Dear Sir

**RE: INQUIRY INTO SPORTSGROUND MANAGEMENT IN NSW**

Cootamundra Shire is proud of its sporting facilities which adequately meet the needs of the community.

Cootamundra is a town of approximately 7000 people which supports many sporting teams and associations including:

- Senior & Junior Rugby League
- Senior & Junior Rugby Union
- Senior & Junior Soccer
- Australian Rules and Cricket

all of which play in inter town and regional sporting competitions.

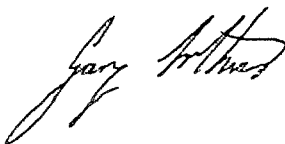

In addition there are many local sporting teams which compete within the town ie touch football, basketball, netball, tennis and athletics.

The sportsground facilities which support these sporting bodies are constructed, maintained and supported by Cootamundra Shire and are funded from Shire Revenue and some user charges.

Cootamundra is well serviced by recycling waste water to supply the sporting grounds. The recycled waste water system is filtered and chlorinated and has won awards for innovation and recycling.

Council's current fee schedules are attached.

Yours faithfully
