COMMUTER CAR PARKING IN NEW SOUTH WALES

Organisation:

Name: Dr Hemant Junnarkar

Position:

Date Received: 2 August 2017

Dear Sir/Madam,

We have to go daily to office at City and parking car at Schofields station or Quakers Hill station is becoming difficult day by day. From early morning, there are long queues of cars. Hence it will be very helpful if commuter car parking at Schofields and Quakers Hill station is arranged as early as possible.

Thanks and regards,

Dr Hemant Junnarkar
