Frank Terenzini MP  
Chair  
Committee on the Independent Commission Against Corruption  
Parliament House  
Macquarie St  
Sydney NSW 2000

Dear Committee

**Protected Disclosures**

I write on behalf of \_\_\_\_\_ whose concerns about what  
regarded as a protected disclosure I have represented to the NSW Premier and other Ministers.

Contractors for \_\_\_\_\_ employed \_\_\_\_\_ when \_\_\_\_\_ reported alleged corruption, and I have  
asked the NSW Premier to include people in this circumstance under the Protected Disclosures  
Act. I enclose a copy of my 18 June representations.

I note that Proposal 3 in the Committee's March Discussion Paper would make people in  
"contractual relationships with public authorities" eligible for protection.

Governments are increasingly contracting services and programs to other agencies, and  
employees and contractors should receive the same protections as public employees when they  
report corruption that is related to Government programs.

*I support this proposal and look forward to the Committee's recommendations.*

Yours sincerely

Dear Premier

**Protected Disclosures**

I write on behalf of  
*Disclosures Act 1994.*

about coverage of the *Protected*

tells me that was sacked from job because correctly reported fraud to the relevant authorities. says that was not protected from detrimental action under this legislation, but was dismissed immediately.

I understand that was not employed by a NSW Government agency, and was a contractor working for

is concerned that all employees and contractors should be protected under this legislation, so that as many people as possible are encouraged to expose corruption, fraud and other illegal activity.

***Could you please review the Protected Disclosures Act 1994 to improve whistleblower protection and inform me what action you will take?***

Yours sincerely
