Dear Ms Minnican

Inquiry into 2008 Local Government Elections

I write regarding the Committee Secretariat's letter of 1 September 2009 and the enclosed transcript of my evidence concerning the Inquiry into the 2008 Local government Elections.

I advise that I have no corrections to the transcript.

At the Hearing the Hon Don Harwin requested a copy of the priority list for counts conducted at the Riverwood counting centre. Please find enclosed (Attachment A) the first plan published on the NSWEC website which projected forward three days. This plan was updated on a daily basis to reflect workflows. I have also enclosed (Attachment B) examples of the updated lists.

I advise that at all times we endeavoured to provide 24 hours notice to allow scrutineers to attend the counting centre.

I trust this information is of assistance to the Joint Standing Committee on Electoral Matters.

Yours sincerely

A handwritten signature in cursive script that reads "Colin Barry".
