Re: Transcript of evidence- Review of the 2023-2024 Annual Reports of the ICAC and the Inspector of the ICAC

Dear Chair

I would like to thank the Committee again for the opportunity to give evidence on Monday 10 February 2025.

Please find **attached** the draft transcript with my proposed amendments.

Verbal inaccuracies

Under the Legislative Assembly's Standing Order 293, I propose the following amendments to be made, which have been highlighted in red:

- Page 22
"No. I got a job description. Not that I'm aware of." should be amended to "No. Not that I'm aware of. I got a job description."
- Page 23
"...against..." should be amended to "...in..."
- Page 24
"...administrative decision-making contact..." should be amended to "...administrative decision-making context..."

Clarifying my evidence

I also would like to clarify one section of the transcript, which I have highlighted in green:

- Page 26

The Hon. Jacqui Munro: *I would suggest that it required some political pressure to be applied before that. It certainly wasn't, I don't think, a normal process or considered a required part of the process.*

Gail Furness SC: *Right*

For clarity, my response to the Hon. Ms Munro, is an acknowledgement that I have heard what was said to me, and not that I agree with the statement.

If there are any queries, please do not hesitate to contact my Office:
