SEXUALISATION OF CHILDREN AND YOUNG PEOPLE

Name: Ms Alison Varga
Date Received: 23/11/2015

A. Varga.

RE: Senate submission of Children
and young people.

To whom it may concern:

I, Alison Varga, write this letter
in opposition of the "Safe Schools"
program due to the premature
sexualization of children that
is unnecessary in this day +
age. We must protect the
dignity + innocence of our
children.

Kind Regards,
