MEASURES TO REDUCE ALCOHOL AND DRUG-RELATED VIOLENCE

Name: Name Suppressed

Date Received: 13/08/2014

Partially Confidential

- 1.) Stop punishing the general public, for a few people's stupidity and intoxication.
- 2.) These laws punished venues that had no reputation for violence or drunk behaviour- ie Good God small club. I no longer attend these venues because of the laws
- 3.) 10pm take away laws, are contradictory to the overall message. If you want just a bottle of wine to take home and share with friends, you can't you have to drink at a pub?
- 4.) Extending the lockout laws will only encourage more anger among patrons, pushing people further out west to have a night out.
- 5.) IT'S COMPLETELY CONTRADICTIONARY/DEPRESSING/DISTURBING/CLEARLY CORRUPT THAT CASINOS ARE EXEMPT!! it's disgusting.
- 6.) it's embarrassing that people come from inter-state and internationally, expecting Sydney to be a lively and fun place to go out. Yet they are met by crippling laws that treat adults like children.
