FUNCTIONS OF THE LEGISLATION REVIEW COMMITTEE

The functions of the Legislation Review Committee are set out in the *Legislation Review Act 1987*:

8A Functions with respect to Bills

- (1) The functions of the Committee with respect to Bills are:
 - (a) to consider any Bill introduced into Parliament, and
 - (b) to report to both Houses of Parliament as to whether any such Bill, by express words or otherwise:
 - (i) trespasses unduly on personal rights and liberties, or
 - (ii) makes rights, liberties or obligations unduly dependent upon insufficiently defined administrative powers, or
 - (iii) makes rights, liberties or obligations unduly dependent upon non-reviewable decisions, or
 - (iv) inappropriately delegates legislative powers, or
 - (v) insufficiently subjects the exercise of legislative power to parliamentary scrutiny
- (2) A House of Parliament may pass a Bill whether or not the Committee has reported on the Bill, but the Committee is not precluded from making such a report because the Bill has been so passed or has become an Act.

9 Functions with respect to Regulations:

- (1) The functions of the Committee with respect to regulations are:
 - (a) to consider all regulations while they are subject to disallowance by resolution of either or both Houses of Parliament,
 - (b) to consider whether the special attention of Parliament should be drawn to any such regulation on any ground, including any of the following:
 - (i) that the regulation trespasses unduly on personal rights and liberties,
 - (ii) that the regulation may have an adverse impact on the business community,
 - (iii) that the regulation may not have been within the general objects of the legislation under which it was made,
 - (iv) that the regulation may not accord with the spirit of the legislation under which it was made, even though it may have been legally made,
 - (v) that the objective of the regulation could have been achieved by alternative and more effective means,
 - (vi) that the regulation duplicates, overlaps or conflicts with any other regulation or Act,
 - (vii) that the form or intention of the regulation calls for elucidation, or
 - (viii) that any of the requirements of sections 4, 5 and 6 of the Subordinate Legislation Act 1989, or of the guidelines and requirements in Schedules 1 and 2 to that Act, appear not to have been complied with, to the extent that they were applicable in relation to the regulation, and
 - (c) to make such reports and recommendations to each House of Parliament as it thinks desirable as a result of its consideration of any such regulations, including reports setting out its opinion that a regulation or portion of a regulation ought to be disallowed and the grounds on which it has formed that opinion.
- (2) Further functions of the Committee are:
 - (a) to initiate a systematic review of regulations (whether or not still subject to disallowance by either or both Houses of Parliament), based on the staged repeal of regulations and to report to both Houses of Parliament in relation to the review from time to time, and
 - (b) to inquire into, and report to both Houses of Parliament on, any question in connection with regulations (whether or not still subject to disallowance by either or both Houses of Parliament) that is referred to it by a Minister of the Crown.
- (3) The functions of the Committee do not include an examination of, inquiry into or report on a matter of Government policy, except in so far as such an examination may be necessary to ascertain whether any regulations implement Government policy or the matter has been specifically referred to the Committee under subsection (2) (b) by a Minister of the Crown.

GUIDE TO THE *LEGISLATION REVIEW DIGEST*

Part One – Bills

Section A: Comment on Bills

This section contains the Legislation Review Committee's reports on Bills introduced into Parliament. Following a brief description of the Bill, the Committee considers each Bill against the five criteria for scrutiny set out in s 8A(1)(b) of the *Legislation Review Act 1987* (see page iii).

Section B: Ministerial correspondence – Bills previously considered

This section contains the Committee's reports on correspondence it has received relating to Bills and copies of that correspondence. The Committee may write to the Minister responsible for a Bill, or a Private Member of Parliament in relation to his or her Bill, to seek advice on any matter concerning that Bill that relates to the Committee's scrutiny criteria.

Part Two – Regulations

The Committee considers all regulations made and normally raises any concerns with the Minister in writing. When it has received the Minister's reply, or if no reply is received after 3 months, the Committee publishes this correspondence in the *Digest*. The Committee may also inquire further into a regulation. If it continues to have significant concerns regarding a regulation following its consideration, it may include a report in the *Digest* drawing the regulation to the Parliament's "special attention". The criteria for the Committee's consideration of regulations is set out in s 9 of the *Legislation Review Act 1987* (see page iii).

Regulations for the special attention of Parliament

When required, this section contains any reports on regulations subject to disallowance to which the Committee wishes to draw the special attention of Parliament.

Regulations about which the Committee is seeking further information

This table lists the Regulations about which the Committee is seeking further information from the Minister responsible for the instrument, when that request was made and when any reply was received.

Copies of Correspondence on Regulations

This part of the *Digest* contains copies of the correspondence between the Committee and Ministers on Regulations about which the Committee sought information. The Committee's letter to the Minister is published together with the Minister's reply.

Appendix 1: Index of Bills Reported on in 2010

This table lists the Bills reported on in the calendar year and the *Digests* in which any reports in relation to the Bill appear.

Appendix 2: Index of Ministerial Correspondence on Bills

This table lists the recipient and date on which the Committee sent correspondence to a Minister or Private Member of Parliament in relation to Bills reported on in the calendar year. The table also lists the date a reply was received and the *Digests* in which reports on the Bill and correspondence appear.

Appendix 3: Bills that received comments under s 8A of the Legislation Review Act in 2010

This table specifies the action the Committee has taken with respect to Bills that received comment in 2010 against the five scrutiny criteria. When considering a Bill, the Committee may refer an issue that relates to its scrutiny criteria to Parliament, it may write to the Minister or Member of Parliament responsible for the Bill, or note an issue. Bills that did not raise any issues against the scrutiny criteria are not listed in this table.

Appendix 4: Index of correspondence on Regulations reported on

This table lists the recipient and date on which the Committee sent correspondence to a Minister in relation to Regulations reported on in the calendar year. The table also lists the date a reply was received and the *Digests* in which reports on the Regulation and correspondence appear.

SUMMARY OF CONCLUSIONS

SECTION A: Comment on Bills

1. Workers' Compensation (Dust Diseases) Amendment Bill 2010

- | |
|--|
| 10. The Committee has not identified any issues under s 8A(1)(b) of the <i>Legislation Review Act 1987</i>. |

Part One – Bills

SECTION A: COMMENT ON BILLS

1. WORKERS' COMPENSATION (DUST DISEASES) AMENDMENT BILL 2010

Date Introduced: 30 November 2010
House Introduced: Legislative Assembly
Minister Responsible: The Hon Eric Roozendaal MP
Portfolio: Treasury

Purpose and Description

1. The object of this Bill is to amend the *Worker's Compensation (Dust Diseases) Act 1942* to increase the lump sum death benefit payable to dependents of deceased workers (in place of the usual indexation increases) from \$245,700 to \$311,050 in three annual increases, with the first increase occurring on the commencement of proposed Act.
2. The Bill will also extend the Workers' Compensation (Dust Diseases) Board's discretion to consider the sum payable to partially dependent persons so it applies to partially and wholly dependent persons and so that the Board may take into account the age of the worker at the time of the worker's death.
3. The Bill also makes a consequential amendment to the *Workers Compensation Act 1987*.

Background

4. The New South Wales Government currently provides lump sum payments, under the *Workers Compensation (Dust Diseases) Act 1942*, to the families of workers who have died due to asbestos and other dust-related diseases they acquired while working.
5. The Dust Diseases Board has made awards of compensation for mesothelioma to 1,572 workers over the past 10 years. The total awards for all dust diseases, including mesothelioma, over this period is 3,775.
6. It is expected that the number of people with an asbestos-related disease is expected to increase every year until at least 2018, when the rate is then expected to decline.
7. In such circumstances, the New South Wales Government currently compensates the family with a one-off payment of up to \$245,700. This Bill includes an amendment to increase this payment to \$311,050.

8. The amount of the lump sum paid to the dependants of a deceased worker under the *Workers Compensation (Dust Diseases Act) 1942* has been historically maintained at 70 to 75 per cent of the amount of the lump sum payable to the dependants of deceased workers under the *Workers Compensation Act 1987*. The *Workers Compensation Act 1987* was amended in October 2008 to increase the lump sum death benefit payable by 28 per cent. No corresponding amendment was made to the lump sum payable under the *Workers Compensation (Dust Diseases Act) 1942*. The proposed amendment is designed to restore the historical relationship between the death benefits in the dust diseases and workers compensation legislation.

The Bill

9. Outline of Provisions

Clause 1 sets out the name (also called the short title) of the proposed Act.

Clause 2 provides for the commencement of the proposed Act on the date of assent to the proposed Act.

Schedule 1 Amendment of *Workers' Compensation (Dust Diseases) Act 1942* No 14

Currently, the amount of the lump sum payable by the Board to dependents of deceased workers is adjusted each year in accordance with indexation provisions of the *Workers Compensation Act 1987*. In place of the indexation increases,

Schedule 1 [2] fixes the amount of the lump sum (which is currently \$245,700) at \$268,375 for the first 12 months after the commencement of the proposed Act, \$291,040 for the following 12 months and \$311,050 at the end of the second 12 months. As a consequence, the indexation provisions will cease to apply from the commencement of the proposed Act until 31 March 2013 and the next indexation increase will occur on 1 April 2013 (see Schedule 1 [6]). **Schedule 1 [3]** provides that the lump sum amount payable to a dependent is to be calculated by reference to the lump sum amount that is in force at the time of the worker's death. **Schedule 1 [4]** is a consequential amendment.

The Board currently has a discretion to reduce the maximum lump sum payable to a dependent person if the person was partially not wholly dependent on the deceased worker for support. In that case, the amount payable is the amount determined by the Board to be reasonable and proportionate to the injury to that person. **Schedule 1 [3]** authorises the Board to exercise that discretion for all dependent persons, whether they were wholly or partially dependent on the deceased worker, and to take into account the age of the worker at the time of the worker's death. **Schedule 1 [1]** is a consequential amendment.

Schedule 1 [5] enables savings and transitional regulations to be made as a consequence of the proposed Act.

Schedule 1 [6] inserts savings and transitional provisions to:

- (a) provide that the proposed amendments extend to the death of a person occurring on or after the date that the Bill for the proposed Act was first introduced into Parliament but before the commencement of the proposed Act, and

(b) provide that the amount of the lump sum payable to dependents of deceased workers will not be indexed under the *Workers Compensation Act 1987* from the commencement of the proposed Act until 1 April 2013 as a consequence of the amendment in Schedule 1 [2].

Schedule 2 Amendment of *Workers Compensation Act 1987* No 70

Schedule 2 makes a consequential amendment to the *Workers Compensation Act 1987* that relates to the indexation of the lump sum payable to dependents of deceased workers.

Issues Considered by the Committee

- | |
|--|
| 10. The Committee has not identified any issues under s 8A(1)(b) of the <i>Legislation Review Act 1987</i>. |
|--|

The Committee makes no further comment on this Bill.
