**ADEQUACY OF THE REGULATION OF SHORT-TERM
HOLIDAY LETTING IN NEW SOUTH WALES**

Name: Mr John Lynch
Date Received: 4/11/2015

I travel to Sydney regularly for Medical Appointments and require comfortable and quiet accommodation in proximity to hospitals.

I find it much more convenient and comfortable and pleasant to stay in a home environment rather than a hotel/motel. I regularly stay in short term accommodation in Glebe. Our hosts are very courteous and I would be upset if these options were no longer available.
