Dear Committee,

I would appreciate if you could change these **errors of fact**, I apologise for the errors.

1. p 18 I stated "which publishes minutes twice a year, opens its meetings to the public and takes questions"

I meant to say "*which publishes minutes ~~and twice a year~~, opens its meetings to the public and takes questions **twice a year***"

2. p 20 I stated "increase"

I meant to say "**decrease**"

3. p 22 I tabled 2 emails, one was to GSP and one was to NSW Procurement (about a contract awarded to the seeming wrong agency for GSP land). I would like to correct the following to read:

*I've got two emails, **one to the official email of the GSP**, both with significant - number one is about the Centre for Excellence in Centennial Park, and another one **to Procurement in the Planning Department about a contract for Moore Park**. One is.....(the rest is correct).*

**LINDA BERGIN:** I've got two emails to the official email of the GSP, both with significant—number one is about the centre for excellence in Centennial Park, and another one. I've gotten no reply. One is one month old and one is two months old. Not even an acknowledgement—I got no reply whatsoever. I know that's just small thing, but—

4. p 26 I said "They don't even publish this".

I would like to **DELETE** this statement, because while GSP THINKS it publishes the highlights video, the link is missing in its website so the highlights video is not findable, but I don't think the public would understand this distinction.
