SEXUALISATION OF CHILDREN AND YOUNG PEOPLE

RE: ~~BBB~~ SENATE SUBMISSION OF CHILDREN + YOUNG
PEOPLE.

To whom it may concern,

I, Steven Varga, write this letter
in opposition of the "Safe Schools"
program. This program reduces the
freedom of speech as the one sided
agenda gets pushed upon the
schools aged children. It is important
not to indoctrinate our children
with confusing thoughts prematurely
about their sexuality.

Kind regards,

STEVE VARGA.
