minister for Police to thoroughly review this serious case so that when an assault has occurred the perpetrator is charged.

(Notice given 7 April 2005)

701 Ms BEREJIKLIAN to move—

That this House:

- (1) Acknowledges the historic motion passed in the Legislative Assembly in 1997 condemning the Armenian genocide of 1915.
- (2) Notes the 90th Anniversary of the Armenian genocide on 24 April 2005.

(Notice given 7 April 2005)

702 Mr HUMPHERSON to move—

That this House calls on the Government to listen to the residents of East Lindfield protect the Crown Land formerly leased to the Women's Bowling Club in Wellington Road adjoining Garigal National Park, to support its rezoning from residential to recreational use, and not sell the land to balance the State budget.

(Notice given 7 April 2005)

703 Mrs SKINNER to move—

That this House:

- (1) Notes that the Government has
 - (a) failed to honour a promise to review the school teacher staffing formula; and
 - (b) betrayed communities in drought affected areas where enrolments have dropped because families have been forced to move out of town.

BUSINESS PAPER
Wednesday 12 October 2005

- (2) Calls on the Government to immediately adjust the school staffing formula to prevent small public schools such as Bald Blair, Binalong, Croppa Creek, Duri, Greenwell Point, Narara, Ranking Springs, Scarborough, Vacy and Wattle Flat which have been affected by the drought, from losing teachers.

(Notice given 7 April 2005)

704 Mrs HOPWOOD to move—

That this House:

- (1) Notes that women suffering from Alzheimers disease or other dementias may still require access to Breast Screen facilities.
- (2) Condemns the Minister for Health for no longer allowing women over the age of 69 years to be sent reminder notes to attend Breast Screen appointments.

(Notice given 7 April 2005)

705 Mr APLIN to move—

That this House:

- (1) Condemns the Minister for Infrastructure, Planning and Natural Resources for reducing funding to the Murray Darling Basin Commission for the 2005-06 year.
- (2) Notes that the New South Wales reduction of funding will jeopardize agreed programs to reduce salinity levels and to boost delivery of environmental water management projects in the Murray Darling Basin.
- (3) Seeks confirmation from the Minister of his continuing commitment to the Living Murray.

(Notice given 7 April 2005)

706 Mr HUMPHERSON to move—

That this House opposes the proposal by the Government appointed Warringah Council Administrator to bitumen seal the majority of Nolan and Passmore Reserves, North Manly thereby destroying the largest grassed recreational sporting area on the Northern Beaches.

(Notice given 7 April 2005)

707 Mr DEBNAM to move—

That this House notes that a proposal to promote the flying of the Australian flag on NSW Police vehicles on Australia Day, Anzac Day and Remembrance Day has been rejected by the Minister for Police.

(Notice given 7 April 2005)

708 Mr O'FARRELL to move—

That this House

- (1) Notes that at the annual public hearing of the Committee on the Independent Commission Against Corruption with the ICAC Commissioner:

- (a) It was confirmed the Government's Ministerial Code of Conduct is not an applicable code of conduct for the purposes of the ICAC Act as it has never been prescribed or adopted by regulation.
- (b) That since 1998 the ICAC has expressed concern about the absence of an enforceable code for Ministers whose duties are more extensive, and whose access and control of funds is far greater than other Members.
- (c) Unlike codes applicable to other public sector agencies, the Ministerial Code of Conduct is not publicly accessible despite ICAC believing there was a clear public interest for its publication.

(2) Calls upon the Government to establish and publish an enforceable Code of Conduct for Ministers.

(Notice given 7 April 2005)

709 Mr HAZZARD to move—

That this House:

- (1) Notes the Minister for Energy and Utilities falsely asserted in this House that Mick Greene and heads of other water utilities had stated that Services Sydney required a \$500 million government subsidy to reuse Sydney's sewage water.
- (2) Notes the assertion was publicly denied by Nick Greene and other heads of water utilities.
- (3) Calls on the Minister to withdraw these remarks.

(Notice given 7 April 2005)

710 Mr STONER to move—

That this House:

- (1) Notes with sadness the passing of the Hon Sir Joh Bjelke Petersen, former Premier of Queensland.
- (2) Acknowledges the legacy of Sir Joh's achievements in relation to infrastructure development and reduction of State taxes, resulting in Queensland's economy growing at a rate of 26.6% over the last 10 years compared to 19.9% for New South Wales.
- (3) Offers sincere condolences to Lady Florence and the Bjelke Petersen family.

(Notice given 3 May 2005)

711 Mr DRAPER to move—

That this House:

- (1) Notes that the Minister for Health has received over 2300 letters from Gunnedah residents supporting the campaign to build a new ambulance station.
- (2) Notes that plans for a new station were first drawn up by the Askin Government in 1974 but never actioned.
- (3) Calls on the Minister for Health to commit funds to build a new ambulance station in Gunnedah.

(Notice given 3 May 2005)

712 Ms HAY to move—

That this House:

- (1) Congratulates the Government and the Minister for Infrastructure, Planning and Natural Resources for approving the construction of a new \$30 million cargo facility at Port Kembla.
- (2) Notes that this project will create 60 new jobs.
- (3) Acknowledges the Government's commitment to its Ports Growth Strategy.

(Notice given 3 May 2005)

713 Mrs SKINNER to move—

That this House:

- (1) Notes the deplorable state of Ulladulla High School which is bulging at the seams due to an enrolment of 1300 instead of 800, where demountables have been erected on every spare inch of space, and buildings are subject to damage due to destruction of a water course.
- (2) Calls on the Government to nominate a new high school in Ulladulla as the next project to be funded and built as part of its Public-Private Partnership Program.

(Notice given 3 May 2005)

714 Ms KENEALLY to move—

That this House:

- (1) Congratulates the City of Sydney for its progress on the Ian Thorpe Aquatic Centre in Ultimo.
- (2) Congratulates the Lord Mayor for ensuring residents in the new State seat of Sydney have a first class swimming facility after increasing the budget for the Aquatic Centre from \$25 million to \$40 million.
- (3) Calls on the Member for Bligh to advise the House when her current constituents in Redfern, who will come into the State seat of Heffron in 2007, can expect the City of Sydney to commence the \$8 million upgrade of Redfern Street.

(Notice given 3 May 2005)

715 Mr WHAN to move—

That this House:

- (1) Congratulates the Police officers of the Monaro Local Area Command who received Police medals for long service and good conduct in the first week of May 2005.
- (2) Notes that the officers and the Government have provided Monaro with a stable Police workforce and much higher Police numbers than under the previous coalition Government.

- (3) Condemns the Leader of The Nationals for his failure to understand that experienced Police officers are attracted to, and staying in, Monaro, producing great reductions in crime for the Monaro community.

(Notice given 3 May 2005)

716 Ms BURNEY to move—

That this House:

- (1) Notes the Government's efforts and success in bringing down crime rates across New South Wales.
- (2) Congratulates Commander John Richardson and his team in the Campsie Local Area Command for reducing the incidents in home break and enter, theft from person, burglary, and robberies.
- (3) Notes the respect and high esteem in which the staff of the Campsie Command are held within the community.

(Notice given 3 May 2005)

717 Mr GAUDRY to move—

That this House:

- (1) Notes the Innovate the Hunter Challenge held in Newcastle on Thursday 28 April 2005.
- (2) Congratulates Hunter Net for developing a program to assist Hunter engineers and manufacturers to introduce innovative business strategies to help strengthen technologies and assist in growing Hunter businesses.
- (3) Acknowledges the role of the New South Wales Department of State and Regional Development, the Federal Government under its Regional Partnerships Program, and the sponsorship of Hunter Net, the University of Newcastle and the Hunter Institute of TAFE, in development of the program.
- (4) Notes the importance of the program in developing export potential in small and medium enterprises in the Hunter.

(Notice given 3 May 2005)

718 Ms JUDGE to move—

That this House:

- (1) Acknowledges the excellent work of the Police, detectives and support staff in the Ashfield, Burwood and Strathfield Local Area Commands.
- (2) Notes that recent figures from the Bureau of Crimes Statistics and Research show that crime is either falling or stable across the major crime categories in the electorate of Strathfield.
- (3) Notes the Government's enduring commitment to policing and community safety.

(Notice given 3 May 2005)

719 Mr DRAPER to move—

That this House:

- (1) Notes that Gunnedah Timbers management are struggling to motivate their staff while the decision on the future of the Brigalow South Bioregion is still unannounced.
- (2) Notes the uncertainty created in the wider community in towns such as Gunnedah and Baradine by the Government's inability to make a decision.
- (3) Calls on the Premier to announce the decision as a matter of urgency.

(Notice given 3 May 2005)

720 Mr BROGDEN to move—

That this House expresses its ongoing concerns about the Government's handling of investigations into the NSW Police Force.

(Notice given 4 May 2005)

721 Ms JUDGE to move—

That this House:

- (1) Condemns the Federal Government's decision to cut the Medicare safety net.
- (2) Acknowledges that this decision will have disastrous effects for millions of hardworking families across the country that struggle to afford adequate healthcare.
- (3) Notes that the announcement by the Federal Government renders untrue statements made by the Federal Minister for Health before the election when he promised no cuts to the Medicare safety net.
- (4) Reaffirms the State Government's commitment to universal healthcare access.

(Notice given 4 May 2005)

722 Mr APLIN to move—

That this House:

- (1) Notes with concern the threat by three surgeons to resign from their positions at Albury Base Hospital unless disputes over contracts can be resolved.
- (2) Calls on the Minister for Health to ensure adequate funds are made available to Greater Southern Area Health Service to ensure that surgery at the hospital is not further jeopardized.

(Notice given 4 May 2005)

723 Ms BURNEY to move—

That this House:

- (5) Rejects the Federal Minister for Health's reference to the States as "beggars" in relation to the issue of funding for training of surgeons.

(6) Notes the Federal Government's abrogation of their responsibility in terms of Federal/State funding arrangements.

(7) Asserts that such a statement shows disregard to the needs of people requiring surgery.

(Notice given 4 May 2005)

724 Ms HAY to move—

That this House:

(1) Notes that the Illawarra engineering sector have banded together to seek opportunities and business growth that would not be achievable on their own.

(2) Welcomes the commitment of i3net to share resources and skills to achieve business growth in the Illawarra.

(3) Congratulates Mr Bob Coombes, Chairman i3net and Mr Scott Haig, Business Development Manager on their innovative approach to business.

(Notice given 5 May 2005)

That this House unites in calling on the Federal Government to rule out any proposals to limit Medicare's coverage of IVF treatments.

(Notice given 5 May 2005)

726 Mr WHAN to move—

That this House:

(1) Condemns the Shadow Minister for Education for her comment that Jerrabomberra Primary School has had an 89.1% increase in truancy between 2002 & 2003.

(2) Notes that Jerrabomberra Public School only opened in August 2002 meaning comparisons between 2002 & 2003 are meaningless; that the school has almost no truancy and is producing tremendous results.

(3) Notes that this new school has been extremely successful growing to over 600 enrolments in just three years.

(4) Calls on the Shadow Minister to apologise to the hard working parents, students and teachers of Jerrabomberra Public School.

(Notice given 5 May 2005)

727 Mrs SKINNER to move—

That this House:

(1) Notes that in 2003, nearly 11 million days were lost to NSW public school student absenteeism.

BUSINESS PAPER
Wednesday 12 October 2005

- (2) Notes that the secondary schools absentee rate is higher than it has ever been, with an increase of 164,132 days compared to the year before.
- (3) Recognises that absenteeism severely impacts literacy levels in NSW where 29% of year 10 students are only able to read or write at a most basic level.
- (4) Condemns the Government's attempts to downplay the problem.
- (5) Calls on the Minister for Education to explain what steps will be taken to combat these student absentee rates.

(Notice given 5 May 2005)

728 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes the release on 8 April 2005 of the Sentinel Events Review Committee report investigating suicide and homicide by mental health patients recently discharged from inpatients units in NSW.
- (2) Notes page 36 of the report which states "a substantial number of deaths was preventable".
- (3) Calls on the Minister for Health to report to the House on the action he will take to address this serious issue.

(Notice given 5 May 2005)

729 Mr ARMSTRONG to move—

That this House calls on the Government:

- (1) To assist the people of inland NSW to rectify the major deficiency in water for country towns, village and farms.
- (2) To appropriate a third of the funding they are earmarking for the desalination program, and put it towards provision of more potable and industrial water in preparation for the next inevitable drought.

(Notice given 5 May 2005)

730 Mrs HOPWOOD to move—

That this House:

- (1) Notes the continuing uncertainty for people with water access only properties in relation to their payment for the use of Crown Land to enter their homes via jetties and pontoons.
- (2) Urges the Government to acknowledge that the Independent Pricing and Regulatory Tribunal recommendations relating to use of Crown Land are inequitable for water access only properties.
- (3) Calls on the Government to acknowledge water access homeowners in the State budget and recognize that they are different to homeowners who have both water and land access to their properties.

(Notice given 5 May 2005)

731 Ms HODGKINSON to move—

That this House:

- (1) Notes with concern that real estate agents in the electorate of Burrinjuck are currently sending letters to many low-income tenants informing them rent increases have been forced on landlords due to the Government's imposition of land tax on low value properties.
- (2) Condemns the Government for imposing this increased tax burden on low-income earners who are least able to afford increases in their rent.

(Notice given 5 May 2005)

732 Mrs SKINNER to move—

That this House calls on the Government to match the New South Wales Coalition's commitment to provide funding for a new primary school for Lake Cathie and nominate Lake Cathie as one of the next projects to be funded and built as part of its Public-Private Partnership Program.

(Notice given 5 May 2005)

733 Mr CONSTANCE to move—

That this House:

- (1) Notes a letter from Dr Keith McKenry former General Manager of ACR Asbestos Removal Program to the Minister for Health drawing attention to the risk to public health of asbestos installation in homes in Queanbeyan, Jindabyne, Batemans Bay and potentially Bega.
- (2) Notes that the Public Health Unit of Greater Southern Area Health Service is currently undertaking testing for grey asbestos in homes in Bega, having already identified homes in Queanbeyan.
- (3) Notes that the Government has failed to issue a public health warning.
- (4) Calls on the Government to address this public health problem.

(Notice given 5 May 2005)

That this House:

- (1) Condemns the Government's threatened closure of Campbell Hospital at Coraki.
- (2) Notes that North Coast Area Health Service alternative plan for a day clinic at Coraki and an Aboriginal health outpost at Box Ridge was ill informed and subsequently withdrawn.
- (3) Notes the protest by the Coraki and mid-Richmond community on 28 April 2005 at Coraki, against the threatened closure of their hospital.
- (4) Calls on the Minister for Health to heed the concerns of 400 school children, parents, businesses and the elderly who protested.

(Notice given 5 May 2005)

735 Ms SEATON to move—

That this House:

- (1) Notes that, while more than one million dollars was legislated by the Government to fund office fit-outs for the Minister for Energy and Utilities and the Minister for Juvenile Justice, the one million dollars promised for Thirroul police station has not eventuated.
- (2) Notes the failure of the Minister for Police on 5 May 2005 to guarantee that the funding will be in next year's budget.
- (3) Notes the Minister's tactic in devising a new police resources survey in the area.
- (4) Condemns the Government for misleading the people of the Illawarra.

(Notice given 5 May 2005)

736 Mrs HOPWOOD to move—

That this House:

- (1) Notes that Schizophrenia Awareness Week will be held from 15 to 21 May 2005.
- (2) Notes that funding has been provided for planning a twelve bed Child and Adolescent Mental Health Ward in the Hornsby and Ku-ring-gai Hospital.
- (3) Calls on the Minister for Health to include capital funding for the building of this facility in the 2005/2006 Budget.

(Notice given 5 May 2005)

737 Mr PRINGLE to move—

That this House calls on the Government to recognise the principle of free and unfettered access to private residential property across public space whether by land or by water where road access is not available.

(Notice given 5 May 2005)

738 Mr SLACK-SMITH to move—

That this House condemns the Premier:

- (1) for failing to keep the promise that livelihoods and jobs in the Brigalow Belt South Bio Region would be secure; and
- (2) for spending \$80 million of taxpayers' money to destroy a \$50 million per year timber industry.

(Notice given 5 May 2005)

739 Mrs HANCOCK to move—

That this House:

- (1) Supports the Korean War veterans of Australia in their efforts to gain appropriate recognition for their service in Korea between 1953 and 1957 when although an armistice had been called, conflict had not ceased.

- (2) Calls on the Federal Government to grant the Korean War veterans' request to recognise this service with the Returned from Active Service Badge, the Australian Active Service Medal 1945-1975, with Korean clasp, and appropriate recognition of the deaths of Korean War veterans by their inclusion on honour rolls and memorials.

(Notice given 5 May 2005)

740 Mr R.W. TURNER to move—

That this House congratulates the Neila Restaurant and its owners Anna Wong and Jerry Mousakis on their success in making Neila one of the top restaurants in NSW, as recognised by the Good Living Supplement in the Sydney Morning Herald and the QANTAS magazine.

(Notice given 5 May 2005)

741 Mr ARMSTRONG to move—

That this House:

- (1) Notes the report by the Australian Institute into travelling times for metropolitan commuters where the average commuting time in Sydney is 4 hours and 43 minutes per week.
- (2) Notes that average commuter times in country cities and towns is 2 hours 10 minutes.
- (3) Calls on the Government to publicise this advantage and encourage businesses to decentralise to country towns and cities for economic, family and health benefits.

(Notice given 5 May 2005)

742 Mr CONSTANCE to move—

That this House:

- (1) Notes the plight of Batemans Bay resident Mr John Cullen who has been wrongly identified by the Infringement Processing Bureau for an infringement he did not commit on a Sydney train.
- (2) Notes that the Government, despite the Infringement Processing Bureau reissuing his drivers licence has on repeated occasions, failed to address this matter, and is still pursuing Mr Cullen for a fine when a statutory declaration from the person who committed the offence has been provided.
- (3) Calls on the Treasurer to address this matter without delay.

(Notice given 5 May 2005)

743 Mr CANSDELL to move—

That this House:

- (1) Objects to the removal of the staff room demountable at Tabulum Primary School, as there is no alternate staffroom facilities or amenities available.
- (2) Notes that a new detention centre being built at Tabulam will bring employment and new enrolments to the school in the near future.

BUSINESS PAPER
Wednesday 12 October 2005

- (3) Calls on the Minister to reverse the decision to remove the demountable, recognising the needs of the low social-economic environment due to a large Aboriginal community and drought stricken farming families.

That this House:

- (1) Celebrates the opening by the Premier on Monday 20 June 2005 of the \$32.5 million Eastern Grandstand of Energy Australia Stadium.

- (2) Thanks the Premier and the State Government for the grant that enabled the building of this world class regional facility.
- (3) Congratulates all involved in bringing this project to completion.
- (4) Acknowledges the generosity of the Newcastle Permanent Building Society in underwriting a video superscreen for the facility.
- (5) Calls upon the Federal Government to honour its promise to match State funding to enable the completion of a world class venue.

(Notice given 21 June 2005)

816 Ms HAY to move—

That this House:

- (1) Congratulates the Government and the Special Minister of State for announcing a plan for care for those who are catastrophically injured in motor vehicle accidents.
- (2) Notes the Premier's statements foreshadowed at the Australian Labor Party conference that the \$280 million scheme involves care in every aspect of the victims' life after a major accident.
- (3) Commends the Premier and the Special Minister of State in seeking to improve care for those whose injuries will need ongoing support.

(Notice given 22 June 2005)

817 Mr BROGDEN to move—

That this House notes the Member for Blacktown's comments in Parliament on 22 June 2005 that vendor tax hurts mum and dad investors, tenants and workers in the property industry and supports his calls for the Premier to scrap the tax.

(Notice given 22 June 2005)

818 Mr LYNCH to move—

That this House notes that the first Montenegrin citizen to settle in Australia arrived in 1873 and acknowledges the celebration of this event arranged by the Montenegrin Cultural and Arts Society.

(Notice given 22 June 2005)

819 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes the outstanding work that community organizations such as ARAFMI – (Families and Friends Promoting Mental Health and Wellbeing) do in providing support, education and advocacy for carers of people with a mental illness.
- (2) Notes that ARAFMI offices around NSW have experienced large cuts to funding and are uncertain of their future funding arrangements.
- (3) Condemns the State Government for cutting funding to community based mental health organizations to just 1.9% of the mental health budget, the worst record in the country.

(Notice given 22 June 2005)

- (1) Notes the 13% two party preference vote swing to the Liberal Party in the Macquarie Fields by-election.
- (2) Notes that two party preference and primary vote swings as high as 23% were recorded at booths such as Curran and Sackville Street.
- (3) Congratulates Liberal candidate, Nola Fraser, for standing up for the concerns of the people of Macquarie Fields on policing, health and transport issues.

(Notice given 20 September 2005)

874 Ms BURNEY to move—

That this House:

- (1) Welcomes the 6 new recruits to the Campsie Local Area Command.
- (2) Acknowledges the commitment of the officers already in the Service who place their lives on the line every day to protect the public.
- (3) Recognises the ongoing commitment of the Minister for Police and the Government to safer communities in NSW.

(Notice given 20 September 2005)

875 Ms HAY to move—

That this House:

- (1) Condemns the Opposition for failing to support the Premier's call to end the great GST rip off for the people of NSW.
- (2) Notes that every year NSW taxpayers pay \$13 billion in GST to Canberra, but only get back \$10 billion.
- (3) Recognises that the NSW taxpayers are unfairly deprived of \$3 billion.

(Notice given 20 September 2005)

876 Ms GADIEL to move—

That this House:

- (1) Recognises excellence in midwifery at Westmead Hospital.
- (2) Notes that work is currently underway to provide an upgraded facility for women's health and newborn care at Westmead Hospital that includes a new birthing unit, ultrasound services, special care nursery and neonatal intensive care unit, inpatient and outpatient services for gynecology and oncology, and a privately operated fertility clinic.
- (3) Congratulates the Government for its commitment to women's health in Western Sydney.

(Notice given 20 September 2005)

877 Mr SLACK-SMITH to move—

That this House supports the call from Councillor Tony Dennison of the Moree Plains Shire Council for the Minister for Planning to resign due to the defamatory and racist comments the Minister made to the Aboriginal Housing Company's chairman Mr Mick Mundine.

(Notice given 20 September 2005)

878 Ms JUDGE to move—

That this House:

- (1) Congratulates the Minister for Youth for her support of the NSW Youth Advisory Council.

- (2) Notes the important advice that the NSW Youth Advisory Council has offered the Government on issues such as road safety, industrial relations and health.
- (3) Congratulates the outgoing Council for their hard work, commitment and embracing the diversity of their peers.

(Notice given 20 September 2005)

879 Mrs HANCOCK to move—

That this House:

- (1) Notes the minutes of the emergency meeting of the Roseby Park Community Council of Aboriginal Elders held on 20 September 2005 expressing their offence and anger at comments made by the Minister for Planning on 19 September 2005 on Koori Radio.
- (2) Notes that the 13 Elders of the South Coast Council, stretching from Minnamurra to the Clyde River and representing 11 major families, have requested a written apology from the Minister for Planning and his immediate resignation.

(Notice given 20 September 2005)

880 Mr STEWART to move—

That this House:

- (1) Notes that the Federal Government tax on petrol amounts, on average, to 51 cents per litre of the total fuel purchase price.
- (2) Notes the Federal Government's inaction on spiraling petrol prices which have now risen by approximately 25% since July 2004.

(Notice given 20 September 2005)

881 Mr GAUDRY to move—

That this House:

- (1) Notes that the world decathlon championships are being held in Newcastle from the week commencing 18 September 2005.
- (2) Congratulates all those involved in organising and promoting this world class event.
- (3) Thanks the Government and Minister for Sport and Recreation for providing a \$90,000 grant to ensure the success of the event.

(Notice given 20 September 2005)

882 Mr TINK to move—

That this House:

- (1) Notes with concern the reduced sentences given to the Skaf brothers for pack rape.

BUSINESS PAPER
Wednesday 12 October 2005

- (2) Notes that these sentences resulted from Labor Government legislation which reduced the maximum penalty for pack rape from life imprisonment to twenty years.
- (3) Calls on the Premier to apologise to the Skaf victims for the Government's reduction of the maximum penalty for pack rape.
- (4) Calls on the Attorney General to lodge a High Court appeal without delay.

(Notice given 20 September 2005)

883 Mr STEWART to move—

That this House:

- (1) Congratulates the Bankstown District Sports Club for its management of the Bankstown Dunc Gray Olympic Velodrome and recognizes that this club has borne the full financial responsibility for the entire running of this facility.
- (2) Notes that since the Olympic Games, track cycling as a sport has done little to develop or promote itself nationally and in NSW.
- (3) Notes the current NSW track cycling programme proposed for the \$42 million Dunc Gray Velodrome this season amounts to a paltry 17 days of racing thereby further eroding the continued commercial viability of track cycling at this Olympic sporting venue.

(Notice given 20 September 2005)

884 Mr AMERY to move—

That this House:

- (1) That the 150th Anniversary of Rail in New South Wales is to be celebrated on 26 September 2005.
- (2) The current NSW Government has invested more than two billion dollars in rail in 2005-06.
- (3) The proud record of Labor Governments which have been responsible for the commissioning and purchase of trains such as:
 - (a) the Millenium train in July 2002 by the Carr Labor Government;
 - (b) the Tangara train in 1987-88 by the Unsworth labor Government;
 - (c) the XPT train in 1981 by the Wran Labor Government;
 - (d) the Tulloch Double-Decker suburban trains in 1964 by the Heffron and Renshaw Labor Governments; and
 - (e) the 3801 Express in 1943 by the McKell Labor Government.
- (4) That the Government is currently buying 122 new Outer Suburban carriages, 498 new airconditioned carriages and 14 new Hunter Valley Diesel cars.
- (5) That this proud record is in contrast to the “no policy” position of the NSW Coalition which has no record in the area of public transport.

(Notice given 21 September 2005)

885 Mr O'FARRELL to move—

That this House notes that under Labor the number of daily State Transit Authority passengers has dropped by 65,000 since 2000-01.

(Notice given 21 September 2005)

886 Mr WHAN to move—

That this House:

- (1) Notes that the new Queanbeyan hospital project is proceeding on time as promised and includes at least 60 beds up from 36 in the current hospital as well as facilities to undertake a substantial number of procedures currently conducted in the Australian Capital Territory.
- (2) Notes that the current hospital site allows for future expansion and is well located in the centre of town with good access to public transport.
- (3) Notes that the siting of the hospital would have been even easier had the Greiner Coalition Government not sold off the land reserved for the hospital's expansion.

(Notice given 21 September 2005)

887 Mr HUMPHERSON to move—

That this House calls on the Minister for Community Services to advise the House in relation to the tragic death on 18 September 2005 of 6 year old Rose Villanueva-Austin:

- (1) Whether DOCS at Pyrmont, Redfern and Richmond received approximately 200 notifications in relation to Rose's mother and her children since 1993.
- (2) Why DOCS did not proceed with a court order to remove Rose from her mother at birth.
- (3) Why DOCS waited almost 3 days after Rose's death to place the other children in emergency care.

(Notice given 21 September 2005)

888 Ms HAY to move—

That this House:

- (1) Condemns the federal Government for forcing single mothers back into the workforce when their children begin school.
- (2) Notes that the \$250m saved on pensions as a result will be used as back to work assistance which the Australian Council of Social Services calculates will only assist one in six of those mothers.
- (3) Recognises 30,000 single parents will be forced off the pension with a mere 5,000 additional vocational/training places being available.

(Notice given 21 September 2005)

BUSINESS PAPER
Wednesday 12 October 2005

889 Mr HUMPHERSON to move—

That this House notes that the Government moved, rather than dismiss, a Rural Fire Service employee who spent over \$3000 of taxpayers' money on 1-900 sex and horoscope numbers.

(Notice given 21 September 2005)

890 Mr MCLEAY to move—

That this House:

- (1) Congratulates the Sutherland Shire Hub for Economic Development on being honoured as the Incubator of the Year at the Small Business Development Conference Awards.
- (2) Notes that twenty entrepreneurs have set up businesses in the SSHED since it opened two years ago, three businesses have graduated from the program, and more than 75 new jobs have been created.
- (3) Notes the continued support of all three tiers of Government in stimulating economic development and job creation in the Shire, and fast tracking business growth and success.

(Notice given 21 September 2005)

891 Mr SOURIS to move—

That this House condemns the Government for the announced closure of the Newcastle-Broadmeadow rail line.

(Notice given 21 September 2005)

892 Mr HAZZARD to move—

That this House:

- (1) Notes the Board of the Aboriginal Housing Company at Redfern met on 22 September 2005 and expressed concerns about racist comments by the Minister for Redfern Waterloo.
- (2) Notes that the corporation stated their concerns were “not about the word ‘black’ or the word ‘arse’ but about a Minister perpetuating the stereotype that Aboriginals are lazy and have a bad work ethic”.
- (3) Notes that the Board passed three resolutions unanimously being:
 - (a) the Board fully supports Michael Mundine in his decision to call on the Minister to step aside from the Redfern/Waterloo portfolio;
 - (b) the Board calls on the Premier to assume the role; and
 - (c) the Board has instructed the staff to seek legal advice to take action against the Minister and the State Government under the Racial Discrimination Act.

(Notice given 22 September 2005)

893 Ms HAY to move—

That this House:

- (1) Congratulates the NSW Government and the Minister for Disability Services on the announcement of \$48m being made available under a joint NSW-Commonwealth initiative to provide greater support for older carers of people with a disability.
- (2) Notes that there are a number of older people who are the primary carer for their adult son or daughter with a disability.
- (3) Recognises the valuable contribution the State's 750,000 carers make in our community and this Government's commitment to helping carers.

(Notice given 22 September 2005)

894 Mrs HOPWOOD to move—

That this House:

- (1) Recognises that 19 September 2005 marks the commencement of Dementia Awareness Week.
- (2) Congratulates the work of Lewis Kaplan, CEO of Alzheimers Australia NSW, and his team for their untiring work to highlight the needs of those living with dementia and to participate in activities that increase knowledge of dementia and ways in which issues can be addressed.
- (3) Notes projects such as the 'mind your mind' campaign that aims to reduce the risks to people developing dementia.

(Notice given 22 September 2005)

895 Mrs PALUZZANO to move—

That this House:

- (1) Welcomes 58 nations, comprising 252 athletes, to the 2005 World Championships for Canoe Slalom.
- (2) Invites Sydney to enjoy this spectacular sport at the Penrith Whitewater Stadium from the 27 September – 3 October, 2005.
- (3) Congratulates the Government and Minister for Sport and Recreation for the commitment of \$500,000 to support this event.

(Notice given 22 September 2005)

896 Mrs SKINNER to move—

That this House:

- (1) Notes the Premier told the Parliament last Thursday that patient David Napier was advised by a doctor that he was well enough to go home when he presented to Camden Hospital Emergency Department on 27 July 2005.
- (2) Notes David Napier went on to spend five days in the Emergency Department at Camden and Campbelltown Hospitals and denied he had ever been told he was well enough to go home.
- (3) Notes that, Dr Charles Payne, Director of Medical Services at the Hospital admitted in a radio interview that it was incorrect to suggest Mr Napier had been told he could go home.

- (4) Calls on the Premier to admit he misled the House and to apologise to David Napier.

(Notice given 22 September 2005)

897 Ms BURNEY to move—

That this House:

- (1) Recognises the fundamental role Meals on Wheels plays in the community, particularly with older residents.
- (2) Notes the Campsie Branch delivers 5,000 meals per month across 20 suburbs in the Canterbury region, not only providing food but helping people maintain their independence and breaking down social isolation.
- (3) Notes that Meals on Wheels is yet another example of the power and importance of volunteerism.

(Notice given 22 September 2005)

898 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes a Police report revealing that more than 15 Police officers, including officers from the Special Protection Group (SPG), were called to deal with a mentally ill patient in a disturbed state.
- (2) Notes that the same patient had three days earlier voluntarily presented for treatment at the Ryde Mental Health team only to be turned away due to lack of resourcing.
- (3) Condemns the State Government for failing to provide adequate community based mental health facilities.

(Notice given 22 September 2005)

899 Mr WHAN to move—

That this House:

- (1) Congratulates the Adaminaby community and Snowy River Shire Council on the official opening this week of its new fresh water supply.
- (2) Notes that the project was assisted by \$2 million from the State Government as promised at the last election.
- (3) Notes that in fulfilling its election commitment Country Labor has made a major difference to a town ignored by National Party members for 15 years.

(Notice given 22 September 2005)

900 Mr MAGUIRE to move—

That this House:

- (1) Notes that 19-25 September 2005 is National Stroke Week.

- (2) Notes that stroke is the third leading cause of death, with over 48,000 strokes in Australia every year and one occurring every 11 minutes.
 - (3) Notes that over 200 people in the Riverina suffer stroke each year.
 - (4) Calls on the Government to commit funds for a desperately needed stroke unit at Wagga Wagga.
- (Notice given 22 September 2005)

901 Mr FRASER to move—

That this House:

- (1) Notes that 13 deaths have occurred on the Pacific Highway between Lyons Road and Pine Creek since 2003.
- (2) Notes that although the Bonville deviation was supposed to be completed in 2003 this work has not even commenced, despite Budget allocations since 1997.
- (3) Notes that despite a recent offer by the Federal Minister for Transport and Regional Services of immediate funding of \$30m to the NSW Government for this State Government project, the Minister for Roads has failed to accept this offer.

(Notice given 22 September 2005)

902 Mr PICCOLI to move—

That this House:

- (1) Supports irrigation farmers in the Lachlan Valley.
- (2) Acknowledges that this year could be the fourth year in a row that they have received a zero allocation.
- (3) Support Forbes Shire Council's calls for the NSW Government to give priority to irrigators along the Lachlan River when releasing any additional water from Wyangala Dam.

(Notice given 22 September 2005)

903 Ms SEATON to move—

That this House:

- (1) Calls on the Minister for Local Government to undertake a full and open investigation into the operation of Shellharbour Council, and the actions of the Mayor of Shellharbour.
- (2) Notes events relating to Council activities in which the Shellharbour Golf Club's Secretary Manager was allegedly warned to 'watch her back'.
- (3) Notes use of Shellharbour City Council's ratepayer funds to pay legal costs for the AVO action Mrs Jackson was forced to take out against Mayor David Hamilton after an incident that allegedly took place in her shop 'Brides of Distinction'.

(Notice given 22 September 2005)

BUSINESS PAPER
Wednesday 12 October 2005

904 Mr CONSTANCE to move—

That this House:

- (1) Notes that the Highway Patrol numbers on the far South Coast have remained at 12 police for the last twenty years and during this time a police bike and car have been taken away from the command.
- (2) Calls on the Minister for Police to increase the Patrol numbers to twenty and the number of cars to three.

(Notice given 22 September 2005)

905 Mrs HOPWOOD to move—

That this House:

- (1) Congratulates the action of Constance Jesse Currie, Senior Constable Naomi Fenwick and Sgt Warwick Marks from the Hornsby Drug Squad of the Kuring-gai Local Area Command who stopped Sean McArdle in his car, not to give him a ticket, but to see how he and his wife were coping with his mental illness.
- (2) Recognises that despite diminishing numbers of police, increasing stress placed on them, and the limited education provided on dealing with people who have a mental illness, these police acted in a compassionate and understanding manner.
- (3) Notes the positive community messages conveyed by Berowra resident Sean McArdle increasing local and general information about mental illness as well as reducing stigma.

(Notice given 22 September 2005)

906 Mr MERTON to move—

That this House:

- (1) Notes that the Government announced in November 1998 that it would build the Epping to Castle Hill rail link by the year 2010.
- (2) Notes that in March 2002 the then Minister for Transport released a report outlining the preferred route for the north west rail link, and that in May 2004 the then Minister for Planning announced a final determination of the corridor of the rail link.
- (3) Notes that the current Minister for Planning has recently stated that the proposed route could change if there are compelling environmental issues.
- (4) Notes the residents of north west Sydney are forced to use gridlocked roads and have no alternative transport available.
- (5) Commends the editorial in the Hills Shire Times of 20 September 2005 encouraging the residents of north west Sydney to demand a train line before it is too late for Hills commuters.
- (6) Condemns the Government for its failure to offer adequate transport infrastructure for north west Sydney.

(Notice given 22 September 2005)

907 Mrs SKINNER to move—

That this House:

(1) Notes that:

- (a) the Member for Monaro was reported in the Queanbeyan Chronicle of 17 May 2005 as saying that planning for the new Queanbeyan Hospital was on track and the Value Management Study had commenced;
- (b) in a media release on 8 August 2005 the Member indicated that the Queanbeyan showground was being considered as a possible new site but that there was a tight timetable and a decision had to be made in the next month or so;
- (c) at a public meeting on 23 August 2005 the Member said he was “vehemently opposed to the showground site because he didn’t feel that it fit the time frame for construction” and that he would ask the Minister for Health to confirm the existing hospital site with the Department; and
- (d) in answer to a question in the Legislative Council on 14 September 2005 the Minister for Health said no decision on the site had yet been made.

(2) Expresses concern that indecision by the Government is putting at risk the timetable for construction of the new hospital.

(Notice given 22 September 2005)

908 Mr CANSDELL to move—

That this House:

- (1) Notes with concern the high incidence of youth anti-social behaviour and vandalism occurring in both Grafton and Yamba during September 2005.
- (2) Urges the Minister for Police to immediately take action to remedy this disturbing trend.

(Notice given 22 September 2005)

909 Mr ROBERTS to move—

That this House supports the full filtration of tunnels in the Sydney Metropolitan Area.

(Notice given 22 September 2005)

910 Mr O’FARRELL to move—

That this House congratulates the teachers, students and staff of Lindfield Public School for ensuring that, in the remediation of the school’s swimming pool, which in 1957 was the first pool installed at any public school in the State, water will be saved and re-used and not wasted during Sydney’s current water crisis.

(Notice given 22 September 2005)

911 Mr FRASER to move—

That this House:

BUSINESS PAPER
Wednesday 12 October 2005

- (1) Notes that the RTA website concerning the Bonville deviation was altered on 13 July 2004, so that the words “Fully funded by the NSW Government” then read “Planning for this project is funded by the NSW Government”.
- (2) Notes that this alteration was made following a media interview with the then Premier after the death of three Central Coast residents on this section of highway, when the then Premier claimed that this project was a jointly funded State and Federal Government project.
- (3) Condemns the Government for its action in this matter.

(Notice given 22 September 2005)

912 Mr HUMPHERSON to move—

That this House:

- (1) Condemns the refusal by the Government to fund the Wollongong Aerial Patrol to provide shark protection along coastal beaches.
- (2) Calls on the Government to provide the resources before a shark attack occurs.
- (3) Notes that the South Australian Government recently boosted aerial shark patrols off Adelaide after two fatal attacks.

(Notice given 22 September 2005)

913 Mr HAZZARD to move—

That this House:

- (1) Notes that the State Transit Authority is required to comply with the Disability Services Act to ensure people with disabilities are able to access public transport.
- (2) Notes that State Transit buses regularly reject three-wheeled scooters ostensibly because they are less stable than four-wheel scooters inconveniencing thousands of people with disabilities.
- (3) Calls on the Minister for Transport to be responsive to the disabled community of NSW and to direct State Transit to provide equipment on buses to facilitate use of public buses by people with disabilities.

(Notice given 22 September 2005)

914 Ms BEREJIKLIAN to move—

That this House:

- (1) Notes Australian Labor Party (ALP) posters during the Macquarie Fields by-election stated “Labor says no high rise flats”, referring to a proposed 4 storey development.
- (2) Notes the State Government’s imposition of three towers in Chatswood of 40, 36 and 28 stories.
- (3) Condemns the NSW ALP for its inconsistency on development issues.

(Notice given 22 September 2005)

915 Mr HAZZARD to move—

That this House:

- (1) Notes the plight of Maroubra Junction Public School parents who want a say in the appointment of the Deputy Principal to their school.
- (2) Condemns the Minister for Education and Training who told an Estimates Committee that she will not meet or communicate with parents of students at Maroubra Junction Public School.
- (3) Calls on the Minister to meet and communicate with the parents, and talk to the Teachers Federation to find a solution to the crisis of confidence in the teacher appointment process in public education.

(Notice given 22 September 2005)

916 Ms D'AMORE to move—

That this House:

- (1) Commends the Minister for Transport for the special funding package of over \$75,000 towards urgent repairs to Drummoyne Wharf despite the wharf being owned by Canada Bay Council.
- (2) Notes the ferry services at Wolseley Street Wharf Drummoyne have re-opened following wharf repairs, restoring ferry services to Drummoyne commuters.
- (3) Recognises the Government's strong display of leadership in ensuring minimal inconvenience to local ferry commuters during repairs.

(Notice given 11 October 2005)

917 Ms BEREJIKLIAN to move—

That this House notes:

- (1) Mental Health Week is from 9 to 15 October 2005.
- (2) Widespread community concern about the lack of adequate mental health services throughout NSW.
- (3) The failure of the Government to implement key recommendations in the Legislative Council's Select Committee on Mental Health report on Mental Health Services in NSW, tabled in December 2002.

(Notice given 11 October 2005)

918 Ms KENEALLY to move—

That this House:

- (1) Congratulates the Tempe Bus and Truck Museum on preserving our transport heritage, particularly given that 2007 marks the 75th anniversary of Government buses.
- (2) Calls on the Government to direct the State Transit Authority to finalise matters relating to the Tempe Bus Depot site.

BUSINESS PAPER
Wednesday 12 October 2005

- (3) Calls on the Minister for Transport to honour the Government's commitment to find suitable alternative accommodation for the Bus and Truck Museum or allow the museum to stay on its current site at Tempe Depot.

(Notice given 11 October 2005)

919 Mrs FARDELL to move—

That this House:

- (1) Congratulates the community and organizers of the Bathurst car races at Mount Panorama for a successful event and excellent coordination of public transport.
- (2) Notes that the XPT train from Central to Bathurst for Sydney V8 fans was provided at the expense of XPT travel for commuters to Dubbo.
- (3) Condemns the insensitivity of CountryLink in offloading XPT travellers to Dubbo to a bus from Central to Parramatta, train from Parramatta to Lithgow and bus from Lithgow to Dubbo, abusing rights of rural commuters in favour of Sydney day trippers.
- (4) Requests that CountryLink carry out a review of this practice.

(Notice given 11 October 2005)

920 Mr MARTIN to move—

That this House:

- (1) Notes that Kelso High School reopened for business on Monday 10 October 2005 following the disastrous fire of 19 August 2005 that destroyed the original school.
- (2) Notes that the opening of the portable school was achieved by the determination of the Kelso High School community, the professionalism of the Department of Education and Training Asset Management Team, the support of the Government and unqualified assistance from the wider Bathurst and district community.
- (3) Notes that the Kelso High School experience demonstrates that, whether in good or adverse times, the public education system is second to none.
- (4) Notes that the Deputy Premier announced in Bathurst on 29 August 2005 that the Government is committed to rebuilding Kelso High School as soon as possible.

(Notice given 11 October 2005)

921 Mr DRAPER to move—

That this House:

- (1) Notes the 141 page submission from State Water Corporation to IPART's determination of bulk water prices in NSW.
- (2) Notes its submission is based on "recovery of efficient full costs over 5 years".
- (3) Notes the recommendation that high security water charges in the Namoi catchment rise by 144.1% and the Peel by 377.5%, while general security charges rise by 102.5% in the Namoi and 102% in the Peel.

- (4) Condemns this proposal as a Treasury driven profit grab from a public utility.
- (5) Calls on the Government to immediately undertake a social and economic impact study of this proposal on the electorate of Tamworth.

(Notice given 11 October 2005)

922 Mr STEWART to move—

That this House requests the StaySafe Committee to inquire into motor vehicle smash repairs under the Preferred Repairer Scheme operated by the NRMA and IAG Insurance, and the risk to safety arising from:

- (1) Repairers quoting for jobs by inspecting photos of damaged vehicles rather than physically inspecting the damaged vehicle.
- (2) Financial penalties if damage is later uncovered that was not apparent through the internet photographs, possibly leading to cost cutting and unsafe repair practices.
- (3) Use of second hand vehicle parts, further compromising safety.
- (4) The NRMA and IAG employing unqualified smash repair assessors to photograph and help administer vehicles for repair.

(Notice given 11 October 2005)

923 Mr DRAPER to move—

That this House:

- (1) Notes the Tamworth Women's Refuge is operating at full capacity since reopening its doors on 21 September 2005, and is currently looking after five women in crisis and their families.
- (2) Notes the strong community interest in resuming management of the refuge with around twenty qualified people putting their names forward.
- (3) Notes that the South Western and Western Metropolitan Region of the NSW Women's Refuge Movement has requested a crisis meeting to discuss the management of the Tamworth Refuge and to assess the expertise of women currently on the working party and Auspice management committees.
- (4) Notes that the Minister for Community Services has agreed to meet with Laurie Beattie and the Member for Tamworth to discuss the proposal to reintroduce local community management.

(Notice given 11 October 2005)

924 Mrs PALUZZANO to move—

That this House:

- (1) Congratulates the organizing committee of the Penrith City Festival, in particular Gladys Reed, for the successful festival held on 1 October 2005.

BUSINESS PAPER
Wednesday 12 October 2005

- (2) Notes that Tim Brunero, Big Brother runner up 2005, attended the stall of the Member for Penrith, and supported the UnionsNSW/local Lindsay electorate campaign against the proposed changes to industrial relations.
- (3) Condemns the Federal Government's proposed industrial relations changes.
- (4) Notes that the funds spent on the Federal Government's advertising campaign could be better spent countering the skills shortage by providing extra funding to Western Sydney TAFE.

(Notice given 11 October 2005)

925 Ms BURNEY to move—

That this House:

- (1) Congratulates the Government and the Attorney General for the outstanding success of Circle Sentencing in NSW.
- (2) Notes that Circle Sentencing is currently operating in seven communities across the State.
- (3) Welcomes the plan to extend Circle Sentencing to additional communities.
- (4) Notes that the recidivism rates have been reduced dramatically through Circle Sentencing, as demonstrated on the Four Corners program on 10 October 2005.

(Notice given 11 October 2005)

926 Ms JUDGE to move—

That this House:

- (1) Congratulates the joint Nobel Prize winners in Physiology or Medicine for 2005, Barry J. Marshall and J. Robin Warren for their discovery of the bacterium helicobacter pylori and its role in gastritis and peptic ulcer disease.
- (2) Notes the tremendous work of these two Australian scientists, particularly the risk taken by Dr Barry Marshall, who was so determined to convince the world that bacteria, not stress, caused ulcers that he drank a batch of it.
- (3) Notes the impact of this research in assisting people who suffer from ulcers.

(Notice given 11 October 2005)

927 Ms HAY to move—

That this House:

- (1) Congratulates the Premier and the Minister for Ports on the announcement of the \$140 million infrastructure plan to transform Port Kembla into Australia's leading car import centre.
- (2) Welcomes the construction of a new cargo facility together with a third berth that will mean an estimated \$200 million annual boost to Wollongong and Illawarra economies.
- (3) Notes that 1000 direct and indirect jobs will provide certainty for the local economy thereby creating much needed local employment opportunities for job seekers.

(Notice given 11 October 2005)

928 Mr ASHTON to move—

That this House:

- (1) Congratulates the players, coach and administration of the Wests Tigers on winning the 2005 National Rugby League (NRL) premiership.
- (2) Notes that the Wests Tigers were formed from the amalgamation of the 1908 foundation clubs of Balmain Tigers and Western Suburbs Magpies, and that the Wests Tigers are the first joint venture club to win the NRL premiership.
