INQUIRY INTO INTER-REGIONAL PUBLIC TRANSPORT

Name: Ms Kay Gibbs

Date Received: 20/03/2012

Dear Sir, I would like to express my opinion on the lack of a good rail service between Bathurst and Sydney, at the moment we dont have a service that would take us to Sydney in the morning and return as in the evening, this makes it very difficult to access Doctors and other services we dont have here in the country.

As a pensioner life is difficult enough, it would be nice to be able to have a social day in the city and return the same day. NSW is more than Sydney Canberra and Wollongong,

WE NEED A DECENT RAIL SERVICE PLEASE.

Yours Sincerely Kay Gibbs
