Date Received: 19 July 2016

Submission 26: Mr William (Bill) McPhillips

My son, William Simpson McPhillips, lives at [REDACTED]. This is 24+km. from his place of meeting with his peers (he is profoundly retarded). There is no local transport between these two locations. At present we are dependent on transport from FSG.

Without this support it would be extremely difficult or -more likely impossible for him to fully participate.
