My opinion on the current extent and nature of the brothel industry in New South Wales

There are all kinds in NSW and they are very diverse and friendly & nice to be an understatement

Current regulation of brothels in New South Wales and other states

Room is clean and the working conditions are comfortable for workers to enjoy self care.

Penalties and enforcement powers required to close illegal brothels

Options for reform including a scheme of registration or licensing system for authorised brothels

brothels should

brothels should have a right like every &

Options to maintain the high level of public health outcomes
