COMMUTER CAR PARKING IN NEW SOUTH WALES

Name: Suzanne Thompson

Date Received: 6 July 2017

I live in the Penrith area and catch a train everyday to work. I am lucky to get a park due to leaving before 7am. There is ALOT of construction going around the commuter car park with 2 large sets of units being built. Unfortunately the commuter car park is filled by these workers and there is little left for the people that actually ccatch the train to go to work. This is then leaving the actual commuters no parking or having to park miles away and walking and hoping not to be booked. COMMUTER CAR PARKS SHOULD ONLY BE FOR COMMUTERS. YOU SHOULD HAVE TO SWIPE YOUR OPAL CARD TO GET IN AND OUT. AND IF YOU HAVENT TRAVELLED BY TRAIN THAT DAY IT SHOULD THEN CHARGE YOU A FLAT DAILY RATE OF \$20. Make it fair for the people who are using the trainsandcgive parking for them only.
