Dear Ms Buchbach

On behalf of the Koorawatha Progress Association I would like to take this opportunity to let you know of the limited availability of telecommunications we have in our local area.

Koorawatha is a village of approximately 330 residents, situated 30 kms south of Cowra in Central West NSW.

1. Mobile Phones – It is very difficult to get reception for mobile phones within a radius of 20kms of Koorawatha. ie. North, South, East and West.
2. We have also noticed a gap in mobile phone reception when driving north from Yass to Boorowa.
3. Broad Band – There appears to be at least one phone line which extends from Broad St in the village out to the farms immediately to the west, where there is no Broadband available.

We hope that this information is useful to your inquiry into telecommunications availability.

Yours sincerely

Jane Fisher

Secretary
