**Submission No. 70 – Margaret Newbould**

As a aged pensioner and carer living on the far north coast I would like to be able to get on a train and go either to Byron Bay, Lismore or Casino during the day to go to the hospital to see specialists or go shopping instead of driving .There is no other public transport other than getting a rail bus at 6-30am in the morning and returning home at 9-15 pm at night. We could also go north to Murwillumbah if we had a light rail on those rail lines that pass through Billinudgel where we could get on for either way. Also it would be nice to go to Queensland when their rail meets up with ours. We definitely need trains on our tracks.

Yours Faithfully.
