MEASURES TO REDUCE ALCOHOL AND DRUG- RELATED VIOLENCE

Name: Mr Reagen Jones
Date Received: 15/08/2014

It's just silly, the idea of lockouts doesn't prevent alcohol abuse or substance abuse, if anything it encourages a fast drinking pace and more substances to be taken before entering the night club area.

The only true way to combat this and a vast majority of other things in life is through education, not to make a law and hope it solves the problem.
