Am very much in favour to have MORE HIDDEN SPEED CAMERAS ( little point in advertising them 100 meter back),and to INCREASE demerit points/fines. too many motorists are ignoring the speed limits. CATCH them and let it hurt them in \$\$\$/points, this will make the roads safer for ALL of us

another point: on most motorways/freeways it is stupid/dangerous to limit the speed to 110 km/h; it is boring, makes drivers fatigued. let's go to 130
