Dear Mr O'Dea

Auditor-General's Report on Coal Mining Royalties

Thank you for letter of 28 February regarding NSW Treasury's response to the Auditor-General's report on Coal Mining Royalties.

NSW Treasury has set up a working party consisting of representatives from NSW Treasury (chair), the Department of Premier and Cabinet, Department of Finance and Services (Office of State Revenue) and the Department of Trade and Investment, Regional Infrastructure and Services to review the merits of transferring the administration of royalties to the Office of State Revenue.

The working party met on 3 March 2011 and 13 May 2011, with additional one on one meetings being held between various members of the working party to gain background information on the current administrative arrangements for royalties collection.

Work associated with the preparation of the 2011-12 Budget and Half-Yearly Review caused the deliberations of the working party to be suspended temporarily. The working party intends to resume its deliberations, with a recommendation to be made in 2012.

Yours sincerely

Philip Gaetjens
Secretary
