

Review of road safety issues for future inquiry

The Committee will inquire into, and report on, road safety issues for future inquiry by inviting submissions proposing road safety inquiry topics.

The Committee will review and rank submissions by considering:

- a) Why the issue is important;
- b) Why it should be investigated by Staysafe;
- c) How Government policy and practice will be improved;
- d) How the issue supports the NSW or national road safety strategy; and
- e) What benefits the community will enjoy.
