Dear Mr Clancy,

**RE: Inquiry into the Inland Rail Project and regional New South Wales**

I am writing to thank you for your letter dated Tuesday, 27 July 2021 from the Legislative Assembly Committee on Investment, Industry and Regional Development.

We informed the Committee earlier this year that we were not able to appear before the Inquiry or provide a formal submission. Our position remains, Federal Government bodies and agencies, which includes ARTC as a Federal Government Business Enterprise, do not partake in State Government led inquiries. Therefore, we are not able to provide the Committee with formal responses to the questions submitted.

I thank you and the NSW Government for your ongoing support and look forward to continuing working hand-in-hand with regional communities and Government as we deliver the Inland Rail project.

Yours sincerely,
