Subject	ClubGRANTS complaints form	
Date	2 September 2014	

Good afternoon local committee convenors.

Section 17(3) of the NSW Gaming Machine Tax Act 2001 gives the ILGA the right to refuse a tax rebate if, on information provided by a ClubGRANTS Local Committee, the Authority is satisfied that the registered club claiming the rebate has not complied with the ClubGRANTS Guidelines.

To initiate the ClubGRANTS complaint handling process, a Local Committee member is required to complete the form. Before completing the form, please review the ClubGRANTS Guidelines, as complainants are required to quote a particular article of the Guidelines which are alleged to have been breached. Complainants are also required to complete a statutory declaration which confirms that the statements and allegations made in the form are true and correct.

A copy of the complaint and any other material you have provided will be provided to ClubsNSW and the club(s) involved, and a written response will be requested from the club(s). Their response, together with the material provided, will form the basis for the Authority's consideration.
