MANAGEMENT OF SHARKS IN NEW SOUTH WALES WATERS

Name: Name Suppressed
Date Received: 11/10/2015

Partially Confidential

I have grown up and lived in, surfed in the Ballina area for the last 38 yrs I have a trade business in the area and also a young family, the shark issue is making my family consider leaving the area and exploring new options and hobbies. As I can see housing prices dropping and local businesses folding especially after seeing how quiet the area was through the school holidays
