Mr Russell Keith
Committee Manager
Public Accounts Committee
Parliament House
Macquarie Street
SYDNEY NSW 2000

Dear Mr Keith

I write in relation to evidence provided at the public hearing of the Public Accounts Committee Inquiry into the Auditor-General's Performance Report on Recycling and Reuse of Waste by the NSW Public Sector on 30 October 2009.

In response to a question from Mr John Turner in regard to the review of WRAPP Plans (Page 4 Report of Proceeding) the following are the top 15 percent of agencies that reported in 2007 with high generation and disposal rates and/or significant purchasing requirements but with low levels of recycled content.

Country Energy
Education & Training, Dept. of
Housing Dept. of
Land & Property Authority
Rail Corporation NSW
Roads and Traffic Authority
Sydney Olympic Park
Transport Infrastructure Development
Corporation
Sydney Catchment Authority

Energy Australia
Environment, Climate Change & Water Dept. of
Integral Energy Australia Pty Ltd
Landcom
South Eastern Sydney & Illawarra AHS
Sydney Water Corporation
Port Kembla Port Corporation

WSN Environmental Solutions
Taronga Conservation Society Australia

In relation to advice provided to the Committee on the integrated waste contract (Page 2 Report of Proceedings) we have reviewed the contract and advise that there are six providers to the contract not five as reported.

Yours sincerely
