MEASURES TO REDUCE ALCOHOL AND DRUG- RELATED VIOLENCE

Name: Mr Michael Jarvin

Date Received: 7/08/2014

I am an Eastern Suburbs born and bred and have lived in King Cross Potts Point area since 1957 and have multiple property interests in the area and my recreational enjoyment is the restaurant bars and venues of King Cross late at night

I use King Cross 3 to 4 times a week all year round late at night

Prior to these lock out I wasn't ever feeling things where getting out of hand.

I am aware of the profound reasons for these measures after some unfortunate events.

Sense the lock out the ambience and viability of Kings Cross has deteriorated and my amenity has been reduced.

I support removal of this poorly planned lock out and support better solutions. Education, police presence and smarter policing, transport solutions, road closures ,
