

The Committee Manager

Select Committee on the Regulation of Brothels
Parliament House, Macquarie St

Sydney NSW 2000

14 August, 2015

I am Migrant sex worker from China and
been sex work in Australia many years. I
support the current status which is Decriminalisation
sex industry. Because we will have more freedom
to work. If we have issues we can naturally
protect ourself. No afraid to seek for help.
Without worrying and pleasure. Furthermore
Decriminalisation not waste tax payer money.

As a Migrant sex worker I support
Decriminalisation. My Body is My Business
