Dear Sir,

Re: Inquiry into International Student
Accommodation in NSW.

I have lived at the above address for approximately forty years. I live within walking distance of Macquarie University, I have seen the change in my area over recent years, as the houses in my street & surrounding streets have become illegal boarding houses, accommodating varying numbers of students.

As the University advertises for overseas students, they should have to provide proper accommodation for them, as it is not good for students to be crammed into houses, nor does it reflect very well on this State or the University.

I have attended several rallies organised by "Marfield Against Residential Suffocation", also attended by some Hyde Council members, John Alexander Federal Member, & Victor Dominello State Member for Hyde.

I have contacted Victor Dominello on several occasions as parking in the street has become very difficult. Students walk on the road making it very dangerous, particularly at night.

Thanking you in anticipation of an early reply.

Yours faithfully,
M Madsen
