**SUPPORT FOR START-UPS IN REGIONAL NEW
SOUTH WALES**

Name: Mr Tim Whitaker
Date Received: 30 June 2017

Develop a web site for start ups on the NSW south coast. The web site will be in the form of a business directory containing contact information, product and services and an individual profile page. The web site can be promoted as a source of information on new business and start-ups which will assist these businesses in their initial marketing and their launch of their business. This is an initial expression of interest, a full submission can be made available.
