26 May 2016

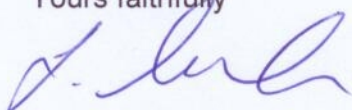

Dear Ms Oravecz

Thank you for the opportunity to appear before the Committee on the Ombudsman, the Police Integrity Commission and the Crime Commission on 12 May 2016 regarding the 2016 Review of the Annual Reports of Oversighted Bodies.

I have read the proof of transcript of my oral evidence provided at the public hearing. I have marked my corrections on the transcript attached. I would like to clarify the following issues:

1. (p.3) The additional permanent position to my office is a Research Assistant, not a research officer as stated. The position was approved by the Secretary, Department of Justice in October 2015, during the final month of office of Dr John Paget. It was recommended that the recruitment for this position be undertaken by the incoming Inspector.
2. (p.4) The Inspector of Custodial Services Act provides for each juvenile justice centre to be inspected at least once every three years. The Inspector of Custodial Services Act was proclaimed to commence on 30 August 2013. The first Inspector, Dr John Paget was appointed on 1 October 2013.
3. (p.4) The position of the Inspector of Custodial Services was vacant for a period of five months and ten days, not six months as stated.
4. (p.4) Two juvenile inspections were carried out in a two and a half year time period, not one as affirmed by the Inspector's response to The Hon. Trevor Khan and The Hon. Adam Searles calculations.
5. (p.8). The minimum time that is required to undertake an inspection is around 16 weeks, not 20 weeks as stated.

Yours faithfully
