

Question 1

Analysis of practitioners whose registration is not known category (page 7)

Response

A small number of practitioners were recorded as 'registration unknown'. This classification may be applied where the complaint is not clear about the practitioner's details and/or the matter does not relate to a health worker, is withdrawn immediately, or is otherwise not in jurisdiction and therefore further details were not required to determine the matter.

Question 2

Has the Commission received any complaints regarding medicinal cannabis prescription or hemp products.

Response

The Commission did not receive any new complaints in relation to medicinal cannabis prescription or hemp products in the 2016-17 year.
