Dear Sir

As you can see we live at Branston  
which is 34 1/2 to Singleton & 34 1/2 to Maitland  
we have 2 daughters that work in work shops  
one in Maitland & one in Singleton  
mai-well has moved to Metford my daughter  
has to leave home 6.45 AM. then to change  
at Rutherford for Metford arriving 8.00 AM  
then coming home has the reverse  
getting home 5.00 pm.

The other daughter works at Singleton  
she can travel on a school bus but  
during school holidays there isn't any  
buses to get her to work so has to take  
school holiday off.
