Dear Sir

"My SUBMISSION" ON TRANSPORT Woe's"

i.e. You WANT the Public to USE PUBLIC TRANSPORT.
THAT will not Happen! while you have Bus Timetables
that are INEFFICIENT to the PUBLIC'S NEEDS
They have not kept pace with the growth in these
areas

I have written to minister for transport. Did ^{not} get any
reply!! "Also Busway's Typical ANSWER'S" "I have kept that
one for posterity".

i.e. = Gosford! "Go to Sydney Buses to unreliable
because to many cars on roads." "No wonder Gosford"
has stood still in time" ALSO pensioner FARES now
have been to expensive, 4.60 to go, back home in
TOTAL. IN COMPARISON to Sydney to get around.
i.e. = a day out to Ice world with grandson.

9.08 BUS EASTER MONDAY. BUS late miss 9.23 Train
wait. 50 min wait train late.

Gosford. Bus Station "No Buses AT all!" for 45
mins!! Hats off to Manager & Owner of Ice World
a Beautiful Rink & have seen the Best."

"But Woe getting there" "I wonder will They Survive
I'm sure many would use this Facility" like us"

"But getting there is a nightmare" Coming Home
TRAIN 1 hr late. Total TRAVELING 3 1/2 to 4 hrs TIME.

IE = ETTERONG. we now have OUTRIGGER CLUB to
cater for Tourists, plus housing development.

to cater for Tourist needs and planned Fast Ferry"
you need to look at Routes, Of the Buses and
Better time availability of the Buses on
peninsula. There are too big a gap at certain times
when Buses do not run!! The Traffic on Ocean Beach
RD is already very Bad. "You need to get cars off
the road's" This is a very important area to be looked
at. "We need state Transit Buses now on
Central Coast" "I shall not give up on this one."

Sincerely
Vera Robinson
