Dear Sir/Madam,

Thank you for referring the letter from the Legislative Assembly to us on 19 April 2013.

I forwarded same to senior staff within Gosford Council and advise that the letter appears to consider a possible extension pipeline where gas already exists (gas supply only).

Therefore our request of Andrew Gee MP (Chair of the relevant Committee) be advised of the need to consult with Councils to determine the best tracks for laying any new pipelines.

The other terms of reference seem to relate to the State Government Services.

Yours faithfully

Paul Anderson
General Manager
