

## **Inquiry into the Administration of the 2023 NSW State Election and Other Matters**

### **Answers to Questions on Notice**

#### Question about the NSW Electoral Commission's regulatory functions

We support additional funding for the Commission. The funding should be directed at the Commission's ability to:

- provide clear guidance and helpful training for third-party campaigners to comply with electoral laws.
- increase its agility in understanding new developments in electoral laws and accurately communicating those developments to electoral participants.

#### Question about the Unions NSW's donations to political parties at the 2023 election

Unions NSW did not donate to any party or candidate at the 2023 election.

#### Question about regulating truth in advertising

We support regulating truth in advertising.

### **Answers to Supplementary Questions**

#### Questions about NSW Government employees running for office

For these questions, we refer to the answers of the Public Service Association of NSW.
