Subject: Building Confidence

To whom it may concern,

While congratulating and supporting Mr Robert Furolo on his comments on public funding of political elections, I wish to make the following suggestions:

1. The Australian Electoral Office be solely responsible for funding the costs of the Local, State and Federal elections, with of course, limits of spending.
2. Enact legislation making it a criminal offence with heavy penalties, for any infringement of this law.

Kind regards,

Merrill Nugara
